Auckland Council and/or Local Board Priority	Performance Measure	Target	Achievements
Auckland Plan – Strategic Direction 1			
<i>Create a strong, inclusive and equitable society that provides opportunity for all Aucklanders</i>			
Priority Area Three – Strengthen Communities	Grey Power North Shore Inc. will facilitate events and processes that enable the many groups and organisations representing seniors to come together share knowledge and develop a strategic approach to issues affecting their members.	Three structured events each year offering an opportunity to collaborate and share information and experience.	Annual Report
Local Board Plan Active, connected and supported neighbourhoods <i>Encouraging everyone to enjoy our place and engage with each other.</i>	The office at Fort Takapuna will enable the public and members of the various groups and agencies a focal point for communication, planning and collaboration.	The office will be open weekly to visitors and parties wishing to take advantage of the information and support available through Grey Power North Shore	Annual Report
