Of those requesting to be heard at a regional hearing, eight were from individual submitters, 22 from special interest groups, 11 from businesses or business associations, and a further three from Maori organisations.
25. The topics listed below in table 2 indicate the most commonly raised submission points relating to regional activities (not including the consultation questions), with a summary of the most significant issues below.

Table 2 - Regional topics

Watercare – Water Supply	247	12.6%
Regional arts and culture initiatives	54	2.7%
Social housing proposal – Do not support	51	2.6%
Expenditure – too high	38	1.9%

26. **Watercare Services – Water Supply** – 226 of the 236 submissions regarding water supply were opposing fluoridation of the water supply. Of those submissions, 206 came via a pro forma. The points raised outline a believed violation of human rights in that ratepayers have no choice as to whether their water is treated to include fluoride chemicals. The form also outlines a perceived health risk and that fluoride should be obtained through toothpaste only.
27. **Regional Arts and Culture Initiatives** – of the 54 submitters that commented on this topic, 48 are requests for Council to consider Massive Theatre Company for annual investment and assistance to find a home. While most of which are from members/supports, the Theatre does also make an official submission requesting funding itself.
28. **Social Housing Proposal** – 51 submitters outlined their reasons for not supporting the proposal to increase social housing rental charges by 5%. Just over half of these submitters outlined the major reason being the increase was not affordable.
