Franklin Local Board : Transport Capital Fund Project 458

Second View Ave – Wakelin to Bell Road

The Franklin Local Board has approved \$340,000 for this project (rough order of costs).

The latest firm estimate is made up of:

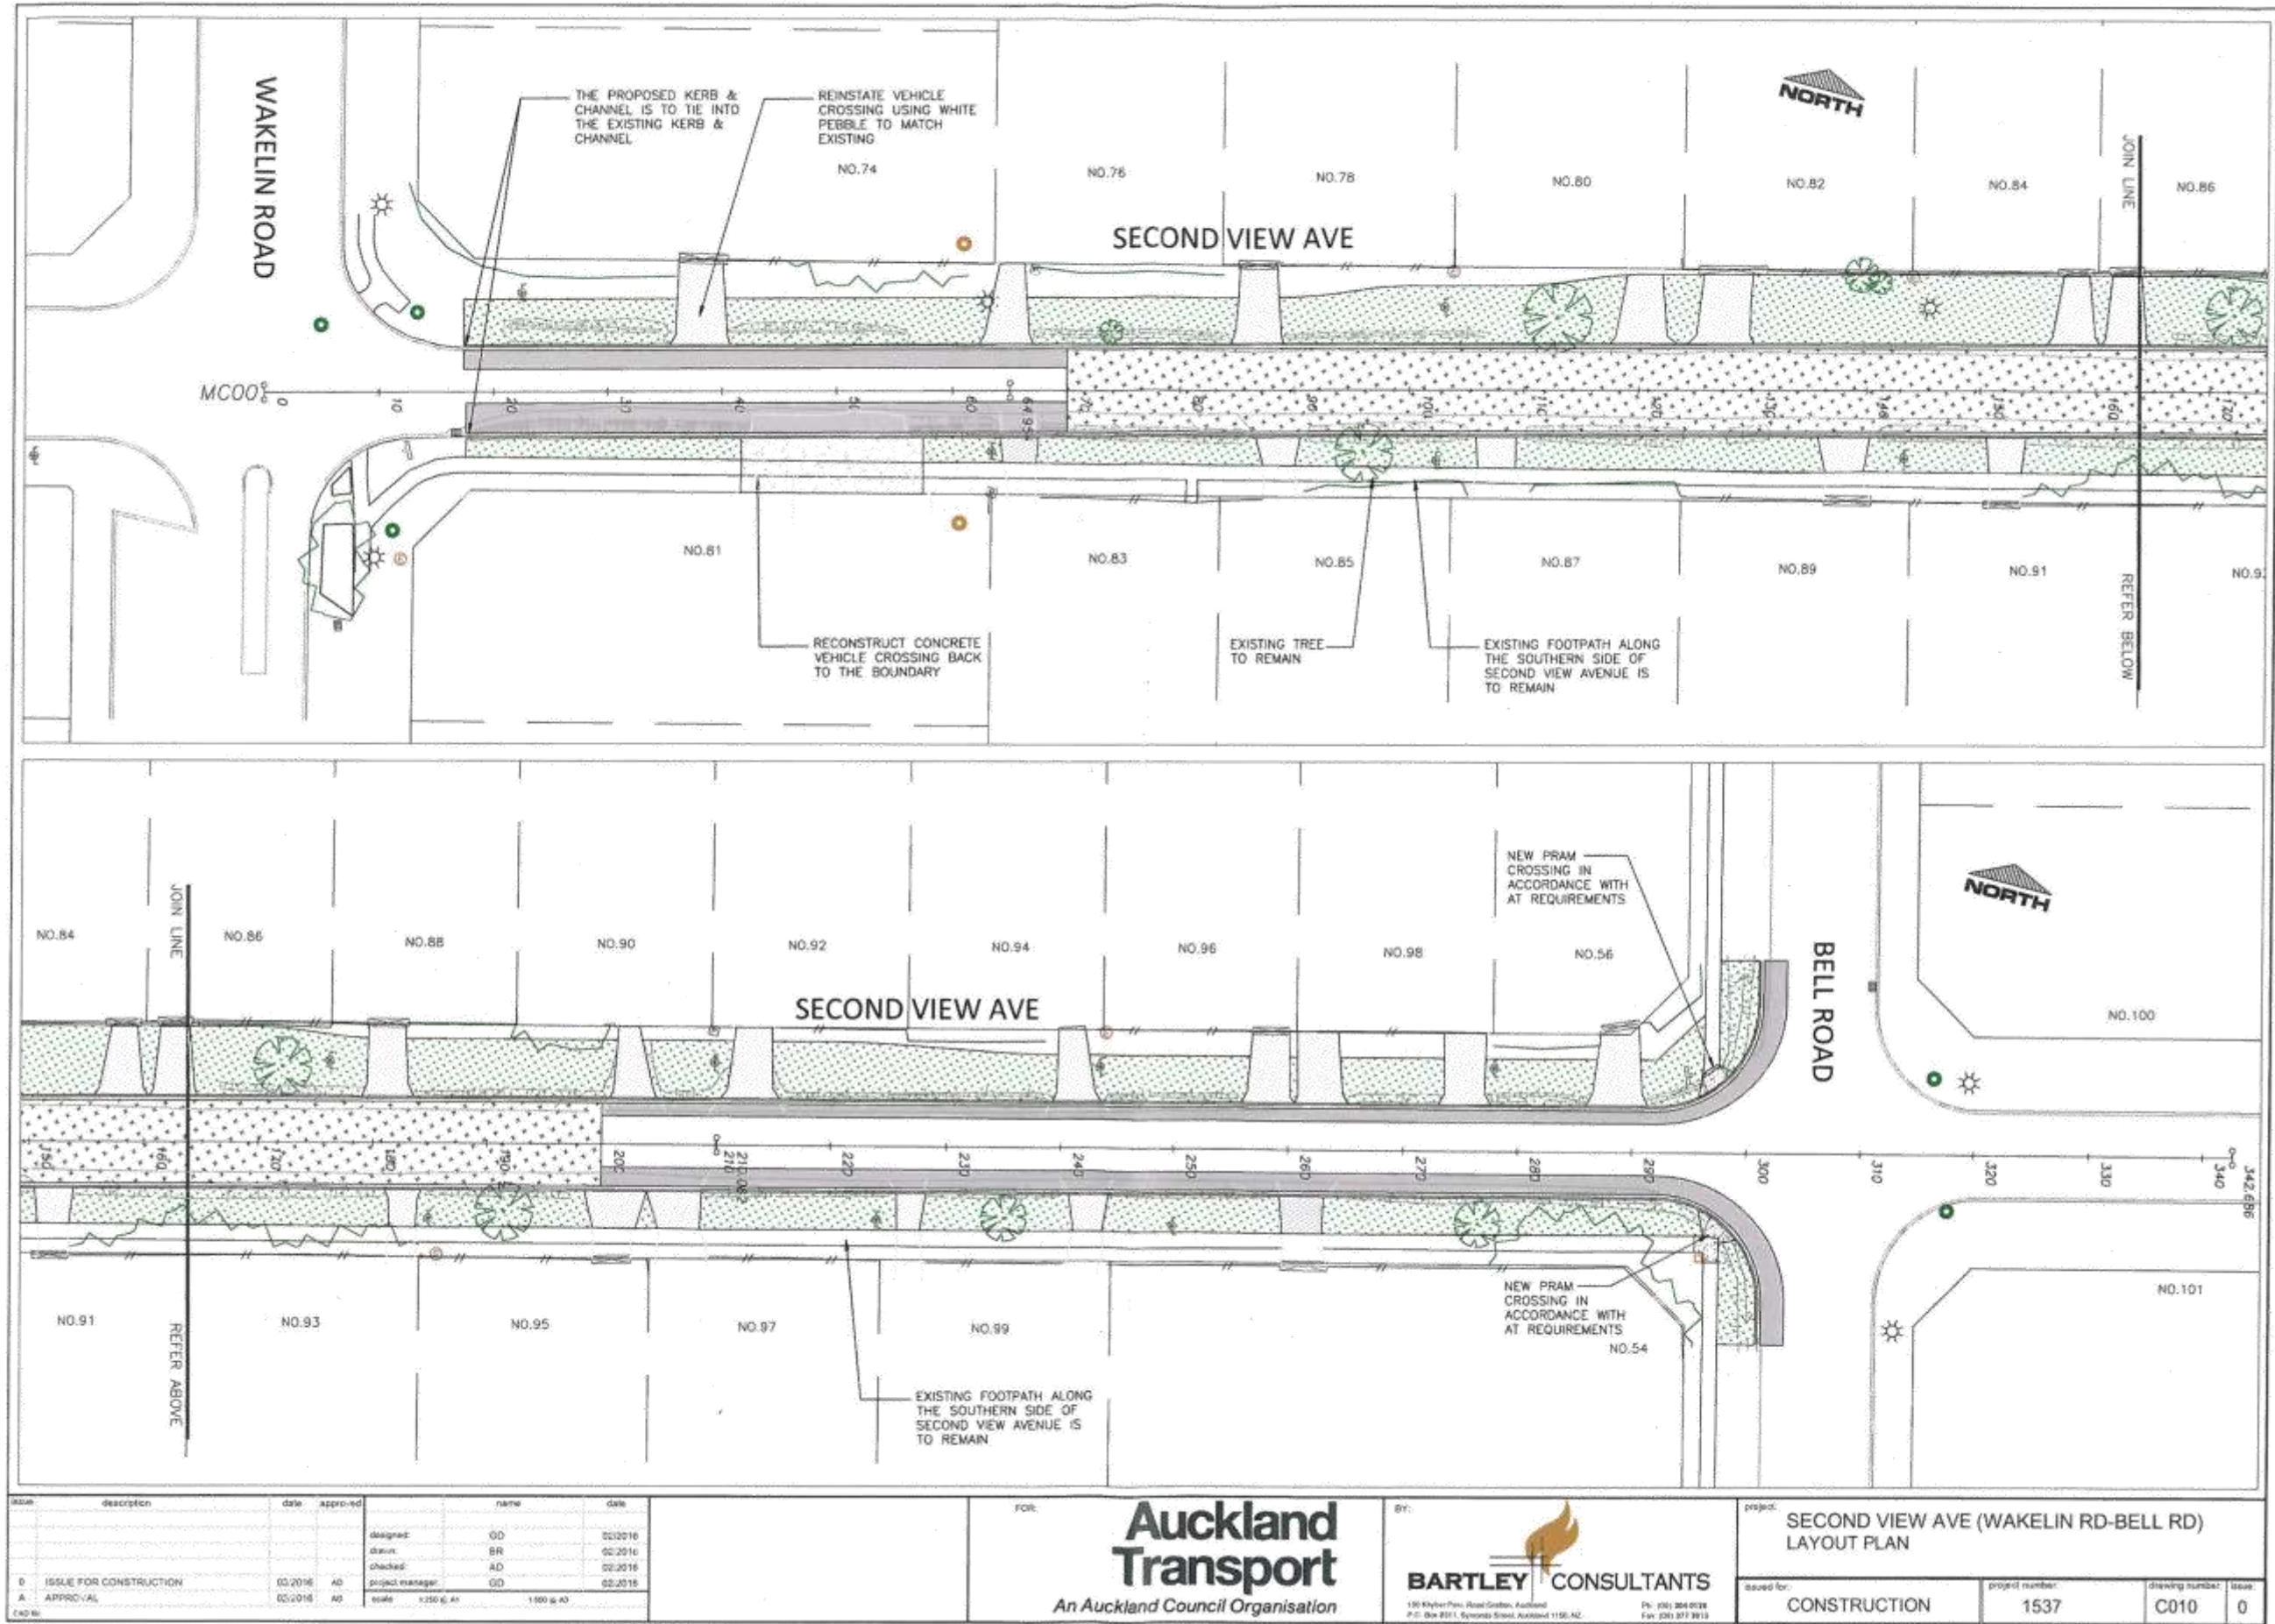

Design - \$12,000

Construction - \$312,000

AT Staff time - \$31,000

Total (latest FEC estimate) - \$355,000

This is \$15,000 over the previous estimate, primarily due to the requirement to reshape the road in the centre section in order to provide appropriate stormwater runoff to the sides of the road.
