Conclusion:

It has been a Privilege to serve with my Board Members on the Mangere-Otahuhu Local Board, as Chair, acknowledging our Community on behalf of the Auckland Council.

My Board Colleagues have continued to be generous in their support and endured the range of skills and strengths, being a strong and supportive local Governance Body. As Chair, I would find it most challenging without the cohesive style of Governance with our Team, in delivering the outcomes of the Mangere-Otahuhu Local Board Plan 2013-2016.

Special Mention to the Mangere-Otahuhu Local Board Services Team, led by Relationship Manager Carol McKenzie-Rex and more recently Neil Taylor, who have been continued to be professional and equally supportive in their respective roles, providing the necessary assistance and advice required.

Finally, on behalf of the Mangere-Otahuhu Local Board, we would bid farewell to our Colleagues who will be retiring this Term and wish to acknowledge:

Mayor Taua'aletoa Len Brown

Councillor Arthur Anae

Local Board Member Leau Peter Skelton

All have served their communities for many years and we thank them for their Service and Commitment.

God bless, la manuia,

Lemauga Lydia Sosene
