Board Member's Report - Brett Clark

Committee:

Maungakiekie-Tāmaki Local Board Business Meeting Tuesday 17 March 2014
Panmure Local Board Office

Portfolio roles

Economic Development: Our recent stakeholder engagement was a positive opportunity for groups to contribute to the new local Board Plan. I continue to work with officers to include the presentation of the recent Town Centre Intercept Survey data with a workshop session with business association executive committees. Regular officer update meetings continue.

Parks, Sport & Recreation: Stakeholder engagement to be Thursday 20 at the Oranga Community Centre in Ferguson Park. Officer updates are continuing regularly.

Community Networks and Outside Appointments

The Onehunga Foreshore Working Group: Attendance at quarterly meetings continues, these are timed to just precede the project update reports to the Local Board.

The Onehunga Combined Sports Trust: Management meeting are continuing, Trust members have been involved with Greenways consultation along with other resident user groups of or located on Waikaraka Park.

Oranga Community Centre Society Committee: Monthly meetings are ongoing and increasing in frequency as their festival approaches. The date is set for Ferguson Park next to the Council's community centre building on Saturday 29 March.

Business Improvement Districts: Glen Innes, Onehunga, & Panmure. My attendance at each executive meetings allows me to gain a greater understanding of them while providing an update from the Local Board.

Recommendation/s

That the report from Brett Clark be received
