#### Members of the meeting

- The members of the meeting remain (all Governing Body members if the meeting is a Governing Body meeting; all members of the committee if the meeting is a committee meeting).
- However, standing orders require that a councillor who has a pecuniary conflict of interest leave the room.
- All councillors have the right to attend any meeting of a committee and councillors who are not members of a committee may remain, subject to any limitations in standing orders.

## Proposed Auckland Unitary Plan - Background Information on the Regional Policy Statement, Rural Urban Boundary, Coastal Plan and Port Precinct

File No.: CP2016/06541

### Purpose

### Executive Summary

2. Since September 2015, the council has presented its position in response to submissions on the PAUP to the Independent Hearings Panel (the Panel). The hearings are scheduled to be completed in early May 2016 and the Panel's recommendations are due to be received by the council on 22 July 2016. As outlined in detail in the report presented to the committee on 13 April 2016, the council is required to notify its decisions in response to the Panel's recommendations on 19 August 2016.
3. This report is one of a series of reports that will provide the committee with background information on a range of key topics. The report provides information relating to the Regional Policy Statement, Rural Urban Boundary, Coastal Plan and Port Precinct.

## Consideration

### Local Board views and implications

6. All local board chairs are invited to attend the Auckland Development Committee meeting.

### Māori impact statement

7. The Proposed Auckland Unitary Plan is of considerable interest to Auckland's Mana Whenua. A number of the topics that will be presented to the committee at the PAUP Auckland Development Committee information meetings between April and July 2016 are of high interest to Mana Whenua, and indeed the wider Māori community. However, as the council will not be making any decisions at the information meetings, the report itself does not have impact on Māori.
8. Impacts on Māori will be addressed in the decision-making report(s) that will be considered by the council between 16 and 18 August 2016.
