26 August 2016

Background

The Howick Local Board has a community response fund of \$435,000 (operational funding) for the 2016/2017 financial year. The fund can be used at the local board’s discretion. No funding has been allocated to date.

The local board was made aware of a shortfall in funding of \$1,900 for the Koanga Festival at a workshop dated 11 August 2016. The board has previously granted \$2000 (via an LDI line item) towards the running of this festival.

The Koanga Festival is an annual event that comprises performances of Kapa Haka groups from primary and intermediate schools within the Howick Ward. This year, it is to be held at Bucklands Beach Intermediate and Pigeon Mountain Primary Schools on 17 September 2016.

Recommendation

That the Howick Local Board allocates \$1,900 from their 2016/2017 community response fund to assist in covering additional costs for the running of the 2016 Koanga Festival.
