Project details

Project title	Safe for Life		
Dates	01/10/2016 - 30/09/2017		
Main focus	Community		
Location	TBC - we will offer it to schools we work with through our free community programmes. If we receive this grant, we would like to be able to offer it within Māngere-Ōtāhuhu Local Board area to the wider community at Auckland Council community centres or halls for example.		
Summary	Safe for Life is a two hour workshop designed to educate young people on skills and strategies to keep out of harm's way. Young people experience disproportionate harm related to their drinking, including physical injury, violence and sexual assaults, and Safe for Life explores issues around alcohol in a non-judgemental and supportive environment. By offering more workshops to more people we are improving knowledge and awareness of these issues. The messages delivered via the workshops can be taken away by the participants and shared with friends, family and other contacts. These workshops target young women aged 15-30 through schools and community settings.		
Focus specific information			
Cost of participation	No		
Requesting grant for	Towards facilitator fees, project management and administration for two 'Safe for Life' workshops to be delivered to a total of 50-60 women aged 15-30 years in Mangere and Otahuhu between October 2016 and September 2017		
Active participants	25/30 per workshop	Audience size	25/30 per workshop
Promotion	Yes, For community workshops we would advertise on social media and through our constituent network via email. We would also advertise through community events boards like Neighbourly and event websites.		
Local board recognition	We will acknowledge the Māngere-Ōtāhuhu Local Board as the main contributor in any collateral and PR when we deliver. We will acknowledge your support on our website, our e-newsletter which goes out to 2,000 constituents living in the greater Auckland area, and in our annual report.		
Alignment with local board priorities	<ul style="list-style-type: none"> neighbourhoods and communities feel safe and connected across diverse cultures, increased community capacity to prevent harm from alcohol, drugs and substance abuse <p>Our Safe for Life workshops support your focus on neighbourhoods and communities feeling safe and connected across diverse cultures and your focus on increased community capacity to prevent harm from alcohol, drugs and substance abuse. These workshops are aimed at young people as they experience disproportionate harm related to their drinking, including physical injury, violence and sexual assaults, and Safe for Life explores issues around alcohol in a non-judgemental and supportive environment. The course also teaches young people how to recognise manipulation techniques at their earliest point to stay safe. The workshops are designed with a diverse community in mind</p>

Project details

Project title	Community Playgroup - Mervan Street		
Dates	01/10/2016 - 28/02/2017		
Main focus	Community		
Location	17R Mervan Street Mangere		
Summary	There are families who would attend playgroup and more regularly if we can provide transport especially in the winter. The transport is to pick up adults and children take them to playgroup and take home afterwards. This will provide the children with a quality early childhood education learning experience and support families who may be isolated with building stronger connected families.		
Focus specific information			
Cost of participation	No		
Requesting grant for	Towards allowing extra usage of the existing leased vans to be used to transport caregivers and children to the free Mervan Street community playgroup between October 2016 and February 2017.		
Active participants	21 families	Audience size	50
Promotion	Yes, we produce leaflets; we have adverts in Manukau Courier and 257 Times. we have a website		
Local board recognition	yes we will out in our annual report and in newsletters etc.		
Alignment with local board priorities	<ul style="list-style-type: none"> neighbourhoods and communities feel safe and connected across diverse cultures <p>The playgroup exists to bring parents /caregivers who are at home with small children together to build community and for the children to have an ECE learning experience. These families can be isolated within the bigger community due to lack of support, personal issues. The playgroup is multi ethnic and provides a place to build a community within a community. When people know their neighbourhoods then they feel safer and are more willing to contribute into the community. The sense of cohesiveness and belonging is strengthened.</p>

Demographics

Maori outcomes	Yes. Around 80% of the attendees of our programmes are Maori. We are a kaupapa Maori organisation and for this reason the majority of our interviewees were Maori and Pacifica. We are working with other groups relevant for Maori who want to address inequities around children in care.
Accessible to disabled	Yes. We do not exclude people with disabilities from attending our programmes. We access deaf interpreters from iSign to translate for people with hearing disabilities. We also support people with other disabilities such as homeless, brain injured and intellectually impaired people to participate in our courses and provide advocacy for them to access other services (e.g. Housing NZ, WINZ, CYF, disability providers).

Project title	Purchase digital talking books for the Blind Foundation library		
Dates	01/10/2016 - 30/06/2017		
Main focus	Community		
Location	4 Maunsell Road, Parnell, Auckland 1052		
Summary	<p>The most highly regarded service of the Blind Foundation is the library which has over 10,000 titles in its collection. Last year 4650 users of this free service borrowed 616,410 items. Feedback anecdotally and via the library user survey consistently shows a high demand for more New Zealand titles, more topical subjects and more recently published books in a wide variety of genres. Access to books is a lifeline for people who have lost their sight and now have much more unstructured time available due to their inability to continue with sport, arts and hobbies and potentially their former employment.</p>

Alignment with local board priorities	<ul style="list-style-type: none"> neighbourhoods and communities feel safe and connected across diverse cultures, increased community capacity to prevent harm from alcohol, drugs and substance abuse, young people lead and have a voice in local matters <p>The Blind Foundation library provides equitable access to books in an accessible format that the resources of a public library cannot meet. Access to recently published books that are stimulating and topical provides blind and low vision people with content relevant to what's current in society. This enables them to keep up to date and explore ideas themselves so they can contribute socially. Having access to a repository of information and literature that enables growth and lifelong learning, and being socially connected, supports the development and expression of leadership by blind people and those with low vision in the community.</p>

Project title	Mangere Community House / Whare Koa Makeover		
Dates	01/10/2016 - 01/10/2016		
Main focus	Community		
Location	141R Robertson Road, Mangere		
Summary	<p>Māngere Community House Condition Report (2003) records Whare Koa, built in the early 1900s, has mainly kept to its original structure and internal design. However, there is now overwhelming community support for a new and vibrant 'makeover' for the entire site. This involves a need to transform the Mangere Community House, Mirimiri House, Mangere BikeFIT's base in the garage as well as its surrounding landscaping. Following a proposal to PPG Industries, MCH has been selected as its only community project for 2016 to enhance the overall vitality of a council facility many local families now call their 'second home.' With PPG's investment of materials, expertise and skilled labour, we envisage a colourful fusion of people renewing the entire site.</p>

Alignment with local board priorities	<ul style="list-style-type: none"> neighbourhoods and communities feel safe and connected across diverse cultures, innovative initiatives that are community-led , events for families to take part in community life, celebrate local identities and talent <p>There is overwhelming community support for a new and vibrant 'makeover' of the Mangere Community House, also known as Whare Koa, meaning 'Happy House'. Over 400 community volunteers will participate in the project which has the potential to add new life to the House and ignite fresh and innovative ideas for the future our MCH families. We are a bright and creative hub for local Maori and Pasifika people to gather, share, strengthen and empower; it is our hope that MCH will be revitalised to reflect this spirit and revive its original vision as a 'Happy House' for the community.</p>

Dates	14/08/2016 - 26/02/2017		
Main focus	Sport and recreation		
Location	House Park - Mangere (games) 115 Bairds Road (O tara Recreation Centre)		
Summary	<p>My project targets young youth and their parents who participate in the sport of tag. Using tag as a vehicle I have incorporated values where parents participation/support is a must and we work in partnership to ensure children are maintaining good grades at school, good behaviour and respectful to adults.</p> <p>The team have expressed that in this sport they would like to challenge themselves by trialling for representative teams - which for this sport is Oceania in December 2016 held at Bruce Pulman and Nationals in February 2017 - as a coach I want to ensure that my team a well prepared and understand the hard work they will have to do to both physically and financially to make these teams.</p>

These values have been working to pay their fees to enter competitions, prize giving and uniforms. The team has also participated in programmes where we give back to those less fortunate - we sponsored a Salvation Army family for Christmas giving them a grocery hamper and gifts for the children and the solo mother. These values have been working to pay their fees to enter competitions, prize giving and uniforms. I believe it is really important for our youth to learn these values and to learn how to verbally express themselves if faced in challenging situations. We also provide guidance in ensuring our children get educated to gain good careers.</p>

Project details

Project title	2016 RuLA School Boy International Rugby League Wero		
Dates	06/10/2016 - 08/10/2016		
Main focus	Sport and recreation		
Location	Arataki Park, Mount Maunganui		
Summary	<p>A youth rugby league team will be competing in the RuLA annual rugby league tournament. Counties Manukau finished in 3rd place last year and are looking to improve on this 2016. This tournament is about development and providing youth aged 13 and 14 an opportunity to experience representative Rugby League ahead of National Tournaments which begin at age 15 years. Competing in this particular tournament also gives our youth the chance to see another part of the country, which is pleasant in the summer months and for some, possibly a rare opportunity to leave Auckland.</p>		
Focus specific information			
Cost of participation	\$500 Entry fee per team		
Requesting grant for	Towards team uniforms (training shirts, shorts, jackets, polo shirts) for 22 youth and four team officials attending the 2016 RuLA School Boy International Rugby League Wero at Mt Maunganui for 6-8 October 2016.		
Active participants	22 youth and 4 team officials (+ 4 selectors)	Audience size	3,000
Promotion	<p>Yes, We will use social media (i.e. Facebook, website, Instagram) to promote the teams participation in the tournament as well as keep families and members up to date with reports and results. We intend to post short video's daily with one or two players speaking from the heart about how they feel, how the day went and what's install for the next. The objective is to try and create an atmosphere where anyone who is not at the event feels like they are, because they are regularly updated around how things are tracking.</p>		
Local board recognition	<p>Publicly acknowledge and thank the local board for their support through social media as well as inform Counties Manukau clubs personally. The Mangere-Otahuhu logo will be placed on all related materials, on Facebook and website. There is also the opportunity for the Board to attend the team prize giving planned in mid-October at the conclusion of the representative season. Board members can address the entire team also. We would like to establish healthy working partnership with the local board moving forward.</p>		
Alignment with local board priorities	<ul style="list-style-type: none"> communities have opportunities for active and healthy living, in safe environments that are smoke, alcohol and drug-free , events for families to take part in community life, celebrate local identities and talent , young people lead and have a voice in local matters <p>45 Mangere and Otahuhu youth (15-17 yrs) have been selected to represent Counties Manukau at the National Youth RL tournament, Rotorua, September 2016. This is significant representation of demographic playing rugby league and provides opportunities to achieve more than on field success. Prior to competing a number of education/coaching sessions are held with players and families, promoting healthier choices; sensible eating,</p>		

	exercise, smoke, alcohol and drug free living. Coaching of behaviours from players, officials and supporters and discussion around how work ethic and discipline help shape future leaders. Sessions educate players and families how this tournament provides a platform to gain higher honours (national/ professional teams).

Demographics

Maori outcomes	Yes. Many of our participants are Maori and very proud of it. When selected to play for the Counties Manukau Stingrays every player - regardless of race, creed or colour - are expected to attend a presentation which explains the heritage of Maori and what it means to be representing the region. Players learn that they are not just representing themselves or their club, but an entire region rich in history, with strong values. There is an expectation to perform with pride, integrity and to display great mana and leadership in victory and defeat, which is the very fabric of our culture and social existence.
Accessible to disabled	Yes. Whilst physically disabled people cannot compete in matches played, there is opportunity for members of the disabled community to be active supporters and fill various volunteer roles such as; time keepers, gear custodians, gate keepers, etc. The venue matches will be played at has wheelchair access and amenities as well as allocated disability parking.
