CARRIED

In the minutes of the Parks, Recreation and Sport Committee regarding the Parks' Growth Programme – FY15/16 and FY16/17, there are four programmes identified. Māngere-Ōtāhuhu Local Board area have four projects allocated from FY2017 growth funding in the following programmes: Greenways and walkways; Playscape; and General Development.

These projects are identified in the table below and will be reported on in SharePoint quarterly.
