## Discussion

### Context

- 13. The Local Government Act 2002 and Local Government (Auckland Council) Act 2009 require Council to use the special consultative procedure in adopting the Draft Annual Plan 2014/2015. This includes ensuring any person submitting on the Draft Annual Plan is given reasonable opportunity to be heard.
- 14. The governing body agreed at the meeting on 19 December 2013, that submissions containing both regional and local content would be heard at local hearings.
- 15. This report provides statistics on submissions received regionally and locally, and a brief high-level analysis of key themes and topics.
- 16. More detailed analysis of submissions will be provided to the local board workshop on 2 April 2014.
- 17. The consultation period for the Draft Annual Plan 2014/2015, incorporating the Orākei Draft Local Board Agreement, was held from 23 January 2014 to 4pm 24 February 2014.

### Submissions

- 18. Council received and processed 1,967 submissions. Of these submissions, 237 are relevant to the Orākei Local Board area with 25 submitters requesting to be heard.
- 19. Copies of submissions for the Orākei Local Board area are provided in attachments A and B to this report. Attachment A consists of regular submissions and attachment B contains the names of those submitters that submitted an Orākei Local Board headed pro forma, regarding Michaels Avenue Reserve, and a blank copy of one of these submissions.

A number of these pro forma submissions were received from submitters outside the Orakei Local Board area.
  - Another 23 submissions were received on another pro forma, this one supporting the Local Board project for “daylighting the Atkin Stream on the council reserve. In particular, the aspects of the project that improve the environment, amenity and access for reserves in the area appeal”.

Of those requesting to be heard at a regional hearing, 8 were from individual submitters, 22 from special interest groups, 11 from businesses or business associations, and a further 3 from Maori organisations.
26. The topics listed below in table 2 indicate the most commonly raised submission points relating to regional activities (not including the consultation questions), with a summary of the most significant issues below.

**Table 2 - Regional topics**

The form also outlines a perceived health risk and that fluoride should be obtained through toothpaste only.
28. **Regional arts & culture initiatives** – of the 54 submitters that commented on this topic, 48 are requests for Council to consider Massive Theatre Company for annual investment and assistance to find a home. While most of which are from members/supports, the Theatre does also make an official submission requesting funding itself.
29. **Social Housing proposal** – 51 submitters outlined their reasons for not supporting the proposal to increase social housing rental charges by 5%. Just over half of these submitters outlined the major reason being the increase was not affordable.
