Portfolio Update

Portfolio	Issues/Consultations
Safety – Lead	Progressing implementation of Safety Plan and Alcohol Plan. Tamaki Safety forum, Safety catchups with Tamaki Police and with Maungakiekie Police. Implementation group met twice since establishment to deliver in collaboration the above plans.
Environment – Lead	Monitoring 2015/16 work plan. Progressing work on the 2016/17 work plan.
Economic Development –Lead	BID Policy review. Attending business association meetings. Still in issue is the Local board economic

	development plan and ATEED activities in our area needing a coordinated approach.
--	---

Community Networks and Outside Appointments

Organisation	Primary	Alternate
Panmure Business Association	Josephine	Alan
Onehunga Business Association	Josephine	Chris
Glen Innes Business Association	Josephine	

Personal note

This is my last board report for 2016 and I would like to thank board members and staff for their support during the last three year term. I especially acknowledge our chair Simon Randall, Brett Clark and Bridget Graham from the Maungakiekie side for their leadership, support and wisdom from their combined 57 years in local government. Also acknowledge Chris Makoare, Alan Verrall and Obed Unasa from the Tamaki team for their advocacy and work. Thank you to Local board services and Council officers for everything they do to bring local board plan aspirations to life. Highlights have been the safety plan and alcohol action plan come to fruition, environmental projects continue to address the decades of contamination and neglect to the waterways and reserves/parks. Te Oro shines as the beacon for potential for our community and Taumanu Reserve brings tranquillity and long awaited connection back to the Manukau Harbour. Thank you for this opportunity to have a say in building Maungakiekie Tamaki for the better.
