Dear Kate,

RE: Albert Street and Lower Queen Street Public Realm Works - Funding and Outcomes

Thank you for your letter confirming Auckland City Centre Advisory Board's endorsement for \$20 million of the City Centre Targeted Rate to be directed towards Albert Street public realm works and that a further \$10 million of City Centre Targeted Rate funding be directed to Lower Queen Street public realm works.

The City Centre Targeted Rate funding offer is gratefully acknowledged and will be put to good use on Albert Street and Lower Queen Street to support high quality public realm outcomes.

We are confident that the public realm outcomes the Auckland City Centre Advisory Board are seeking from the design and development of Albert Street and Lower Queen Street will be achieved through good design.

We would like the opportunity to present to your Board later in the year.

Yours sincerely

Chris Meale
