Whitford Playcentre

Physical address	53 Whitford-Maraetai Road RD Maraetai Auckland 2571 New Zealand		
Legal status	Other: Affiliated to Tamaki Playcentres Association Inc.	Umbrella organisation	Tamaki Playcentres Association Inc.
Primary contact	Sammi Sutherland	Position	Fund raising

Project details

Project title	Providing a safe and supportive learning environment for Families within our Community		
Dates	01/10/2016 - 30/11/2016		
Main focus	Community		
Location	53 Whitford-Maraetai Rd, Whitford		
Summary	We need to upgrade areas of our learning environment to eliminate hazards and meet NZ Safety Standards/Local Authority compliance. This will enable us to continue providing a variety of challenges to meet the needs of our children's holistic development.		
Cost of participation	0		
Requesting grant for	We are seeking funding assistance towards upgrading areas of our playground to meet NZ Safety Standards. Stage one of the project is removal of large damaged trees and topping up the sand and bark.		
Active participants	50	Audience size	50
Promotion	Yes, We will continue to promote our Playcentre within the Community as best we can, and as much as we can. This is however an additional cost for us-and we work hard to come up with ways to network with other Community Groups to 'promote and advertise' Playcentre within our Community. Signage, Flyers etc are costly, but we fundraise and work with other Playcentres to combine Promotional Efforts- however we also need to maintain a Safe Environment/meet minimum requirements, which adds extra work and cost for our Families. Funding support through the LocalCommunityBoard will help our families/community hugely.		
Local board recognition	We would acknowledge support of the Local Board within our Minutes, Newsletters, Reports etc - which are circulated to our Playcentre Families, Local and wider communities - through communication tools for sharing information with our Association and other Playcentre Families locally, and around the Country.		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • work with local partners to help to make the community feel safe <p>Supporting and empowering the families of the Whitford and surrounding communities, and their pre-school children. Providing opportunities for Adults to learn life skills, and to support with future employment. Providing a 'Safe and Supportive Place' to meet and network with other Families within the Community. Encouraging Participation of our Community, through Families working together and being supported in their role as the Best First Educators of their children.</p>

Demographics

Maori outcomes	Yes. Our project or services do not target Maori's specifically', however we are inclusive of all Cultures and ethnic groups, and have a commitment to Te Tiriti o Waitangi and supporting Maori Whanau. Our Playcentre is supported by Te Kimiora o Tamaki through our affiliation to Tamaki Playcentres Association Inc. The Association's Bi-culture Partner. Our close relationship with Te Kimiora strengthens and empowers our Whanau Maori "weaving" their journey of Te Ao Maori in Playcentre.
Accessible to disabled	Yes. Playcentre is inclusive of all Abilities and Disabilities. Our Playcentre members/volunteers work together as a Group to provide a safe learning environment for all members, and provide safe Accessibility to and from our Building/Premises, meeting legislation when and where required. Our indoor/outdoor learning environments are designed for all developmental stages, and are adapted/enhanced when and where required to meet the needs of our families.

Franklin Quick Response, Round One, 2016/2017

QR1703-112

Anglican Diocese of Auckland

Physical address	Pukekohe Anglican Church 43 Queen St Pukekohe 2120 New Zealand		
Legal status	Charitable Trust	Umbrella organisation	Anglican Diocese of Auckland
Primary contact	John Allen	Position	Sustainability Fieldworker

Project details

Project title	Pukekohe Anglican Communal Food Garden		
Dates	02/10/2016 - 10/09/2017		
Main focus	Community		
Location	43 Queen St, Pukekohe 2120		
Summary	<p>To establish a communal food garden and a household and garden waste composting system in the grounds of the Pukekohe Anglican Church.</p> <p>The construction of the food garden will be selected by the parish from the range: lazy garden bed; raised keystone garden; raised hugelkultur garden; raised straw bale garden. A composting bin system for organic household and garden wastes will be integrated in to the garden.</p> <p>The garden will be established, planted and harvested by local parish members, whether in the Pukekohe congregation or not.</p> <p>The garden will be a place for people in the local community to come to socialise, learn gardening skills and see how a garden can be built at their own home.</p>		
Cost of participation	No cost of participation		
Requesting grant for	Funding is sought to establish the garden, including constructing the garden beds, preparing the soil, purchasing and planting seeds/seedlings, apply fertiliser and mulch, and maintain the garden until the first harvest. One of the key success factors for effective community gardens is to have one person to accept responsibility for coordinating the garden. Therefore, this funding application includes an allowance for that coordinator to be properly supported through training and guidance.		
Active participants	20	Audience size	60
Promotion	Yes, Through Anglican Church networks (on-site signage, newsletters, sermons, community support networks, blog site (http://cherished-earth.org.nz)), through an article in the Franklin County News, through Facebook groups.		
Local board recognition	Logo on signage, acknowledgement in article and Facebook and blog posts)		
Alignment with local board priorities	<ul style="list-style-type: none"> • support local environmental initiatives • encourage activities that reduce waste to landfill, prevent illegal dumping and preserve the beauty of our environment <p>The Anglican Communal Food Gardens project is a climate change and</p>		

	<p>social justice initiative of the Auckland Diocese.</p> <p>Crops are grown in a learning and demonstration garden by and for the local community. Household and garden waste composting is integrated.</p> <p>Social justice outcomes: regular socialising; learning job skills; distribute harvests to needy; organic growing yields healthy, nutritious, safe foods to improve health outcomes; reduced risk of individual exposure to pesticides, herbicides, and insecticides; builds community resilience.</p> <p>Climate action outcomes: eliminates greenhouse gas emissions from production of chemical fertilisers, reduced transportation; sequesters atmospheric carbon in the soil; reduces wastes.</p>

Primary contact	Nickie Mouncey	Position	Fundraising Coordinator

Project details

Project title	Youth workers supporting Franklin youth safely transition into adulthood		
Dates	01/10/2016 - 30/04/2017		
Main focus	Community		
Location	Youthline youth workers provide support to Franklin region youth in a variety of spaces young people are familiar with		
Summary	<p>Youthline currently mentors 20 youth living in the Franklin region and provides youth development, employment and leadership assistance to Pukekohe High School, Wesley College and Te-Ara-Poutama Alternative Education.</p> <p>Youthline youth workers are often supporting these youth and their families in environments without access to electricity or a stable desk/table.</p> <p>Portable computer tablets will enable our youth workers to efficiently access information and link to networks when supporting young people seeking to develop themselves and their community and assist them to reach their goals.</p> <p>By providing advice and support in a space young people feel comfortable and are familiar will enhances the messages they receive and lead to more successful outcomes.</p>		
Cost of participation	no		
Requesting grant for	This application requests funding towards the purchase of mobile computer tablets for our ten youth workers based in our South Auckland Community Centre enabling them to assist youth development, employment and leadership initiatives when out of the office.		
Active participants	150	Audience size	150
Promotion	<p>Yes, Youthline promotes our services through many media.</p> <p>We collaborate with The Parenting Place's Attitude Youth Division, in 2015 presenters promoted Youthline services to over 1172 students attending Waiuku High School.</p> <p>Action Education providing poetry programmes also promote Youthline services to the students they teach.</p> <p>We also promote our services via our website, social media pages and regularly send out informative emails to our stakeholders and all of our organisational contacts.</p>		
Local board recognition	If successful Auckland Council Franklin Local Board will be acknowledged on our website, our newsletter and in our annual report sent to stakeholders.		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places, assist young people to move from school to work or further training, 		

	<p>work with local partners to help to make the community feel safe</p> <p>Youthline works in collaboration with local schools and community centres to increase youth engagement in health and support services and facilitates development, employment and leadership programmes aimed to empower young people to become active participants in their own future and wellbeing.</p> <p>Youthline youth workers currently mentor 20 youth from the Franklin region and over the previous 12months Youthline's crisis helpline received over 5000 contacts from youth in the Franklin region.</p> <p>Youthline aims to build great, strong and resilient communities by supporting young people transition into adulthood and develop into positive contributors to society.</p>

Alignment with local board priorities	<ul style="list-style-type: none"> support the prevention of kauri dieback in our native forests, encourage a weed and pest-free natural environment, support community initiatives to enhance waterways and the coastline, including as beach clean-ups and planting <p>The Waihoehoe Stream runs through my property from east to west for about 200 metres. For the past 12 months severe flooding has eroded some of the stream banks and altered the course of the stream. Major repair work has been done and now some of the exposed ground needs a planting program to help stabilize the soil, enhance water quality and improve flora and fauna..</p> <p>Leighton Simmons, the Council Biodiversity Advisor has visited my property and has suggested a variety of suitable native plants options.</p>

Demographics

Maori outcomes	Yes. It is my aim to plant exclusively native shrubs and grasses in the affected areas! At the western side of my property I have a Kauri (about 35 years old), a Matai (50 +), Totara (20+), many Kowhai, Kouka, Karamu, Rewarewa and other native species already established. This is reverting back to the original or mana whenua.
Accessible to disabled	Yes. 4x4 vehicle access is possible up to both sides of the stream.

Project details

Project title	Clearing willow trees from creek		
Dates	08/08/2016 - 31/08/2016		
Main focus	Environment		
Location	945 Ararimu Rd, RD3, Drury		
Summary	We are wanting to clear our boundary creek from all willow trees, so we have a water flow to stop flooding. Fully fence the creek boundary, then replant with native trees.		
Focus specific information	<p>Environmental benefits: Free flowing water way to Hunua and replanting native trees.</p> <p>Community involvement: Still need to find a local person that has the machinery.</p> <p>Land owners: Paul and Kristina Smith (owner), private land</p>		
Cost of participation	no		
Requesting grant for	Removing the willow trees. First project.		
Active participants	two	Audience size	don't have one
Promotion	No		
Local board recognition	Encourage the local community to clear up our water ways.		
Alignment with local board priorities	<ul style="list-style-type: none"> encourage a weed and pest-free natural environment <p>We have a boundary creek on our property that is congested with willow trees. They are stopping the flow of water, which causes floating when we have a lot of rain. Want to remove willows from the creek, fence and replant with native trees.</p>
