MOVED by Chairperson SD Randall, seconded by Member BM Graham:

That the Maungakiekie-Tāmaki Local Board Alcohol Ban Hearing Panel:

- a) **accepts the apology from Member JR Bartley, for absence.**

CARRIED

2 Declaration of Interest

There were no declarations of interest.

3 Hearing and deliberation report for the Maungakiekie-Tāmaki Local Board alcohol ban review 2015

Resolution number MTLAB/2015/6

MOVED by Chairperson SD Randall, seconded by Deputy Chairperson CL Makoare:

That the Maungakiekie-Tāmaki Local Board Alcohol Ban Hearing Panel:

- a) **receives the report and associated submissions to the Maungakiekie-Tāmaki Local Board's review of alcohol bans**
- b) **recommends to the Maungakiekie-Tāmaki Local Board that it:**
- i. **Allows the existing alcohol ban at the Panmure Train Station to lapse as insufficient evidence has been received to enable the board to retain this ban**
 - ii. **Retains the ban at 37a Fenchurch Street (including associated car park) as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week.**
 - iii. **Retains the ban at Alcock Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week.**
 - iv. **Allows the existing alcohol ban at Allenby Reserve (including associated car park) to lapse as insufficient evidence has been received to enable the board to retain this ban**
 - v. **Allows the existing alcohol ban at Almond Reserve (including associated car park) to lapse as insufficient evidence has been received to enable the board to retain this ban**
 - vi. **Allows the existing alcohol ban at Anns Creek Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**

- vii. Retains the ban at Apirana Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week.
- viii. Allows the existing alcohol ban at Bassant Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- ix. Retains the ban at Bertrand Reserve and extend it to cover the car park at Allright Place as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week.
- x. Retain the ban at Bill McKinlay Park (including associated car park) as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xi. Allows the existing alcohol ban at Boundary Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xii. Allows the existing alcohol ban at Bowden Foreshore Reserve 1 to lapse as insufficient evidence has been received to enable the board to retain this ban
- xiii. Retains the ban at Buchanan Park as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xiv. Allows the existing alcohol ban at Bycroft Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xv. Retains the ban at Captain Springs Reserve (including associated car park) as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xvi. Allows the existing alcohol ban at Cebalo Recreation Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xvii. Retains the ban at Church Street Corner Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week

- xviii. Retains the ban at Church Street Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xix. Allows the existing alcohol ban at Commissariat Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xx. Allows the existing alcohol ban at Commissariat Road Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxi. Retains the ban at Court Crescent Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xxii. Allows the existing alcohol ban at Domain Reserve (including associated car park) to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxiii. Retains the ban at Dunkirk Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xxiv. Retains the ban at Eastview Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xxv. Retains the ban over those parts of the Ellerslie SH1 footbridge which exist in the Maungakiekie-Tāmaki Local Board area and extend this to incorporate the new section of the Ellerslie Rail Station which extends onto Kalmia Street as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and request that officers provide further advice as to the hours of the ban for those sections of the Ellerslie SH1 footbridge that exist in the Orakei Local Board area.
- xxvi. Retains the ban at Elstree North Reserve (including associated car park) as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week

- xxvii. Retains the ban at Elstree Reserve (including associated car parks) as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xxviii. Allows the existing alcohol ban at Esplanade Reserve opposite Sylvia Park Road (beside 781 Great South Rd) to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxix. Allows the existing alcohol ban at Esplanade Reserves (and reserves near the railway lines near Annes Creek) to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxx. Retains the ban at Fergusson Domain and Paihia Reserve, Oranga (and surrounding streets) as per the board's proposal and extend this to include 52 Waitangi Road as this has recently been added to Ferguson Domain, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xxxi. Allows the existing alcohol ban at Finn Place Esplanade Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxxii. Retains the ban at Flat Rock Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xxxiii. Allows the existing alcohol ban at Fong Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxxiv. Allows the existing alcohol ban at George Bourke Historic Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxxv. Retains the ban at Glen Innes shopping / business area as per the board's proposal and extend it to include Taniwha Street, the portion of the Glen Innes Train Station within the local board boundary; and the remaining area of the Ruapotaka Reserve around and including the library, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xxxvi. Allows the existing alcohol ban at Gloucester Park North (including car park) to lapse as insufficient evidence has been received to enable the board to retain this ban
- xxxvii. Allows the existing alcohol ban at Gloucester Park South (including associated car park) to lapse as insufficient evidence has been received to enable the board to retain this ban

- xxxviii. Notes that the Greenlane SH1 footbridge is within the Orakei Local Board area and request that officers forward all evidence to Orakei Local Board in order for them to make a determination on this ban
- xxxix. Retains the ban at Hamlin Park (including car park) as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xl. Retains the ban at Harrison Reserve as per the board's proposal, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xli. Allows the existing alcohol ban at Highway House (including associated car park) to lapse as insufficient evidence has been received to enable the board to retain this ban
- xlii. Retains the ban at Hillside Corner Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week
- xliii. Retains the ban at Hobson Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xliv. Retains the ban at Hochstetter Pond as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xlv. Retains the ban at Hornes Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week
- xlvi. Allows the existing alcohol ban at Horsham Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban
- xlvii. Retains the ban at Ian Shaw Park as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week

- xlvi. Allows the existing alcohol ban at Ireland Road Tree Grove to lapse as insufficient evidence has been received to enable the board to retain this ban**
- xlix. Retains the ban at Jellicoe Park (including associated car park) and extend this to cover the angled car parking and associated footpath and build-outs on Quadrant Road, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**

 - i. Retains the ban at Joe Wolfe Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
 - ii. Retains the ban at Johnson Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
 - iii. Retains the ban at Jolson Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week**
 - iiii. Retains the ban at Jordan Park (including associated car park) as per the board's proposal and extend to include those parts of the road reserve which are adjacent to the existing ban and function as part of the reserve, and remove those sections on the northern edge which are not currently owned by council, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
 - liv. Allows the existing alcohol ban at Konini Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
 - lv. Retains the ban at Kotuku Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week**
 - lvi. Retains the ban at Leybourne Circle Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**

- Ivii. Retains the existing ban at Lavas Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
- Iviii. Retains the ban at Longford Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
- lix. Allows the existing alcohol ban at Malone Road Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
- Ix. Creates a new ban over the area called the Waikaraka Walkway/Cycleway which will be a composite of the existing Manukau Foreshore East Cycleway, Manukau Foreshore East Walkway, Manukau Foreshore West Walkway bans, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
- Ixi. Notes that the Manukau Foreshore East Cycleway is now part of the Waikaraka Walkway/Cycleway ban.**
- Ixii. Notes that the Manukau Foreshore East Walkway is now part of the Waikaraka Walkway/Cycleway ban**
- Ixiii. Notes that the Manukau Foreshore West Walkway is now part of the Waikaraka Walkway/Cycleway ban**
- Ixiv. Allows the existing alcohol ban at Marei Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
- Ixv. Allows the existing alcohol ban at Maroa Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
- Ixvi. Retains the ban at Martin Reserve as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
- Ixvii. Allows the existing alcohol ban at Massey Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
- Ixviii. Allows the existing alcohol ban at Mataroa Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**
- Ixix. Allows the existing alcohol ban at Mauinaina Reserve to lapse as insufficient evidence has been received to enable the board to retain this ban**

- Ixx. Retains the existing ban at Mauinaina West Reserve (including associated car park) as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 10pm-7am during daylight savings and 7pm-7am outside daylight savings, seven days a week**
- Ixxi. Retains the ban at Maybury Reserve as per the board's proposal as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week**
- Ixxii. Retains the ban at McManus Park as per the board's proposal and extend to include the shared driveway, as the panel is of the opinion that sufficient evidence of a high level of harm or disorder associated with alcohol at this location exists, and sets the hours of this ban to 24 hours, 7 days a week**
- Ixxiii. Allows the existing alcohol ban at McNab Street SH1 underpass to lapse as insufficient evidence has been received to enable the board to retain this ban**
