Project title	Purchase digital talking books for the Blind Foundation Library		
Dates	01/10/2016 - 31/12/2016		
Location	4 Maunsell Road, Parnell - library content is provided directly to library users in communities nationwide		
Summary	<p>The most highly regarded service of the Blind Foundation (BF) is the library which has over 10,000 titles in its collection. Last year 4650 users of this free service borrowed 616,410 items.</p> <p>Feedback anecdotally and via the library user survey consistently shows a high demand for more titles, more topical subjects and more recently published books in a wide variety of genres. Access to books is a lifeline for people who have lost their sight and now have much more unstructured time available due to their inability to continue with sport, arts and hobbies and potentially their former employment.</p>		
Cost of participation	No.		
Requesting grant for	Towards the purchase of audio books for the Blind Foundation mobile library		
Active participants	89 clients in the Upper Harbour Local Board area	Audience size	12,109 Blind Foundation members across NZ
Promotion of activity	Yes, All new members of the BF are provided information on the services available and are provided with support, assistance and equipment to access the library.		
Local board recognition	Acknowledge in the annual report. To be recognized on Blind Foundation website and in social media channels.		
Alignment with local board priorities	<ul style="list-style-type: none"> community participation and wellbeing. <p>The BF library provides equitable access to books in an accessible format that the resources of a public library cannot meet. Access to recently published books that are stimulating and topical provides blind and low vision people with content relevant to what's current in society.</p> <p>This enables them to keep up to date and explore ideas themselves so they can contribute socially. This reduces the feelings of isolation, helplessness and dissociation that are common when people experience sight loss which often lead to depression.</p>

Project details

Project title	World AIDS Week		
Dates	28/11/2016 - 28/11/2016		
Location	Te Pou Theatre 44A Portage Rd, New Lynn, Auckland 0600		
Summary	A Festival to celebrate HIV in alignment with the international World AIDS Day. We host a street collection on the Friday. The Theatre event will be hosted throughout the week with a gala event on Dec 1st. A musical event is hosted on the Saturday night at gelatos. Gallery events hosting HIV + art happen throughout the week.		
Requesting grant for	<p>There will be a series of events that make up the festival, these include:</p> <ol style="list-style-type: none"> 1. Snapshot Photo Gallery - Runs the whole week 2. Gala – Q Theatre (TBC) – 1/12 3. Pua Wai Festival of Performance – Te Pou Maori Theatre – 28/11– 11/12 4. Music Event – Gelatos 3/12 5. Public Health Fair Day – GreyInn Community Centre (TBC) – 4/12 <p>Events will occur across Auckland. Currently events have been confirmed based on last year's pilot, so the areas of Auckland are central and West where venues are situated.</p>		
Cost of participation			
Active participants	50	Audience size	700
Promotion	Yes, media release, social media, gay media channels. Integrated in to World AIDS Day Messaging.		
Local board recognition	Inclusion of logos in printed material, recognition at signature events (gala, theatre project).		
Reason for the project	HIV stigma is the leading issue around HIV. The evaluation from last year's event showed that there was a huge need and benefit from hosting the event. Being the first one it had issues with engagement and to have People living with HIV become visible and share their stories was also challenging. This will change over time as people become engaged as shown in other countries such as the lifeball.org in Vienna which has been fighting aids and celebrating life since 1993.		
Community benefit	Community engagement and increased knowledge of HIV. The engagement of people living with HIV in creating the event.		
Alignment with local board priorities	<ul style="list-style-type: none"> • encourage participation or volunteering. • Innovative <p>We are developing a festival around World AIDS Day (Dec 1st) which encourages community to be engaged in the festival and to highlight HIV to break down stigma and provide an inclusive community for people living with and affected by HIV.</p> <p>This builds on our initial festival last year and seeks to engage more of the community in the event. We seek to engage with people living with HIV and their whanau from this district in the program</p>

If full amount requested is not able to be funded, would a smaller amount be of assistance?	<p>Yes, We are operating this event to raise money for the wellness fund. 100% of the money raised goes to this fund which is used to support people living with HIV across NZ with emergency medical costs - the must be on a Community services Card to access the money. None of the money raised goes to our organization - except to cover costs.</p> <p>http://www.bodypositive.org.nz/Pages/Wellness_Fund/ shows accessibility criteria. Historically this has been funded through the street collection at world aids day which has been declining in recent years. The festival maintains the fund and helps combats stigma and social exclusion.</p>
