TERMS OF REFERENCE

Responsibilities

The Committee is established to assist the Chief Executive to undertake the management procedure of ensuring sound probity procedures are followed in relation to procurement of goods and services necessary to deliver on the work programme and operations outlined in Council's adopted Annual plan.

It will ensure that reasonable purchasing procedures have been followed in awarding contracts and will provide an efficient mechanism for documenting the approvals for those contracts.

Within a framework where contracts are an operational matter delegated to the Chief Executive, this Committee will consider all tenders beyond the Chief Executive's financial delegations. The Chief Executive may refer contracts within his financial delegations which are sensitive or may impact on the reputation of the Council.

The Committee will have responsibility for:

- Awarding of contracts greater than \$7.5 million; and
- Awarding of contracts less than \$7.5 million which are sensitive or may impact on the reputation of the Council where the Chief Executive refers the matter to the Committee;
- Oversight over the tendering and procurement process and procedures of the Governing Body and local board; and
- Developing a tendering and procurement strategy as policy for recommendation to the Governing Body for adoption.
- From time to time the Committee may advise the Chief Executive and Council on changes to the Procurement and Contracts probity procedures.

Powers

All powers necessary to perform the Committee responsibilities.

Except:

- (a) powers that the Governing Body cannot delegate or has retained to itself (see Governing Body responsibilities)
- (b) where the Committee's responsibility is limited to making a recommendation only
- (c) where the Committee's responsibility sets out financial limitations

EXCLUSION OF THE PUBLIC – WHO NEEDS TO LEAVE THE MEETING

Members of the public

All members of the public must leave the meeting when the public are excluded unless a resolution is passed permitting a person to remain because their knowledge will assist the meeting.

Those who are not members of the public

General principles

- Access to confidential information is managed on a “need to know” basis where access to the information is required in order for a person to perform their role.
- Those who are not members of the meeting (see list below) must leave unless it is necessary for them to remain and hear the debate in order to perform their role.
- Those who need to be present for one confidential item can remain only for that item and must leave the room for any other confidential items.
- In any case of doubt, the ruling of the chairperson is final.

Members of the meeting

- The members of the meeting remain (all Governing Body members if the meeting is a Governing Body meeting; all members of the committee if the meeting is a committee meeting).
- However, standing orders require that a councillor who has a pecuniary conflict of interest leave the room.
- All councillors have the right to attend any meeting of a committee and councillors who are not members of a committee may remain, subject to any limitations in standing orders.

Staff

- All staff supporting the meeting (administrative, senior management) remain.
- Only staff who need to because of their role may remain.

Local Board members

- Local Board members who need to hear the matter being discussed in order to perform their role may remain. This will usually be if the matter affects, or is relevant to, a particular Local Board area.

Independent Maori Statutory Board (IMSB)

- Members of the IMSB who are appointed members of the meeting remain.
- Other IMSB members and IMSB staff remain if this is necessary in order for them to perform their role.

Council Controlled Organisations (CCOs)

Representatives of a CCO can remain only if required to for discussion of a matter relevant to the CCO.
