1. **Apologies:** There were apologies from Members Garner, McLean and Sayers.
2. **Street Names for Orahā Road:** Jian Chen (Senior Subdivision Advisor) in attendance for this item. Ms Chen sought feedback from the local board on proposed road names for the Orahā Special Housing Area. The developer's preference for road names placed an accent on vineyard/winegrowing activity.
3. **NZTA – update on the Safe Roads Alliance:** New Zealand Transport Agency representatives Aimee Brock (Senior Advisor, Communications and Stakeholder Liaison), James Mortimer (Senior Project Manager, Safe Road Alliance), Michaela Davidson (Safe Road Alliance) and Craig Mitchell (Principal Planner, Transport for Future Urban Growth) in attendance for this item. The representatives gave an update on all the projects that NZTA is involved along the SHA16 corridor. Of particular note was that the process for obtaining all the necessary land for the Muriwai roundabout was almost complete and tenders for the project would open soon.

2.45pm Member Steele retired from the meeting during Item 3.
4. **Deputation Response- Fix Hill Street Now:** Members discussed the request by Roger Williams of the Hill Street Now Action Group for a joint meeting of the local board, the action group and Auckland Transport. The local board considered that a joint meeting would best be held with the newly elected local board, Auckland Transport, the Fix Hill Street Now Action Group and representatives from NZTA.

The meeting closed at 3.25pm

The Chairperson thanked Members for their attendance and attention to business and declared the meeting closed
