<b>Dates</b>	<b>10/10/2016 - 14/04/2017</b>		
<b>Location</b>	c/o Glen Eden Intermediate School, 23 Kaurilands Road, Titirangi, Auckland		
<b>Summary</b>	<ol style="list-style-type: none"> <li>1. The children learn and build up Japanese language skills; speaking, listening, reading, and writing, to the children with Japanese heritage.</li> <li>2. The children learn, develop, and experience the knowledge of Japanese culture</li> <li>3. The children have a secure and comfortable space where they belong to and to share their background.</li> <li>4. The children will develop a strong sense of members of the community they live in.</li> </ol>		
<b>Requesting grant for</b>	Towards venue hire in term 4 2016 , venue hire in term 1, 2017, art materials, stationary, and photocopying as part of the after school programme between 10 October 2016 - 14 April 2017		
<b>Project rationale</b>	<p>The only programme available to children of Japanese heritage is the Japanese government-supported "Supplementary School" in the central Auckland area. Basically it is a programme for those children who will eventually go back to Japan. However, most of our children are or will be settled in New Zealand, and do not intend to return to Japan. Thus a different programme separate from the Japanese government-supported one was needed.</p> <p>Our programme fulfils the needs of a large number of children and their families in West Auckland and this is the only Japanese heritage programme in West Auckland.</p>		
<b>Community benefits and how will you know you have achieved them</b>	<p>Not only Japanese communities but also other communities in West Auckland have benefitted from WJSS. Immigrant children share together what they have brought from their home country, Japan. Furthermore, they can maintain a strong identity of being Japanese New Zealanders. They share their backgrounds in their school environment.</p> <p>The school communities also learn about Japanese culture through our various events open to public. We shall know our achievements through feedback from guardians and local school communities. The parents and guardians also go out to collaborate with community groups to introduce Japanese culture.</p>		
<b>Expertise in delivering this project</b>	All the WJSS teachers are certified and have experience teaching in Japan and/or higher degrees teaching Japanese and Japanese culture from New Zealand.		
<b>Active participants</b>	200	<b>Audience size</b>	200
<b>Promotion of activity</b>	Yes, We are promoting our programme on our website, Facebook pages, in brochures distributed to local schools, libraries, immigration offices, and immigrant support programmes.		
<b>Local board recognition</b>	We plan to cite Local Board support on our website, in our school brochures, in our official letterhead documents, in email format, and in all the event programme brochures, such as our New Year's celebration, welcoming and		

	graduation ceremonies, sports day, and performance day. We'll also make a signboard on the Japan Day annual event where thousands of people gather to celebrate Japanese culture in New Zealand. We'll also announce in our AGM and PTA meetings.		
<b>Cost</b>	Yes. Parents and guardians pay a programme fee to hire professionals and execute the programme.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• events that foster community spirit,</li> <li>• fostering arts, culture and sport in the community</li> </ul> <p>WJSS supports local children of Japanese heritage to learn the language, culture, and traditional Japanese school children's physical and art activities to enrich the cultural diversity of the Henderson-Massey area. For example, the programme celebrates typical cultural annual events such as Japanese New Year, Girls Day and Children's Day.</p> <p>The welcoming ceremony, the graduation, and Sports Day are also scheduled throughout the school year. Our children learn about economic issues shared between New Zealand and Japan, the importance and beauty of an ecologically sustainable environment, and people and self in the multicultural community, through various activities during class hours.</p>

<b>Project title</b>	2016 Hubbard's Head2Head Walk		
<b>Dates</b>	12/11/2016 - 13/11/2016		
<b>Location</b>	1/507a Great South Road, Papatoetoe, Auckland, 2025		
<b>Summary</b>	Experience a new side of Auckland on this scenic 125km charity walk around the Manukau Harbour. Kicking off in Orua Bay and ending up some 125kms and 24hours later at Huia in the Waitakere Ranges. The route takes in stunning scenery, ambling lanes, step hills and thigh crunching climbs. Teams of five individuals each walk a relayed 25km section over the walk over the weekend, in an attempt to each raise at least \$1000 for the OKE Charity.		
<b>Requesting grant for</b>	OKE are applying for funding to support the event costs of the 2016 Hubbard's Head2Head Walk. Since the event started back in 2012, the #H2HWalk has grown every year, as has the costs of running the event. Assistance would be greatly appreciated to help cover costs such as event insurance, promotion of the event. event management, traffic management etc.		
<b>Cost of participation</b>	Team entry is \$250		
<b>Active participants</b>	120	<b>Audience size</b>	50
<b>Promotion</b>	Yes, Details of the event has already been included in 20,000 boxes of Hubbard's cereal. We will also have the event mentioned in the local newspaper. OKE will promote the walk through our social media channels and ask that all our supports help spread the word. The intention is to promote the walk through billboard posters around Auckland.		
<b>Local board recognition</b>	We intend on having printed media across Auckland promoting the walk, which will include the local board logo who support the event. As per previous events, will can include the local board logos on the back of the Hi-Vis vests which the walkers have to wear.		
<b>Reason for the project</b>	The original idea was for the Head2Head Walk to be a one off event, back in 2012. Every year since then the event has grown, pulling in teams from all over Auckland and further afield, instilling a great community feel. It also helps to promote areas of the Auckland Super City which people haven't experienced before, especially Awhitu and Huia.		
<b>Community benefit</b>	Since establishing the Head2Head Walk in 2012, the event has raised over \$50,000 and supported many projects around Auckland. The fundraiser now supports OKE and it's invaluable resources it provides to local primary schools, helping kids to develop much needed life skills. The event also promotes the communities around the Manukau Harbour.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• strong and thriving communities that are enabled to participate, celebrate and contribute</li> <li>• a healthy natural environment enjoyed by our communities</li> <li>• parks, sports and recreational facilities that promote healthy lifestyles and enhance well-being</li> </ul> <p>The Hubbard's Head2Head Walk is the only event of its kind in Auckland and is the diamond fundraiser for OKE. The event helps to build a community spirit around the Manukau Harbour, by circumnavigating the entire harbour and bringing together its communities. The fundraiser raises funds to implement our Growing A Future Initiative at primary schools. A percentage of funds raised from the 2016 event, will be donated to community gardens along the route of the walk. It is our intention to support at least one community garden within each local board the #H2HWalk passes through.</p>

<b>Project title</b>	<b>Waipareira Youth Sports Challenge 2016</b>		
<b>Dates</b>	<b>26/11/2016 - 26/11/2016</b>		
<b>Location</b>	Trusts Stadium, Central Park Drive, Henderson, Auckland		
<b>Summary</b>	<p>The Waipareira Youth Sports Challenge gives those aged between 11-17 years the opportunity to partake in one of 3 sporting codes. Aimed at a non-competitive or representative level this Challenge will give a chance for youth, who do not participate in club or school sports, opportunity to form whanau/family and/or friends teams and enjoy a day of healthy activity and sportsmanship.</p> <p>Along with the sports on offer, community organisations will be on hand to promote and engage with whanau, a range of services and key messages including No fizzy drinks, no smoking or drugs, anti-violence promotion, etc. for all who attend.</p>		
<b>Requesting grant for</b>	Towards venue hire of the Trusts Stadium to run the Waipareira Youth Sports Challenge 2016 , 26 November 2016		
<b>Project rationale</b>	<p>We have established a need for this annual project via both feedback from the youth participants and spectators alike. Being able to provide an atmosphere of sportsmanship versus the traditional representative tournaments gives all players a sense of pride and team spirit in playing sports they may not normally participate in due to not being of a certain level of calibre and skill required.</p> <p>The amount of referrals for services and engagement received in the first Youth Challenge held in 2015 was up 37.5% of prior years when the Challenge was aimed at adults.</p>		
<b>Community benefits and how will you know you have achieved them</b>	<p>The community benefits from this project by way of health and activity through the sports participants, as well as for many providing an introduction to sports whereby they may pursue this as a regular hobby/interest via school or club level. In addition, the participant feedback forms and referrals received from whanau on the day will give the organisations, who serve the West Auckland community, statistical information that will show as to whether we have achieved the goals set out for the event.</p>		
<b>Expertise in delivering this project</b>	<p>Waipareira Trust has been running successful Sports Challenges for the West Auckland community since 1998. Initially it was aimed at adult participation only with cash prizes. However as at 2015 we decided to move the focus for this to the Youth sector of West Auckland. We have also run this in conjunction with Free Family Fun Day in the past as well as the larger Waitangi@Waititi free Music Concerts &amp; Family Day on Waitangi Day.</p>		
<b>Active participants</b>	250	<b>Audience size</b>	1500
<b>Promotion of activity</b>	<p>Yes, Marketing and advertising will take place via electronic mail out to various databases, email footer/headings on all correspondence within our organisation from mid-October to 25 November 2016. In addition, billboards will be erected, flyers to clients/whanau we currently serve and mail drops as well as utilising our shares in Radio Waatea to advertise at no cost.</p>		

<b>Local board recognition</b>	We would publicly acknowledge any board's contribution towards the Challenge via logo placement on all visual advertising, i.e. billboards, flyers, email footers.		
<b>Cost</b>	This event is free for all participants and attendees		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• events that foster community spirit,</li> <li>• fostering arts, culture and sport in the community</li> </ul> <p>The Waipareira Youth Sports Challenge encourages youth aged 11-17 years to participate in either 3 person Basketball, Netball and 9 a side Rugby League. The Challenge is aimed at a community level with free entry for participants and spectators, restrictions on representative levels, encouraging teams of families or friends to enter and enjoy a day of friendly sportsmanship.</p> <p>Promotion and participation from community organisations across West Auckland is a core part of this one day event, with key messages focusing on health, social and educational strategies such as Family violence screening, anti-smoking, drugs &amp; alcohol.</p>

<b>Summary</b>	<p>TEMP is an innovative, cross-organisational, multi-cultural and interdisciplinary project that has ambitions to grow into a long-term regional outdoor arts science multi-week participatory event with an international reputation.</p> <p>TEMP aims to provoke conversations about local environmental issues and climate change through installations that focus on subjects of air quality, oceanic systems and changes in water patterns, to raise awareness of sustainable social systems for community food growing and to discuss community resilience in a post disaster zone. TEMP will promote habits for a healthy habitat.</p> <p>TEMP is designed to attract participation from intergenerational and multicultural audiences, to activate the green outdoor spaces adjacent to towns and suburbs and attract audiences to the region contributing to the local vibrancy and economy.</p>
<b>Requesting grant for</b>	Towards associated delivery costs to run the TEMP an outdoor public arts science multi week event 16 March – 8 April 2017
<b>Project rationale</b>	<p>Auckland Council Climate Change plan Chapter 8 “AUCKLAND EXPECTS THAT WE WILL WORK TOGETHER TO PLAY OUR PART IN MEETING THE NATIONAL GOAL OF SIGNIFICANTLY REDUCED GREENHOUSE GAS EMISSIONS (MITIGATION), AND THAT WE WILL IMPROVE ENERGY EFFICIENCY, RESILIENCE AND SECURITY AND OUR CAPACITY TO ADAPT TO CLIMATE CHANGE (ADAPTATION).”</p> <p>Artists have always played a role in communicating significant global issues to communities. Schools must focus on science education. Communicating science through arts experience joins head and heart, fosters curiosity and understanding. Auckland LOVES out-door sculpture events Sculpture on the Gulf (55,000 visitors); Sculpture on Shore (20,); Art after Dark (50,000).</p>
<b>Community benefits and how will you know you have achieved them</b>	<p>The multi-week outdoor free and unique event at CEAC will reconnect the park to the youth, workers and families in the local town and surrounding suburbs and wider Auckland Region. The projects are designed to raise awareness and understanding about personal responsibility to carbon emission contribution and mitigation.</p> <p>The fun event aims to promote participation by intergenerational and multicultural audiences, bringing together both different communities to contribute to community projects fostering a shared common interest in their local habitat and wellbeing.</p> <p>TEMP fosters kaitiakitanga, whanaungatanga, manaakitanga and supports wairuatanga.</p> <p>TEMP aims to attract international audiences to the region.</p>

### Project details

<b>Project title</b>	World AIDS Week		
<b>Dates</b>	28/11/2016 - 28/11/2016		
<b>Location</b>	Te Pou Theatre 44A Portage Rd, New Lynn, Auckland 0600		
<b>Summary</b>	A Festival to celebrate HIV in alignment with the international World AIDS Day. We host a street collection on the Friday. The Theatre event will be hosted throughout the week with a gala event on Dec 1st. A musical event is hosted on the Saturday night at gelatos. Gallery events hosting HIV + art happen throughout the week.		
<b>Requesting grant for</b>	<p>There will be a series of events that make up the festival, these include:</p> <ol style="list-style-type: none"> <li>1. Snapshot Photo Gallery - Runs the whole week</li> <li>2. Gala – Q Theatre (TBC) – 1/12</li> <li>3. Pua Wai Festival of Performance – Te Pou Maori Theatre – 28/11– 11/12</li> <li>4. Music Event – Gelatos 3/12</li> <li>5. Public Health Fair Day – Greylnn Community Centre (TBC) – 4/12</li> </ol> <p>Events will occur across Auckland. Currently events have been confirmed based on last years pilot, so the areas of Auckland are central and West where venues are situated.</p>		
<b>Cost of participation</b>			
<b>Active participants</b>	50	<b>Audience size</b>	700
<b>Promotion</b>	Yes, media release, social media, gay media channels. Integrated in to World AIDS Day Messaging.		
<b>Local board recognition</b>	Inclusion of logos in printed material, recognition at signature events (gala, theatre project).		
<b>Reason for the project</b>	HIV stigma is the leading issue around HIV. The evaluation from last years event showed that their was a huge need and benefit from hosting the event. Being the first one it had issues with engagement and to have People living with HIV become visible and share their stories was also challenging. This will change over time as people become engaged as shown in other countries such as the lifeball.org in vienna which has been fighting aids and celebrating life since 1993.		
<b>Community benefit</b>	Community engagement and increased knowledge of HIV. The engagement of people living with HIV in creating the event.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• improve the health of our community,</li> <li>• people are more active in local arts, events and recreation activities,</li> <li>• support community-led initiatives and action partner with established and emerging community-led events to support the development to their full potential, support events of a certain scale with minimum grants of \$5,000, support events to be financially sustainable and to become a regular and celebrated part of the Waitemata event calendar</li> </ul> <p>We are developing a festival around World AIDS Day (Dec 1st) which encourages community to be engaged in the festival and to highlight HIV to break down stigma and provide an inclusive community for people living with and affected by HIV. This builds on our initial festival last year and seeks to engage more of the community in the event. We seek to engage with people living with HIV and their whanau from this district in the program</p> <p>We created world aids day week last year and it was quite successful. This year we have received interest from other groups that want to work on it as well as we develop it into true festival for HIV. Being at the start of December and being an internationally recognized event it has great potential to grow and make HIV visible within the community.... and reduce the stigma around the disease.</p>		

Basically its a pride festival for HIV. The initiative is led by people living with HIV and encourages them to work alongside professionals to deliver a quality event.

<b>If full amount requested is not able to be funded, would a smaller amount be of assistance?</b>	<p>Yes, We are operating this event to raise money for the wellness fund. 100% of the money raised goes to this fund which is used to support people living with HIV across NZ with emergency medical costs - the must be on a Community services Card to access the money. None of the money raised goes to our organization - except to cover costs.</p> <p><a href="http://www.bodypositive.org.nz/Pages/Wellness_Fund/">http://www.bodypositive.org.nz/Pages/Wellness_Fund/</a> shows accessibility criteria. Historically this has been funded through the street collection at world aids day which has been declining in recent years. The festival maintains the fund and helps combats stigma and social exclusion.</p>

<b>Project title</b>	SkateSafe and ScootSafe - Skateboard and Scooter Programmes		
<b>Mani focus</b>	Sport and recreation		
<b>Dates</b>	06/11/2016 - 30/04/2017		
<b>Location</b>	Mangere Rugby Leagues Club (Net Ball Courts), Woodlands Park School, Kaurilands Primary, Birkenhead Skate Park, Marlborough Skate Park, Western Heights School, Snells Beach Skatepark, Kelston Primary School		
<b>Summary</b>	<p>Establish and build sustainable community partnerships involving parents, youth, schools and existing youth and recreation providers to provide safe and inclusive opportunities for children to engage in regular skateboarding activities in their community.</p> <p>Educate and inspire youth to become "Skateboard Leaders" to socially engage with young skateboarders in their community.</p>		
<b>Focus specific information</b>	n/a		
<b>Requesting grant for</b>	Towards the cost to deliver the skate safe and scooter safe programmes between November 2016 and April 2017.		
<b>Previous experience</b>	<p>Since our establishment in August 2012 we have delivered to schools and the community:</p> <p>2,350 skateboard and/or scooter sessions to 26,342 children and youth.</p> <p>We have delivered skateboard and/or scooter sessions in 120 individual schools across the Auckland region.</p>		
<b>Active participants</b>	400	<b>Audience size</b>	600
<b>Promotion</b>	Yes. Social media, printed flyers and posters, websites and Instagram.		
<b>Local board recognition</b>	<p>Place logo on printed promotional material</p> <p>Include logo on any videos taken from the programmes and events</p> <p>Include logo on all social media advertising</p> <p>Invite local board members to attend programmes and events</p>		
<b>Reason for the project</b>	<p>The demand for our services since our establishment in 2012 continues to show strong growth for example; participation in our 2nd annual summer, school holiday Wheels on Wed, skateboard and scooter summer school holiday programme grew by 46% in 2015 reflecting the demand from schools, community groups and parents seeking alternative, safe, non-competitive, inclusive, social sport and recreation pursuits for their students and children. This is also reflected in the national statistics on youth participation in organised sports. According to Sport NZ (2007) 70% of children and youth are exiting organised sport between the ages of 13 - 17.</p>		
<b>Community benefit</b>	<p>Providing safe, organised, inclusive and accessible skateboard and scooter programmes in the community will provide greater opportunities for children and youth of all abilities - no matter how talented or skilful they are - with an opportunity to learn new skills, meet new friends, socialise and ultimately have</p>		

	<p>fun.</p> <p>Participation in our programmes will result in increased physical activity by participants and less time spent being sedentary, resulting in a decrease in the potential for obesity and excessive weight gain and a reduced likelihood that they will suffer the effects of emotional and behavioural problems.</p>
<b>Alignment with local board priorities</b>	<p><b>Māngere-Ōtāhuhu</b> - communities have opportunities for active and healthy living, in safe environments that are smoke, alcohol and drug-free, communities care for and enjoy our parks, reserves and open spaces in different ways, young people lead and have a voice in local matters</p> <p><i>How project supports Māngere-Ōtāhuhu priorities above</i> -Our programmes have a proven track record of:</p> <ol style="list-style-type: none"> <li>1. Providing sport and recreation activities so children and youth of all abilities and genders establish a life-long love of physical activity.</li> <li>2. Maximise community use of recreation facilities and open spaces for physical activity and active living.</li> <li>3. Encourage and support young people to actively participate as leaders in sport and recreation in their communities.</li> </ol>
