1495	Stronger local businesses providing more and higher paid work	CCO: ATEED	Migrant Business Engagement and Support	<p>As a part of its great local communities and stronger local businesses outcomes the Whau local Board Plan identifies support for new migrants and migrant businesses as key outcomes. An allocation was made for 2016/17 for a further Migrant Business Support project.</p> <p>It is recommended this go ahead, building on work done in the current financial year in the Whau Local Board area and in other local boards.</p> <p>The project will look to leverage support from other local boards and local and national government agencies in order to support delivery. There are already talks underway between agencies as to what this service delivery model may look like and how it may be pulled together.</p> <p>Local Boards are seen in those discussions as being able to add considerable value in facilitating the engagement with its migrant owned business community and in promoting the service offerings within the local board area i.e. promoting the area as a place where migrants are supported to be successful in business.</p> <p>This project will engage with Whau owned businesses to establish a relationship, gather information about their needs, and how they can be best met. Events / services designed to meet those needs will be designed and delivered.</p>	<p>Improved connectivity between migrant community and the Whau Local Board.</p> <p>Improved connectivity between migrant community and the business support infrastructure.</p> <p>Better business outcomes for supported businesses.</p> <p>Recognition of the Whau Local Board area as a supportive place for migrants to establish and grow their businesses.</p>	Outcomes and reporting on the 2015/16 Migrant Business Support Project (should that proceed in May / June 2015) will inform decisions about activity in 2016/17.
