PRO FORMA SUBMISSIONS**

**Submission to
Local Board
Plan:**

To Local Board Members, Thank you for the opportunity to comment on the priorities for our community for the next 3 years. I strongly support making smokefree a priority for our area. Smoking is a serious health issue and we should do all we can to reduce the impact of smoking across our community, especially for our children. I would like you to: Assign budget for smokefree signage; Go beyond the policy and make town centres, beaches, & outdoor dining areas smokefree before 2018; Make smokefree a priority in our Local Board plan. Thank you for creating a healthier future for our children.

Sub #	Name	Smokefree Pro Forma: Additional Comments
7507	Tawna Whitford	Making New Zealand smokefree would not only be healthier for us, but it will reinforce New Zealand's "clean, green" reputation.
7508	Vikki Ham	Please make smokefree a priority in our Local Board Plan.
7510	Terri-Kaye Tallentire	Cigarettes are a major health issue and nuisance to the population alongside the increased costs they place on healthcare as a result of their detrimental effects on health causing cancer, addiction and emphysema.
7512	Teressa Thomson	Would like a smokefree Aotearoa as soon as possible.
7514	Raawyn Somers	We need to remove the shackles of addiction as much as possible as the cost is too great to bear; the cost of smoking to the health and wellbeing of our communities is immense.
7595	Dean Hewett	Make smokefree a priority in our Local Board plan. Thank you for creating a healthier future for our children. Outside bars and cafes need to be smoke free. I want to be able to sit outside a cafe for a drink, coffee etc and not sitting next to a smoker. The main CBD / shopping area in towns should be smoke free.
7596	Racheal Hira	Going SMOKE FREE everywhere, airports, Marae, outside schools, parking areas, sports fields and clubs.
