Project details

Project title	Resourcing for Soar Dance and Hoodbeats Music Clubs		
Dates	03/10/2016 - 30/11/2017		
Location	28 Lovegrove Cres, Otara, Auckland, NZ 2023		
Summary	<p>Soar and Hood Beats provide free community dance and music programmes for young people ranging from 5yrs - 24yrs of age. These clubs urgently need to improve their equipment and resources so that they can deliver their services to more young people as we have experienced a growth of more than 230% in our registered club numbers.</p> <p>The clubs' aims are to provide a range of physical skills, mentoring to support young peoples' education, empowering them through self-confidence, and imparting a sense of community and cultural heritage.</p>		
Requesting grant for	Towards second-hand public address system, van, two covered trailers and building refurbishment (plumbing, paint, mirrors) for the Soar and Hood Beats dance programmes at 28 Lovegrove Crescent.		
Previous experience	<p>We have been operating for 22 years and we have more than 20 staff members on board. Many of our staff are recognised by the community as experts in creative arts and activities and are from the community. They also have many years of mentoring experience.</p> <p>We understand the community we serve and our programmes have delivered outcomes regardless of the road blocks we face.</p>		
Active participants	450 - in the Soar and Hoodbeats Clubs	Audience size	600-plus
Promotion	Yes. Via direct promotion at schools (assemblies and notices), through local organisations (such as ONAC and the Otara Youth Providers Forum), fliers and posters on community noticeboards, word of mouth, various social media platforms		
Local board recognition	In our community events, at school assembly presentations, via social media platforms, (with permission) include the local board's logo on our promotional materials and on our sponsor's boards within the Clubs. In addition, we would be delighted to volunteer our Clubs to perform at local board events.		
Reason for the project	The growth in our Club numbers and the increase in the number of referrals to our Clubs from Government agencies (Police, CYFs, MSD etc.) and other NGOs (Strive, Tyla, Genesis etc.) and from walk-ins off the street have shown that there is a clear and growing need to support our young people in Otara and Papatoetoe		
Community benefit	The community will benefit from empowered, confident and secure young people who are engaged with schooling, better learners, ready for vocational choices and more focused and positive about their futures. We have clear measurement systems and an independent programme evaluation manager in place. These measures mean that we record achievement. We liaise with schools (such as Hillary, Ferguson, Dawson and Baird's Mainfreight) to ensure that schools are seeing and reporting on the impact of our services		

Alignment with local board priorities	<ul style="list-style-type: none"> <i>Otara-Papatoetoe - age-friendly communities, a heart for Manukau, thriving communities</i> <p><i>Otara-Papatoetoe</i> - Our programmes we deliver are to help support our communities to be more self-reliant and successful through our mentoring and support we offer to every engaged individual and their families.</p> <p>We create more confident learners in our society that are empowered to achieve in education and career opportunities they encounter.</p>

Demographics

Maori outcomes	Yes. A great percentage of our participants in these programmes are of Maori ethnicity or descent. We know that through our Club programmes, our young Maori people will develop a sense of well-being and confidence that will lead to them to being more self-reliant, to be encouraged to achieve better educational outcomes through our mentoring and to receive the benefit of social welfare services for those young people who we identify need additional help.
Accessible to disabled	Yes. Our facilities where these Club programmes take place are located on ground floor. They have clear access for people with disabilities to participate. We have enrolled in our Clubs many young people and adults who have physical disabilities as well as mental health conditions. We have policies and procedures in place to ensure they are in a safe environment.

Project details

Project title	Park Jam, Geek Camp and "We, Otara" 2016-17		
Dates	01/10/2016 - 30/04/2017		
Location	Otara Town Centre Library, Otara Town Centre, Baird's Road, Otara and "We, Otara" 40a Lovegrove Cres, Otara		
Summary	<p>We're supporting local pathways to industry talent needs, enabling Otara to thrive. By inspiring youth and whanau to engage in digital activities we're igniting educational success, enabling access to plentiful well-paid roles, the foundation for equity and prosperity.</p> <p>Led in collaboration with key local leaders and fora including ONAC and Otara Library, Fresh Gallery and OMAC, we're delivering a range of hands on digital and mentoring programming; Community Digital Events and Youth Workshops at the Town Centre, and a permanent local Community Innovation Space enabling shared workspace for local entrepreneurs along with creative exposure, inspiration and encouragement for local youth</p>		
Requesting grant for	Towards costs (programme administration; design, activation, delivery; venue, staging; catering; office outgoings and rent) for a series of hands-on digital and youth workshops at Otara Town Centre and Lovegrove Crescent between October 2016 and April 2017.		
Previous experience	<p>The Accelerating Auckland programme has delivered to 19,000 Manukau locals since January 2014</p> <p>Accelerating Auckland has a proven history working in the Otara Community characterised by close community relationships and broad engagement. In 2014 1500 locals took part in local delivery; in 2016 we have already attracted 5,000 participants in 274 Park Jam and Geek Camps.</p>		
Active participants	6,000	Audience size	Otara-Papatoetoe population approx. 76k
Promotion	<p>Yes. Both Accelerating Aotearoa and Accelerating Auckland maintain a strong presence on separate Facebook and webpages. Additional "Event Pages" support specific events.</p> <p>Local newsletters such Communications and Neighbourly carry details of these events</p> <p>Accelerating Auckland personnel are active participants in local community organisation's and initiatives including ONAC, OYPN and Thriving Otara where we take opportunities to publicise our work</p>		
Local board recognition	<p>Local board support will be acknowledged in media communications and on marketing collateral including Facebook and Webpages.</p> <p>Further the Local Board are welcome to provide personnel, signage and marketing materials to support the delivery of events and participate in mentoring activities.</p>		
Reason for the project	<ul style="list-style-type: none"> • Growth in high and medium skilled jobs; fewer low skilled jobs. • Digital literacy needed to get and keep jobs, for learning and for government services. Numeracy matters in many jobs. 		

	<ul style="list-style-type: none"> Adults need to keep upskilling as industries change and our working life extends. In the Otara- Papatoetoe Local Board area nearly 20% of adults have no qualifications (Percentage significantly higher in Otara.) <p>COMET SNAPSHOT 2015</p> <p>For youth, high underachievement in education results from low engagement levels at school.</p> <p>We anticipate current research will academically support our hypothesis that digital engagement supports improved educational outcomes.</p>
Community benefit	<p>Our programme supports connections to digital skills and careers for young people and their whanau through "hands-on- the-tools" opportunities and experience supported by a comprehensive mentoring programme.</p> <p>Community response has been strong; to date more than 19,000 south Aucklanders have taken part in Accelerating Auckland - with at least 6,500 from Otara. Geek Camp 274 on May 2015 nearly 1000 youth each night took part in digital workshops at Otara Library</p> <p>We anticipate that in time, the Research we are participating in will demonstrate the links between participation in this work , success in education and participation well paid work</p>
Alignment with local board priorities	<ul style="list-style-type: none"> Otara-Papatoetoe - town centre vitality, a heart for Manukau, thriving communities <p>Otara-Papatoetoe - We're supporting local pathways to industry talent needs, enabling Otara to thrive. Demographics

Maori outcomes	Yes. Maori as tangata whenua are fundamental to Accelerating Aotearoa's Kaupapa. We are guided in our understanding through our partnerships locally with ONAC and TROW Group (Te Rui o Waikato) and regionally with Te Waka Angamua and IMSB Further support is enabled by our community partnerships where Accelerating Auckland aligns closely to optimise opportunities through our delivery for Maori wellbeing and prosperity.
Accessible to disabled	Yes. Accelerating Auckland's delivery takes place primarily within the confines of the Otara Town Centre and on this basis we are able to conclude required accessibility arrangements are attended to by Auckland Council. Future delivery is also planned to take place primarily at Auckland Council premises

Project details

Project title	A2E (Access2Employment) - local jobs for local people		
Dates	07/10/2016 - 29/09/2017		
Location	Otara Town Centre Library, Otara Town Centre, Baird's Road, Otara and Mangere Town Centre Library, Bader Drive, Mangere		
Summary	<p>A2E collaboration between Accelerating Auckland, Auckland Libraries, the Sustainable Business Network and Neighbourly. The project connects broadly to create pathways for local people to local jobs, breaking down barriers between job seekers and the local business community.</p> <p>A2E's basic role is to bring local businesses, community leaders, local education providers and business owners together to support job seekers with the tools and knowledge they require to access well paid work.</p> <p>Hosted at local libraries, A2E establishes local jobseeker cohorts who work collectively and independently to gain skills and confidence; up-skilling on CV writing and interview techniques, meeting local employers to understand local skills needs, connecting with local service providers and signing up to free educational opportunities.</p>		
Requesting grant for	Towards operational costs (administration, catering, design and development, marketing and promotion and delivery) for an Access2Employment (A2E) programme to be held at Otara Town Centre Library between October 2016 and September 2017.		
Previous experience	<p>The Accelerating Auckland programme has delivered to 19,000 Manukau locals since January 2014</p> <p>Accelerating Auckland has a proven history working in the Mangere and Otara Communities which demonstrates close community relationships and broad engagement</p> <p>The Mangere Town Centre A2E project is now a proven engagement model having been running with great success since February 2016; more than 60 participants to date have been enabled by the programmed with increasing numbers transitioning to training and paid work.</p>		
Active participants	350 pa	Audience size	Otara est. 7000 under/unemployed, Mangere est. 9,000 under/ un employed
Promotion	<p>Yes. To date our success has been evidenced by 3 external media report</p> <ol style="list-style-type: none"> 1. Manukau Courier 2. Sustainable Business Network 3. Auckland Libraries <p>Community advice of details on weekly workshops are posted on Accelerating Auckland, Mangere Town Centre Library and Mangere Town Centre Facebook pages and Neighbourly.</p> <p>At the library a sandwich board advertisement is erected each week. This will be perpetuated at Mangere and emulated at Otara</p>		
Local board recognition	Local board support will be acknowledged in media communications and on		

	marketing collateral. The Local Board would be welcome to provide personnel, signage and marketing materials at workshops
Reason for the project	<p>The impact of A2E is already demonstrated after only 6 months and with minimal resourcing. The A2E project was launched at Mangere in February 2016. Since establishment the workshops have been well patronised with an encouraging range of results.</p> <p>On 8 July 2016, 50+ jobseekers have participated of which 3 have become employed, 8 have enrolled in training, 7 have applied for roles, and 4 have been interviewed for roles. More than 30 local employers and providers have participated. Appropriately resourced we are confident the project will achieve even greater success</p>
Community benefit	<p>Confident and motivated job seekers ready and equipped to take the next step to employment is our objective.</p> <p>At this point outcome reporting is largely provided by the jobseekers and workshop providers anecdotally but with adequate resourcing more sophisticated mechanisms will be developed training providers</p>
Alignment with local board priorities	<ul style="list-style-type: none"> Otara-Papatoetoe - town centre vitality, a heart for Manukau, thriving communities <p>Otara-Papatoetoe - With unemployment at 9.5%, 53.8% of locals not owning their residence and 29.5% of children under 14yrs old living in homes with income less than \$40,000 increased access to better paid work is critical in enabling Otara to thrive as a community.</p> <p>A2E is a unique initiative bringing local people together with local skills-providers and employers. Delivered weekly at local libraries, A2E will bring local jobseekers together at the Town Centre to meet local presenters an informal talanoa style setting over a cuppa and biscuit.</p> <p>The programme is already delivering powerful positive results for jobseekers in Mangere</p>

Project details

Project title	Kiwi Can(KC) programme at Papatoetoe West School		
Dates	01/10/2016 - 30/09/2017		
Location	1 Hillcrest Rd, Papatoetoe, Auckland 2025		
Summary	<p>KC is a life skills and values programme delivered to the whole school by trained KC leaders, with every child attending a KC lesson once a week, every week of the school year.</p> <p>KC lessons have been shown to contribute to greater communication skills, social interaction, cooperation and displays of kindness and caring.</p>		
Requesting grant for	Towards salaries of two Kiwi Can leaders at Papatoetoe West School from October 2016 to September 2017.		
Previous experience	<p>The Graeme Dingle Foundation (formerly the Foundation for Youth Development) has been delivering Youth Development programmes successfully and effectively for over 20 years. Through extensive, ongoing research we know for a fact that Graeme Dingle Foundation programmes;</p> <ul style="list-style-type: none"> • Improve attitudes and behaviour, • Improve academic results • Help young people set and achieve their goals • Boost self-confidence • Reduce truancy rates and at risk behaviours (e.g. substance abuse) • Help young people feel more positive about the future 		
Active participants	817	Audience size	817
Promotion	Don't know.		
Local board recognition	We will acknowledge Ōtara –Papatoetoe local board through our regular communication streams including regular newsletter, social media, website and other such communication tools.		
Reason for the project	Through collaboration with the schools and our own research we know that there is a significant and on-going community demand for our programmes and key staff in local schools. Through the feedback from teachers, families, mentors and the children and young people participating in the programme themselves, we know there is not only a demand but meaningful outcomes achieved for children and young people in our community.		
Community benefit	<p>Comprehensive research and evaluation processes allow us to ensure our programmes work, measure success and prove outcomes. Our programmes get results! KC provides students with:</p> <ol style="list-style-type: none"> 1) A sense of self-worth and self-confidence 2) The ability to take responsibility and be accountable for actions. 3) Valuable life skills. 4) A 'can do' attitude to the challenges of life. <p>Research shows that KC engages students, reduces truancy, improves listening and communication skills, helps children play cooperatively and resolve</p>		

	behavioural issues more easily, builds confidence and reduces bullying in schools.
Alignment with local board priorities	<ul style="list-style-type: none"> <i>Otara-Papatoetoe - thriving communities</i> <p><i>Ōtara-Papatoetoe</i> - We achieve this through supporting our children and young people to reach their full potential, engaging the local community and working collaboratively with the schools in which we deliver our KC programme.</p>

Project details

Project title	Safari Multicultural Playgroup - South		
Dates	03/10/2016 - 29/09/2017		
Location	Pacific Adolescent Christian Trust (PACT), 311 Great South Rd, Papatoetoe		
Summary	<p>The Safari Multicultural Playgroup is a fully certified playgroup that runs three mornings per week from Wednesday to Friday and follows the NZ Early Childhood Curriculum.</p> <p>Around the Playgroup a number of educational programmes are organized to enhance the English proficiency, parenting skills and knowledge, and general confidence of the Playgroup mothers, while introducing them to services within the wider community.</p>		
Requesting grant for	Towards staffing and programme costs associated with running the Safari Multicultural Playgroup at 311 Great South Road, Papatoetoe		
Previous experience	The ARMS/Auckland Refugee Community Coalition (ARCC) partnership currently runs three Safari Playgroups. The Safari South Group has run for the past year, Safari West has run for three years and Safari Central (based in Lynnfield) has run for seven years. More than 140 mainly refugee background families are involved in the three Playgroups; 40 in Papatoetoe.		
Active participants	40 families with 40 children	Audience size	15-20 children per week
Promotion	<p>Yes. Communicate directly with community leaders, via the ARCC connections via Red Cross (RC), Mangere Refugee Reception Centre, local health providers, local schools, and other key services engaged with local refugee background families.</p> <p>Translated material made available to refugee background families.</p>		
Local board recognition	Place logo on printed materials and all reports, acknowledgement on social media, invitation of interested Council staff and LB Members to events and meetings as relevant. Possible visit to Council by women.		
Reason for the project	<p>This project was established in 2015 at the request of ARCC and the RC, the main refugee resettlement agency because of the number of newly arrived refugee families settling in the area.</p> <p>ARCC, our main partner also requested its establishment as they have members from several refugee communities living in the area. Since we began we have had referrals from Plunket, Family Start, RASNZ, RC and families from the Papatoetoe community who saw our advertisement in the newspaper and on community boards.</p>		
Community benefit	<ul style="list-style-type: none"> • Through a whanau-based approach, families are supported to live in a multicultural environment that respects their first cultural identity and settlement challenges. • Children better prepared for school - through improved socialisation skills/learning • Mothers increased confidence and skills for parenting in the NZ context, supporting their learning and entry into school • Mothers make friends across cultures and with other mothers from their 		

	<ul style="list-style-type: none"> own community Increased access for the mothers to information and learning opportunities Women enabled/encouraged to move on to further study Women moving on to gain part time employment
Alignment with local board priorities	<ul style="list-style-type: none"> Otara-Papatoetoe - age-friendly communities, thriving communities <p>Otara-Papatoetoe - This playgroup promotes inclusion and reduces barriers to participation in the community for women and ECE for children. Through a whanau-based approach, families will be supported to live successfully in a multicultural environment that respects their first cultural identity and settlement challenges.</p> <p>The playgroup will increase cultural understanding among women and children participating and involve women and children who are currently isolated.</p>

Project details

Project title	Provision of support for a Crime Prevention Officer		
Dates	01/11/2016 - 31/10/2017		
Location	2/46 Fair Mall Otara		
Summary	The Otara and Old Papatoetoe BIDs have combined their CCTV Monitoring systems. In order for this project to succeed we require the services of a Crime Prevention Officer to co-ordinate with Management, Ambassadors, Police etc. and also provide monitoring for both BID areas.		
Requesting grant for	Towards a salary for a crime prevention officer to work in the Otara and Old Papatoetoe business districts from November 2016 to October 2017.		
Previous experience	This service has been delivered in the past but ended due to funding ending		
Active participants	1 Crime Prevention Officer	Audience size	30 - 50 Community Groups
Promotion	Don't know.		
Local board recognition	Word of mouth to all networks acknowledging Local Board Support for the project. Will present at Local Board meeting on the outcomes of the project.		
Reason for the project	Crime levels have been very high but Police have had excellent results in apprehending offenders because of CCTV coverage and work with BIDs and Ambassadors, therefore with constant monitoring it is expected the successful apprehensions and reduction in crime would be expected.		
Community benefit	Safer Community Business confidence in reduction in robberies etc.

Project details

Project title	Community, volunteer and recreation programme supporting people with sight loss		
Dates	01/12/2016 - 31/07/2017		
Location	Our programmes and activities will be held at varying locations in the local area depending on the interests and needs of our clients. The Recreation and Volunteer coordinator works with local clubs and organisations to open opportunities and increase participation.		
Summary	<p>Working in communities with blind and low vision clients to develop recreation opportunities, remove barriers to participation and promote accessibility. This involves strengthening and growing support groups, recruiting and training volunteers, and working with clubs and organisations to advise and support inclusive options for participation by all.</p> <p>The aim of this holistic approach is ensure the outcomes of the programme are sustainable.</p>		
Requesting grant for	Towards the salary of a recreation and community advisor to work in Otara and Papatoetoe from December 2016 to July 2017.		
Previous experience	<p>Over the last 126 years, as New Zealand's main provider of practical and emotional support to people who are blind or have low vision, we have built a wealth of knowledge and expertise on how best to support independent living for people with vision loss.</p> <p>Our staff are highly experienced and qualified to meet the needs of our clients. This programme enhances recreation services that are part of the ongoing delivery to clients.</p>		
Active participants	30+	Audience size	231
Promotion	Yes. Clients receive information about opportunities through a variety of media, e.g. Outlook magazine, Facebook page, local support groups.		
Local board recognition	Acknowledgement in the Annual Report and on the Blind Foundation's website.		
Reason for the project	<p>The Community, Volunteer and Recreation programme was designed following in depth consultation with clients around Auckland and nationwide. Clients told us there was not enough understanding of what blind people could achieve and there were not enough activities available specifically designed for people who are blind or have low vision.</p> <p>A recent needs assessment survey showed that 46.6% of clients felt that there were free-time activities or interests that they would like to do but can't due to their sight loss. It is vital that we eliminate those barriers and create accessible recreation and social activities.</p>		
Community benefit	<ul style="list-style-type: none"> • There will be a wider range of recreational and social activities available to people who are blind or have low vision in Otara-Papatoetoe – number/type of activities arranged. • There will be greater inclusiveness of and support for people of all abilities in clubs and organisations - number and variety of clubs/organisations 		

	<p>provided encouragement and advice. Number of clients participating. Feedback from participants.</p> <ul style="list-style-type: none"> • People are trained, matched and supported to be volunteers – number of volunteers, retention rate, satisfaction.
Alignment with local board priorities	<ul style="list-style-type: none"> • Otara-Papatoetoe - age-friendly communities, thriving communities- Ōtara-Papatoetoe - Our Community, Volunteer and Recreation service supports people of all ages who are blind or have low vision to participate in recreational and sporting activities in their local community. <p>Sight loss often happens as a result of the ageing process and 64% of our clients are over 65. By working with support groups, recruiting volunteers to provide practical assistance and support, and working with mainstream clubs and organisations, blind people and those with low vision are able to access wider leisure choices. With more inclusive communities there is more equitable access so everyone can enjoy the many community facilities available.</p>

Project details

Project title	Sistema Aotearoa Programme (SAP) -Venue Hire		
Dates	23/01/2017 - 30/11/2016		
Location	Otara Music Arts Centre, 46 Fairmall Otara		
Summary	The project uses the group teaching of orchestral music impacting over 800 students a year to make a multi-layered contribution to outcomes for social transformation and cultural development through developing the child, family and community in a holistic way leading to increased community capacity and capability.		
Requesting grant for	Towards Otara Music Arts Centre and Te Puke O Tara venue hire costs for 2017.		
Previous experience	<p>The SAP has been operational since April 2011. It has twice been independently evaluated with excellent results and findings. It has demonstrated that it provides high quality tuition and is responsive to the needs of the students and the community.</p> <p>The Programme Manager is Rosalind Giffney, a highly experienced paediatric development therapist. The Music Director, appointed in late 2015, is Jessica Hindin, a fine violinist and pedagogue. Both have been with the programme from its inception and are familiar and attuned to the community in which they operate. The tutor team are professional musicians and/or educators.</p>		
Active participants	350	Audience size	800
Promotion	<p>Yes. SAT attains high profile media coverage. It has featured on National television on 5 occasions, in many National and local print media and has been the subject of four radio interviews. It has been the subject of four conference papers presented at international music / education conferences.</p> <p>It has a webpage and Facebook page. SAT will be seeking to maintain this level of coverage</p>		
Local board recognition	<p>With logo placement on website. The students will play at local community events where there will be verbal acknowledgement of support received.</p> <p>As previously, performances group / orchestra will be available to play at Otara-Papatoetoe Local Board events.</p>		
Reason for the project	<p>New Zealand's Chief Science Advisor recommended that social intervention programmes begin at early childhood. Each annual intake of 90 children is fully subscribed.</p> <p>There are requests from other Otara schools and ECLC to participate. Participating schools are requesting input into Year 1 while currently the programme starts at Year 2.</p> <p>The success of SAT has encouraged other communities in NZ to establish similar programmes. By the end of 2016 over 2,000 children from 2 to 14 years will have been impacted by the SAP.</p> <p>Whanau call into OMAC requesting to enrol children who are not at partner schools.</p>		
Community benefit	The programme is well established in the community, and there is a high level of acceptance, involvement and commitment to the programme and pride in the		

	<p>achievements of local children. Children are developing positive relationships with other children from across the community and from different schools and families are brought together as “Sistema parents” supporting their children. This may be breaking down some social and cultural barriers that previously existed. Feedback from the community (parents, teachers, community representatives) will be the primary measures of success.</p>
Alignment with local board priorities	<ul style="list-style-type: none"> Otara-Papatoetoe - age-friendly communities, thriving communities <p>Ōtara-Papatoetoe - Sistema Aotearoa is a programme in Otara that uses the group teaching of orchestral music to make a multi-layered contribution to outcomes for social transformation and cultural development through developing the child, family and community in a holistic way leading to increased community capacity and capability.</p> <p>SAT fosters confidence, teamwork and aspiration in young, predominantly Maori and Pasefika children, and promotes these values within families and the community.</p> <p>The programme has been proven to impact their educational achievement and helps the children grow up to be well-adjusted and happy adults.</p>

Project details

Project title	TYLA Trust Growing Realistic Opportunities (GRO) Programme Gardening Project.		
Dates	13/08/2016 - 14/07/2018		
Location	TYLA Trust 121 Baird's Road OTARA. Garden Project venue- entry is on Fulton Crescent Otara.		
Summary	<p>TYLA Trust aims to create a gardening project using the concepts of the GRO Programme as:</p> <ol style="list-style-type: none"> 1. Intervention for clients and their families as well as other young people, children and their families. 2. Develop an area for the ECE children attached to the Epiphany Church on the grounds. 3. Build fence around the property to secure it so it won't be used as a dumping ground anymore. 4. Erect a small shed to house gardening tools, seedlings etc. 5. Teaching children and youth of Otara about fresh fruit and vegetables as well as healthy eating. 		
Requesting grant for	Towards costs (materials, equipment hire, plants) to establish a community garden at Fulton Crescent, Otara.		
Previous experience	All TYLA social workers are qualified and mentors are well experienced in the field of youth mentoring. TYLA has a project manager that will project lead as they have expertise in this area. The author of the GRO Prog. (Nooroa Moutira) also has exact project experience as he had managed similar programme in the past.		
Active participants	20-30 a week	Audience size	No more than 20 at any one time.
Promotion	Yes. Local community media and outlets Community meetings Professional meetings		
Local board recognition	TYLA Facebook and website		
Reason for the project	Yes, we have questioned current and past clients as well as their parents; we have also questioned other organizations in the area about programme needs, trends and value. We have assessed there is a need for such programme using a social work, mentoring and cultural concepts as drivers for engagement, experience and learning.		
Community benefit	The nature of the Trust is to work with the youth at risk in our communities, and their families. The costs to the community at large are significant due to the offending of the youth, it is TYLA's sole aim to identify as early as possible, those at risk of offending/re-offending then, working closely with the families of the young people, our social/youth workers provide the necessary tools, education and support to guide our community's youth to make positive choices. TYLA will use an evaluation format that young people and their parents can both fill in to review the programme.

Dates	14/10/2016 - 14/10/2016		
Location	35 St. George Street, Town Hall, Papatoetoe		
Summary	<p>We are having this annual celebration in the covered Town hall for the community, it is a closed hall event and safe and sound for the community. This will take place at Papatoetoe Town Hall, opening ceremony with guests and speakers and welcome by HHRF-NZ and then items will be presented on the stage by all ethnic groups and will be followed by snack, take away food and soft drinks.</p>		
Focus specific information	<p>Event rain dates: not applicable Event time: 5pm - 10.30 pm</p>		
Requesting grant for	Towards printing, venue hire, performers and food for the Papatoetoe Deepavali Festival of Lights event on 14 October 2016 at Papatoetoe Town Hall.		
Previous experience	We have delivered similar activities since 2011. We also delivered Family fun festival for the residents of Papatoetoe so we have enough expertise in this field of public event		
Active participants	65	Audience size	600
Promotion	Yes. Our advertisement and promoting our sponsors will be on Radios, local papers, Facebook, website, linked in, and twitter. We will also send flyers and posters on all these stuffs		
Local board recognition	The public always has been acknowledging this and we also have the Chairperson and the Deputy Chairperson in our welcome ceremony where they address the public of what the Board is doing. All the Council staff are also invited with all others		
Reason for the project	<p>We have delivered this project every year since 2011 and it has become very successful and full of audience. People in the community and surrounding localities have been actively participating and are always keen to come to this annual event which marks the Hindu New Year. With other ethnic groups from all over the community we celebrate this event.</p> <p>This brings more solidarity, love, respect for each other, an awareness of other cultures and peace and prosperity. This is how this event is looked for to be delivered every year for the betterment of the community</p>		
Community benefit	The community benefits the events arts, cultural and language. They learn how important is to deliver all events through cultural and traditional values to show other ethnic groups that each other's culture and tradition is important for all of us to learn and know about to bring every one united.		
Alignment with local board priorities	<ul style="list-style-type: none"> <i>Otara-Papatoetoe - age-friendly communities, a heart for Manukau, thriving communities</i> <p><i>Ōtara-Papatoetoe</i> - The people of Papatoetoe and Otara have the opportunity to meet each other through this event and know each other thus bringing love, respect, peace, harmony and love within and amongst other ethnic groups</p>

Project details

Project title	Easter Celebration		
Dates	15/04/2017		
Location	Otara Town Centre		
Summary	Setting up the Easter event in the town centre to invite the visitor and local community to come and join us for free of charge.		
Requesting grant for	Towards an Easter event in Otara Town Centre in April 2017.		
Previous experience	We have delivered the Easter and similar events in the past.		
Active participants	12	Audience size	2500
Promotion	Yes. Local Media, Social media, radio, posters and flyers		
Local board recognition	By using logo on the flyers and acknowledge them on the stage.		
Reason for the project	Otara is a strongly religious community and Easter is an important celebration. It is the time that the community comes together and would be beneficial to the communities and the business to create a focal point in the town centre.		
Community benefit	The communities around Otara can't afford to go out and spend the money on events. Providing them free event will encourage them to stay in their own town and enjoy with the business community and families.		
Alignment with local board priorities	<ul style="list-style-type: none"> <i>Otara-Papatoetoe - town centre vitality, thriving communities</i> <i>Ōtara-Papatoetoe</i> - Easter is an important celebration and it is a time that the community comes together and it would be beneficial to the community and the business to create a focal point in the town centre.

Project details

Project title	Prideland Boxing Refurbishment		
Dates	10/10/2016 - 27/02/2017		
Location	28 Lovegrove Cres, Otara, Auckland 2023		
Summary	<p>Prideland Boxing Club provides free community health and fitness programmes for people ranging from 5yrs - 55yrs of age. This club urgently need to improve their equipment and resources so that they can deliver their services to more people as we have experienced a growth of more than 230% in our registered club numbers.</p> <p>The clubs' aim is to provide a range of physical skills, mentoring to support young peoples' education, empowering them through self-confidence, and imparting a sense of community and cultural heritage.</p>		
Requesting grant for	Towards a portable boxing ring.		
Previous experience	<p>We have been operating for 22 years and we have more than 20 staff members on board. Many of our staff are recognised by the community as experts in creative arts and activities and are from the community.</p> <p>They also have many years of mentoring experience. We understand the community we serve and our programmes have delivered outcomes regardless of the road blocks we face.</p>		
Active participants	230	Audience size	600
Promotion	Yes. Via direct promotion at schools (assemblies and notices), through local organisations (such as ONAC and the Otara Youth Providers Forum), fliers and posters on community noticeboards, word of mouth, various social media platforms.		
Local board recognition	In our community events, at school assembly presentations, via social media platforms, (with permission) include the local board's logo on our promotional materials and on our sponsor's boards within the Clubs.		
Reason for the project	The growth in our Club numbers and the increase in the number of referrals to our Clubs from Government agencies (Police, CYFs, MSD etc.) and other NGOs (Strive, Tyla, Genesis etc.) and from walk-ins off the street have shown that there is a clear and growing need to support our young people in Otara and Papatoetoe		
Community benefit	<p>The community will benefit from empowered, confident and secure young people who are engaged with schooling, better learners, ready for vocational choices and more focused and positive about their futures.</p> <p>We have clear measurement systems and an independent programme evaluation manager in place. These measures mean that we record achievement.</p>		
Alignment with local board priorities	<ul style="list-style-type: none"> Otara-Papatoetoe - a heart for Manukau, thriving communities, parks and facilities that meet people's needs <p>Ōtara-Papatoetoe - We have a boxing gym that is called Pridelands Boxing. The aim of this service is to provide quality service for people in our community ranging from 5yrs-50+ yrs to achieve healthier life outcomes. The gym that is</p>		

	<p>open free to the community to help youth gain confidence and be educated in health and well-being.</p> <p>We also provide classes for older groups as well as specialised women groups to create better living outcomes through health. Each person that is engaged through this club is mentored so they can make better choices in education and their future.</p>

Demographics

Maori outcomes	Yes. A great percentage of our participants in these programmes are of Maori ethnicity or descent. We know that through our Club programmes, our young Maori people will develop a sense of well being and confidence that will lead to them to being more self-reliant, to be encouraged to achieve better educational outcomes through our mentoring and to receive the benefit of social welfare services for those young people who we identify need additional help.
Accessible to disabled	Yes. Our facilities where these Club programmes take place are located on ground floor. They have clear access for people with disabilities to participate. We have enrolled in our Clubs many young people and adults who have physical disabilities as well as mental health conditions. We have policies and procedures in place to ensure they are in a safe environment.
