Portfolio Update

Portfolio	Issues/Consultations
Safety – Lead	Progressing implementation of Safety Plan and Alcohol Plan. Tamaki Safety forum raised issues regarding gates at local parks not being locked, Tony Crampton spoke regarding Council's graffiti prevention work, Safety plan distributed, litter in parks, youth offending, Adult Literacy Centre incident. Working with strategic broker Jenny Tanner on potential safety project deliverers. Discussions

	with Police regarding Taumanu Reserve noise issues. Safety concerns raised by Police regarding YMCA Glen Innes. Safety catchups restarted with Tamaki Police and with Maungakiekie Police to commence 8 April.
Environment – Lead	Monitoring 2015/16 work plan. Progressing work on the 2016/17 work plan. Presented at Mahi Takitini - Oranga Taiao environmental community hui on Industry Prevention Pollution Programme while Chair Randall presented on Housing Quality Assessment scheme. Attended TEEF and requested to Local board Chair for stormwater team to present to Local board. Progressing joined up approach for Environment portfolio with teams in Council. Preparation of joined up Council presentation for River Talks. Email contact with Onehunga Peoples Garden for update. Submission to the New Marine Protected Areas Act
Economic Development –Lead	Attending Governing body committees. BID Policy review. Attending business association meetings. Still an issue is the Local board economic development plan and ATEED activities in our area needing a coordinated approach.

Community Networks and Outside Appointments

Organisation	Primary	Alternate
Panmure Business Association	Josephine	Alan
Onehunga Business Association	Josephine	Chris
Glen Innes Business Association	Josephine	

Community Concerns raised

- Adult Literacy Centre – safety concerns regarding criminal incident and requested lighting, gate and support for safer venue.
- Gates not being locked on time or not at all which encourages anti social behaviour in park at night.
- Tamaki Redevelopment – concerns raised by residents that they do not know what is being built next to their property and concerns about asbestos health issues during demolition.
- AMETI road changes under Phase 2.
