

Member report Jessica Rose:

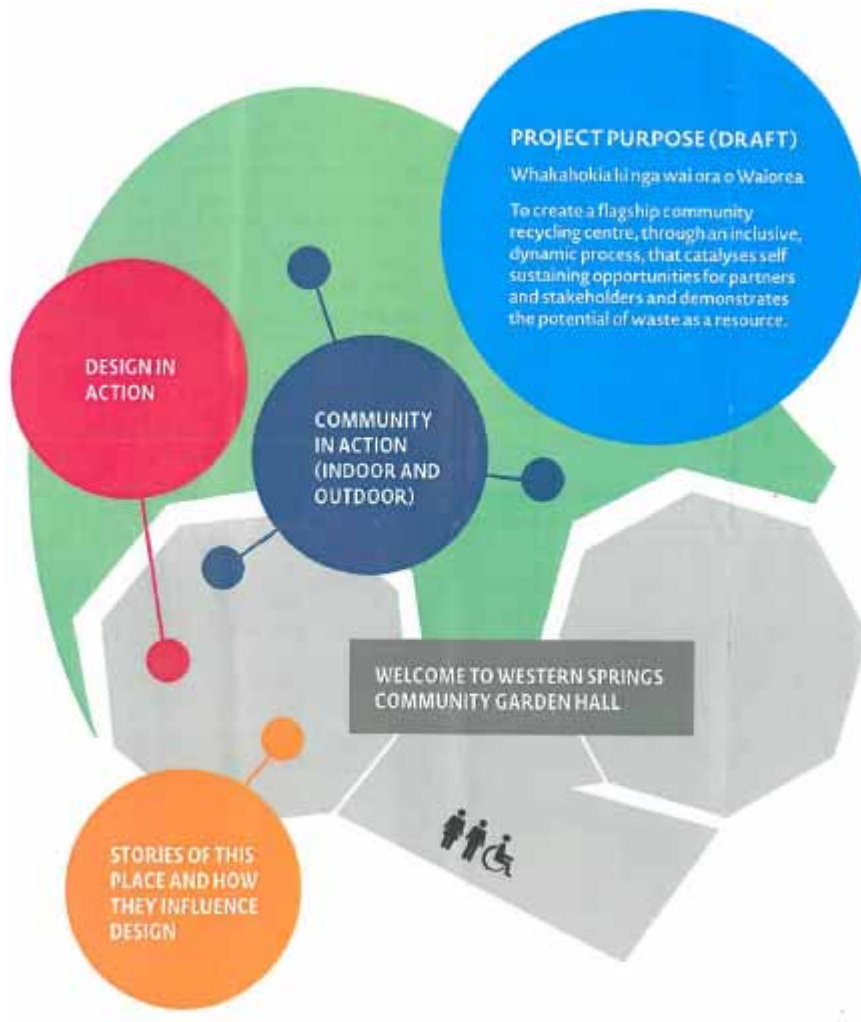

In my first month as a board member, so my report will be short. I want to thank both the community and my colleagues for the opportunity to fill this role for this term. In addition to board workshops I have been taking council-lead induction programmes in both Health and Safety and the role of governance. These have been a valuable learning opportunity for me to be able to be at my best service to the ward.

Community event's and celebrations I have attended are as follows.

The 10th year anniversary of Auckland's resettled community, held at the Mt Albert war memorial.

The opening day of the new community recycling centre, in Mt Albert / Western Springs

Unitec's Gradfest 2016, held at building 1, Carrington Road
