20 Community lease with Auckland Citizens Advice Bureaux Incorporated

MOVED by Member L Waugh, seconded by Deputy Chairperson A Hartley:

That the Kaipātiki Local Board:

- a) fully supports the aims and objectives of the Auckland Citizens Advice Bureaux Incorporated as listed below, and are supportive of the work Auckland Citizens Advice Bureaux Incorporated have done in the Kaipātiki community over the years:
- i) to ensure that individuals do not suffer through ignorance of their rights and responsibilities;
 - ii) to assist those who are unable to express their needs effectively; and
 - iii) to exert a responsible influence on the development of social policies and services, both locally and nationally.
- b) does not support the granting of a multi-premises lease to Auckland Citizens Advice Bureaux Incorporated for the three locations in the Kaipātiki area (Birkenhead Library, Northcote Library, and 90 Bentley Avenue, Glenfield) for the following reasons:
- i) it is unclear how the granting of a multi-premises lease provides Auckland Citizens Advice Bureaux with the flexibility to meet its changing accommodation and business needs over time as suggested in paragraph 16 of the agenda report;
 - ii) the board disagrees with the suggestion outlined in paragraph 18 of the agenda report, which states that the proposed multi-premises lease will 'allow for a more flexible optimization of the network whilst retaining local boards' delegated authority', as there is no evidence presented as to how a multi-premises lease will do this in practice;
 - iii) it is unclear how the proposal results in efficiency gains for both the operational departments of Auckland Council and the local board, as no detailed financial analysis or discussion is presented in the report to demonstrate the nature and quantum of such efficiency gains;
 - iv) the board has not been provided sufficient information as part of the agenda report (especially in relation to information pertaining to the existing three leases in the Kaipātiki Local Board area) for it to make an informed decision as to whether or not a multi-premises lease is in the best interests of its community; and
 - v) the board expects the lease to be reflective of the current demands and future opportunities of each location specifically.
- c) requests a report from officers regarding the current lease terms and conditions for the three Citizens Advice Bureau locations in the Kaipātiki Local Board area, noting that the report should also include advice regarding new lease terms and conditions for each of the three locations.

The amendment was put and declared:

- b) **does not support, at this time, the granting of a multi-premises lease to Auckland Citizens Advice Bureaux Incorporated for the three locations in the Kaipātiki area (Birkenhead Library, Northcote Library, and 90 Bentley Avenue, Glenfield), for the following reasons:**
 - i) **it is unclear how the granting of a multi-premises lease provides Auckland Citizens Advice Bureaux with the flexibility to meet its changing accommodation and business needs over time as suggested in paragraph 16 of the agenda report;**
