17 Auckland Council's Quarterly Performance Report: Upper Harbour Local Board For Quarter One, 1 July – 30 September 2016

Resolution number UH/2016/161

MOVED by Chairperson L Whyte, seconded by Deputy Chairperson M Miles:

That the Upper Harbour Local Board:

- a) receive the performance report for the financial quarter ending 30 September 2016.
- b) request corrections be made within the reporting tool to amend spelling and grammatical errors, as well as ensuring that correct reference is made to assets, e.g. (page 55) 'Albany Village Hall' should read 'Albany Coronation Hall', as there is a reputational risk involved in publishing poorly presented information.
- c) provide the following comments regarding the new approach to quarterly reporting:
- i) shifting responsibility of managing reporting to Local Board Services further removes accountability and responsibility of reporting away from the departments of council, which in the board's view is not in keeping with the spirit of council's shared governance model;
 - ii) responsibility to report progress to local boards against work programmes that have been funded and approved by the local board should lie with the department(s) tasked with the delivery of specified plans, projects and initiatives; and
 - iii) the information currently and historically presented to local boards through the quarterly report is by nature retrospective, which does not assist the local board in understanding predicted or expected future trends that would help the board in being able to proactively set budgets and corresponding work programmes.
- d) request the ability to work with the staff responsible within the organisation to improve the quality of future reporting to address the matters raised in resolution c) above, with the aim of finding a practical and efficient solution for both the local board and the organisation.
