July 2014

To Local Board Members,

RE: Submission to Local Board Plans.

Thank you for the opportunity to comment on the priorities for our community for the next 3 years. I strongly support making smokefree a priority for our area. Smoking is a serious health issue and we should do all we can to reduce the impact of smoking across our community, especially for our children. I would like you to:

- Assign budget for smokefree signage
- Go beyond the policy and make town centres, beaches, & outdoor dining areas smokefree before 2018
- Make smokefree a priority in our Local Board plan

Yours Sincerely,

Name:
