| Alcohol ban area | Type of area | Map number (proposal) | Submission numbers | Current Time | Status in proposal | Summary alcohol-related crime or disorder | Summary of suggested community focused solutions | Staff recommendation | Time | Area | Submission numbers | Additional evidence presented at hearings | Staff recommendation | Time | Area | Panel decision | Comments |
| Avondale shopping/business-area Town Centre | Town Centre | 1 | 10 | 24 hours a day, seven days a week | Proposed to retain | Data from the New Zealand Police (1 September 2013 – 30 September 2014) indicate the levels of alcohol-related crime or disorder in or near the park supports the retention of the alcohol ban. Litter including discarded alcohol boxes and broken glass. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time as last recommended by staff <u>Extend proposed geographical area to include Wingate Reserve and St Ninians Reserve</u> | In the panels experience the alcohol-related crime or disorder in St Ninians Hall and Wingate Reserve is partly due to the vicinity of the area in relation to the current Avondale Town Centre alcohol ban. |
| Blockhouse Bay shopping/business-area Town Centre | Town Centre | 2 | - | 24 hours a day, seven days a week | Proposed to retain | Data from the New Zealand Police (1 September 2013 – 30 September 2014) indicate the levels of alcohol-related crime or disorder in or near the park supports the retention of the alcohol ban. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time and area as last recommended by staff | - |
| Green Bay Town Centre | Town Centre | 3 | - | 24 hours a day 7 days a week | Proposed to retain | Prior to Waitakere City Council implementing the alcohol ban area (2008) numerous complaints from the public and the local Business Association about the alcohol-related disorder and violence in and around the Green Bay Shops and local parks. This indicates that the removing the alcohol ban would likely result in a return of the problems experienced before the ban was implemented. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time and area as last recommended by staff | - |
| New Lynn Town Centre | Town Centre | 4 | - | 24 hours a day 7 days a week | Proposed to retain | Prior to Waitakere City Council implementing the alcohol ban area (2008) there reports of alcohol-related crimes occurring in the area which included public disorder, wilful damage and violent offending. This indicates that the removing the alcohol ban would likely result in a return of the problems experienced before the ban was implemented. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time and area as last recommended by staff | - |
| Rosebank shopping/business-area Town Centre | Town Centre | 5 | - | 24 hours a day 7 days a week | Proposed to retain | Data from the New Zealand Police (1 September 2013 – 30 September 2014) indicate the levels of alcohol-related crime or disorder in or near the area supports the retention of the alcohol ban. | - | Retain | 24 hours, 7 days a week | As proposed | Verbal 3 | Broken bottles and night-time behaviours fuelled by alcohol consumption occur in Jomac Place | Extend current alcohol ban to include Jomac Place | 24 hours, 7 days a week | <u>Extend proposed geographical area to include Jomac Place</u> | Retain with time and area as last recommended by staff | - |
| Archibald Park | Park | 6 | - | 24 hours a day 7 days a week | Proposed to retain | The initial alcohol ban times were extended in July 2010 to become all hours. The extension in hours was requested by the police as alcohol was being consumed and alcohol related problems were occurring in the park outside of the initial ban times. Waitakere Council Parks Department reported large volumes of bottles collected at the park on a daily basis. This indicates that the removing the alcohol ban would likely result in a return of the problems experienced before the ban was implemented. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time and area as last recommended by staff | - |
| Ken Maunder Park | Park | 7 | - | 24 hours a day 7 days a week | Proposed to retain | The initial alcohol ban times were extended in July 2010 by Waitakere City Council to address the public safety concerns in the park, this included broken bottles being left in the park near where children play soccer. This indicates that the removing the alcohol ban would likely result in a return of the problems experienced before the ban was implemented. | - | Retain | 24 hours, 7 days a week | As proposed | - | - | - | - | - | Retain with time as last recommended by staff <u>Amend area to include "y" shaped area currently excluded</u> | - |
| Lawson Park | Park | 8 | - | 7pm – 7am | Proposed to retain | Prior to Waitakere City Council implementing the alcohol ban area (2010) there police report incidences of alcohol fuelled violence, disorder and crime occurring within the park.
