## The Northart Society Incorporated

<b>Physical address</b>	Norman King Building, Norman King Square Northcote Auckland 0627		
<b>Organisation/individual</b>	Organisation	<b>Main focus</b>	Arts and culture
<b>Umbrella organisation</b>		<b>Legal status</b>	Incorporated Society 905717 CC20349

### Project details

<b>Project title</b>	Northart teardrop flags		
<b>Dates</b>	01/06/2016 - 01/06/2021		
<b>Location</b>	Northart, Norman King Square, Ernie Mays Street, Northcote		
<b>Summary</b>	Northart is not very visible to visitors to Northcote - even people visiting the Library opposite, often "miss" the gallery. By placing three well designed tear drop flags with the words "art gallery" in the area adjacent to the gallery during open hours will clearly promote its presence.		
<b>Requesting grant for</b>	The purchase of the flags		
<b>Cost of participation</b>	No		
<b>Active participants</b>	Northart receives thousands of visitors each year	<b>Audience size</b>	Over one year 15,000+
<b>Promotion</b>	Yes - Use of the flags will promote Northart and all activities in the gallery		
<b>Local board recognition</b>	In the Northart newsletter and e-newsletter		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"><li>our communities enjoy a wide variety of local events that celebrate our place, our people and our diversity</li><li>our communities celebrate the arts and culture through programmes, art space and public art</li><li>our network of community houses and centres provide meaningful and tailored opportunities for communities to connect</li></ul> <p>Northart is not as visible within Northcote Town as it should be. People have difficulty finding us. Installing three tear drop flags in the grassed area outside the gallery each day will go some way towards rectifying this. Flags of simple and clear design will attract people to the gallery at all times and/or to special event that is happening either in Northart or at another public space, thus making the gallery and events more accessible and user friendly.</p>
