<b>Organisation/individual</b>	Organisation	<b>Main focus</b>	Community
<b>Umbrella organisation</b>	Kawakawa Bay Community Association	<b>Legal status</b>	Not for profit community group

**Project details**

<b>Project title</b>	Seniors/Crafters Group		
<b>Dates</b>	02/11/2016- 25/10/2017		
<b>Location</b>	Kawakawa Bay Community Hall		
<b>Summary</b>	The Seniors crafting group gathers in the supper room of the hall to make clothing for underprivileged babies and children and also for hospitals and other institutions.		
<b>Cost of participation</b>	No		
<b>Requesting grant for</b>	We are endeavouring to obtain funding from the Franklin Local Board to help to cover some of the cost of the hall hire. This is currently \$44 per week and as the seniors supply all of their own materials the price now exceeds what they can afford. If we cannot obtain funding then the group will be forced to disband and everyone will lose a great asset.		
<b>Active participants</b>	12	<b>Audience size</b>	n/a
<b>Promotion of activity</b>	Yes, The crafters group put a column into the Kawakawa Bay Whispers and will be adding information to the Website. There is also an article going into the Pohutukawa Coast Times.		
<b>Local board recognition</b>	Signage and publicity in the Whispers and the Pohutukawa Coast Times. Signage in the Community Hall.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>Support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places, support initiatives that celebrate our arts, culture and heritage.</li> </ul> <p>The Seniors group supports the wider community by knitting/crocheting hats/booties/clothing for babies in hospitals and in underprivileged areas. They supply all of their own wool and materials. They also made over 100 poppies to celebrate Anzac day. It is a way of ensuring that the elderly residents can look out for each other and keep active and in touch.</p>

<b>Project title</b>	Franklin Ward Hall Hire		
<b>Dates</b>	23/01/2017- 22/12/2017		
<b>Location</b>	Bombay Scout Hall		
<b>Summary</b>	GGNZ is seeking funding support to assist with the high cost of hall hire in the Orakei ward. The term fees our members are charged no longer cover the total cost of programme delivery throughout NZ & the board of GGNZ has agreed to seek other funding options rather than fee increases to keep girls in the movement.		
<b>Cost of participation</b>	All members pay a term membership fee		
<b>Requesting grant for</b>	Venue hire. As part of our programme, GGNZ requires the use of halls and rooms to conduct activities. We are seeking support to assist with the venue hire costs.		
<b>Active participants</b>	24	<b>Audience size</b>	31
<b>Promotion of activity</b>	Yes, GGNZ is always seeking opportunities to promote our activities and programmes. We advertise via Google Ads, on social media, website, word of mouth and print media.		
<b>Local board recognition</b>	We can acknowledge your support via social media, on our website, in our annual review and leaders link publication.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places.</li> </ul> <p>GirlGuiding NZ enables girls and young women to reach their potential and make a difference in the world.</p> <p>GirlGuiding NZ provides interactive, adventurous and skills based activities for girls and young women aged 5 to 17 years old. As New Zealand's leading girl-only charity, GirlGuiding helps girls to develop skills, knowledge, values and a sense of adventure through an experiential learning, 'hands on' programme that is relevant to the interests of today's you, Guiding encourages girls to be active and contributing members of society.</p>

<b>Project title</b>	Franklin Social Services Collaboration		
<b>Dates</b>	01/11/2016- 31/01/2017		
<b>Location</b>	Franklin: The Centre, 12 Massey Avenue, Pukekohe 2120		
<b>Summary</b>	<p>Our activity involves ensuring Francoss (Franklin Council of Social Services) survives and thrives in the Community. Francoss is a pivotal organisation in our community that provides an effective and efficient way of social service providers in our area to stay informed and work together. Each month connections are made, information is gathered, strategies are implemented, and the future of our community continues to look brighter. There is scope to continue to grow and expand the organisation as interest and investment from providers continues to grow.</p>		
<b>Cost of participation</b>	Free		
<b>Requesting grant for</b>	<p>We are kindly requesting funding to pay our Administrator to organise meetings, record notes, maintain the database, prepare and send regular newsletters, keep service providers informed, liaise with other COSS organisations (including National body), organise training opportunities, maintain social media channels, attend to financial administration (including preparing end of year accounts and liaising with Auditor), maintaining Charities status and annual returns. We are able to keep most expenses to a minimum (including having no rent payable being based at Franklin Family Support Services, and minimal stationary expenses). This application will pay our Administrator for 3 months.</p>		
<b>Active participants</b>	350 service providers registered	<b>Audience size</b>	15000 (estimation) who receive services
<b>Promotion of activity</b>	<p>Yes, We regularly promote the organisation and our monthly meetings via our database of 350 service providers, our facebook page, and our local Franklin Grapevine.</p>		
<b>Local board recognition</b>	<p>We would acknowledge the local board's contribution on our facebook page, and in our monthly newsletter.</p>		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places.</li> </ul> <p>This funding will allow our organisation to continue to co-ordinate and facilitate the regular monthly meeting of Social Service Providers in our community. These meetings are invaluable in helping shape how social services are delivered in the Community. This regular communication and collaboration allow for more effective and efficient delivery, ensuring all of the providers are aware of other services offered, in addition to challenges commonly faced, identified shortfalls, and how to best minimise or remedy these. Working together gives those who are vulnerable in our community the best chance of an improved outcome.</p>

<b>Dates</b>	01/12/2016- 28/02/2017		
<b>Location</b>	6A Roulston Street, Pukekohe		
<b>Summary</b>	<p>Our website (<a href="http://www.familysupport.org.nz/">http://www.familysupport.org.nz/</a>) has reached the point that it no longer satisfactorily fulfils the growing needs of our community. On consultation with Razor Web design we were able to come up with a new format that is not only fresh, clean and modern, but also asks our readers the right questions to effectively move them towards the answers that are specific to their needs. The new software will also allow us to edit the site as and when required, ultimately saving our organisation money longer term (as we currently instruct an editor employed outside the organisation to complete this work).</p>		
<b>Cost of participation</b>	Free

Our organisation deals with approximately 12,000 members of the community each year on average. Our project that involves updating our website will ensure those who reach out online find the site more user friendly, making it easier to find the information and advice that they require. We aim for this to expand the number who we are able to assist, and as a result improve the outcomes for our community.</p>

<b>Local board recognition</b>	Through the support of the Franklin Local Board we would display the Council Logo on a visible area attached to the climbing tower structure and the Sonshine Ranch facebook site.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places.</li> </ul> <p>By offering low cost Adventure Programmes, young people benefit through overcoming fears, experiencing a sense of accomplishment, helping boost confidence, appreciation of nature and the outdoors, team building and supporting their peers and of course having plenty of fun in the process! These outcomes affect families, communities and schools by shaping young people to believe in themselves have a healthy and positive outlook of life and people around them.</p> <p>Upgrading the holds at the climbing tower means we can continue offering Climbing to many young people in Franklin and other parts of Auckland.</p>

<b>Dates</b>	01/01/2017- 31/12/2020		
<b>Location</b>	Kawakawa Bay, mostly along Kawakawa Bay Coast Road and the land adjoining that road.		
<b>Summary</b>	<p>We need to keep our 25+ volunteers safe and visible to the wider community when on a weka count or on the trap lines, hence the need to purchase high visibility vests in accordance with volunteer group health and safety guidelines. We need to learn what is going on in the wider weka habitat by employing an array of motion sensitive trail cameras. See Dr Beauchamp's statement. These cameras will help us understand more about weka behaviour in our environment, show us where the weka are and what predators are present in the environment, thus helping us measure the effectiveness of our trapping programme and augment our existing records.</p>		
<b>Focus specific information</b>	<p><b>Environmental benefits:</b> We will have a healthy and sustainable population of a one of New Zealand's endangered endemic flightless birds less than 70 km from downtown Auckland. Kawakawa Bay residents and visitors will have a greater awareness of one of New Zealand's national treasures.</p> <p><b>Community involvement:</b> The WekaWatch committee and members, the Kawakawa Bay Community Association, Birds New Zealand, and Forest and Bird members, and community members who volunteer for our annual count nights and who help walk the trap lines on a regular basis.</p> <p><b>Land owners:</b> Various residents at Kawakawa Bay, mainly the QE11 covenanted Woodhams Cotman bush and the Tawhitokino Farm Forest property., A continuation of previous work</p>

<b>Project title</b>	Love Your Coast Manukau 2017: education, community development and beach clean-up programme.
<b>Dates</b>	20/02/2017- 24/03/2017
<b>Location</b>	The clean-up events happen at multiple addresses / beaches around the Manukau Harbour, with education at multiple schools in the area. This event includes the entire Manukau Harbour coastline and local board jurisdictions
<b>Summary</b>	<p>Love Your Coast Manukau 2017 will see the Sustainable Coastlines team return to deliver free educational presentations and beach clean-up activities to schools around Auckland, with a focus on cleaning up the Manukau Harbour.</p> <p>We also offer free Presenter Training and Event Management workshops to secondary and tertiary students and community members, in an effort to educate and upskill community members, enabling them to become kaitiaki and take a leadership role in environmental restoration.</p> <p>We collaborate with tangata whenua, local marae, and local stakeholders, including businesses and churches and encourage everyone to get involved with the clean-up events.</p>
<b>Focus specific information</b>	<p><b>Environmental benefits:</b> Better water quality, reduced litter on the coastline and in the marine environment which leads to improved habitats for flora and fauna, opportunities to gather and eat kai from the Harbour and the coastline.</p> <p><b>Community involvement:</b> Everyone from the Franklin region can get involved with this project. LYC Manukau helps local communities to get to know each other, which helps us to broaden our reach and depth of engagement. We collaborate with schools, community groups, businesses and local authorities to achieve a shared goal to restore Franklin's coastline.</p> <p>LYC builds community – by working together with other community groups (like the Franklin-based New Zealand South Pacific chapter of Kiwanis International, led by Megan Allan who managed the Clarks Beach clean-up last year) helps us to create community networks by uniting people over a common cause.</p> <p><b>Land owners:</b> The people of Aotearoa New Zealand., A new initiative</p>
<b>Cost of participation</b>	Although we are a not-for-profit organisation, we are happy to offer the LYC programme free of charge for everyone (including the LYC school education programme, Ambassador training programme, beach clean-up activities). Schools need to cover the cost of bus transport to and from beaches. This is why we seek financial support from local boards: so that we can continue to deliver our high quality service to communities around the Franklin region / Manukau Harbour.
<b>Requesting grant for</b>	In the past, some schools have not been able to attend the practical clean-up activity because of cost, so we would like to remove this barrier to participation and seek funding for buses to take students to the beach.

	This adds value to the Franklin community because schools can take their students to the beach without cost being a prohibitive factor. Further benefits is that the education component (offered free to schools) is bolstered by the clean-up activity, cementing our message and creating kids who refuse single use plastic and become guardians of their coastline.		
<b>Active participants</b>	7000+	<b>Audience size</b>	7000+
<b>Promotion of activity</b>	<p>Yes, Since 2009, we have developed a database of schools, community members and businesses. We will promote the project to these networks, along with our highly engaged online and social media audience of over 21,500 people.</p> <p>Our strong relationships and proven track record with media outlets will be leveraged to promote LYC Manukau, through interviews and editorial coverage in newspapers, magazines and on radio.</p> <p>Click here for our media overview: <a href="http://sustainablecoastlines.org/media/media-overview/">http://sustainablecoastlines.org/media/media-overview/</a></p> <p>Online event promotion through Sustainable Coastlines, Eventfinda, Facebook and events sites will be supplemented with advertising through Google Adwords, Facebook advertising and charity-filler space tiles on sites such as TradeMe.</p>		
<b>Local board recognition</b>	We recognise this support through logo placement on social media, event pages, media, offering speaking opportunities for local board members, direct promotion of key local board objectives on request, flags/signage and mention of support at public events.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places, encourage activities that reduce waste to landfill, prevent illegal dumping and preserve the beauty of our environment, support community initiatives to enhance waterways and the coastline, including as beach clean-ups and planting, , , communities care for and enjoy our parks, reserves and open spaces in different ways, innovative initiatives that are community-led , our streams, beaches and coastline are cared for and provide recreational and cultural and environmental benefits , activities that are aimed at advancing our young people and make it easier for them to get active and be involved, initiatives that aim to protect and restore our natural heritage and resources, activities that keep our local economy thriving, parks and facilities that meet people's needs, healthy harbours and waterways, thriving communities,</li> </ul> <p>Love Your Coast Manukau (LYC) is Sustainable Coastlines collaborative campaign to clean-up the Manukau Harbour.</p> <p>LYC is a community-led initiative which supports schools, marae, businesses and community groups in Franklin to preserve the beauty of the Manukau Harbour.</p> <p>LYC educates students about activities which reduce waste to landfill. Outcomes including improved littering and illegal dumping behaviour.</p> <p>LYC supports community groups to be effective contributors to the community, by upskilling them in presenter training and event management.</p> <p>LYC beach clean-ups create kaitiaki who can shape and develop the natural environment by leading practical environmental restoration activity., , , Love Your Coast Manukau (LYC) encourages communities to care for our parks, reserves and open spaces in a collaborative, cross-sectoral way.</p> <p>LYC is innovative in that we focus on education and practical activity, and make</p>		

	<p>it a fun celebration.</p> <p>By empowering community members (including school students, marae, community groups and local businesses) to take action, we encourage communities to take responsibility for and be kaitiaki of their natural environment.</p> <p>LYC focuses on practical beach clean-up activities, where volunteers aged 2 to 102 are welcome to show some love for our beaches, coastlines, estuaries and nearby streams., Love Your Coast Manukau (LYC) includes practical beach clean-up activity for students. This advances young people by encouraging them to care for the natural environment, and ensures they get active by walking the coastline, picking up trash (and treasure!).</p> <p>We encourage students to bring their whanau and friends to a public clean-up day - everyone can get involved with this initiative to protect and restore the natural heritage and resources of the Manukau Harbour. This has positive economic impacts in terms of public health and wellbeing, and the economic benefits of a clean harbour (e.g tourism, fishing, gathering kai)., Nobody wants to go to the beach and see it littered with rubbish. Love Your Coast Manukau (LYC) helps communities to help themselves, by educating them about the perils of plastic pollution and marine debris, and offering a simple, practical solution: beach clean-up activities.</p> <p>By cleaning up the coastline and the surrounding parks / recreational areas, we are creating a healthy harbour and waterways: places where people want to come in their leisure time.</p> <p>If public areas are beautiful, this turn creates thriving communities who come together to meet in common areas.</p>

The awards have three competitions - Dairy Trainee, Dairy Manager and Share Farmer of the Year. Entrants must display to a judging panel that they follow good farming practises at all time - covering areas such as enviroment, community involvement, health and safety, and communitiy leadership roles. The competition encourages entrants to undertake more training and constantly upskill themselves, and their employees, which benefits both the industry and community at large, The Auckland Hauraki Dairy Industry Awards Dinner (a formal function) is the highlight of the dairy farming calendar. All events held are smoke free. Dairy farming has long been a thriving industry in the Franklin area and is a large provider of employment. The Awards dinner, to be held on 09.03.2017, is the only annual event where farming families, employers and rural professionals from our region come together to celebrate farming, and the successes of the entrants and our industry. All entrants must display an indepth understanding of sustainability - both financially and</p>

<b>Project title</b>	New Zealand Polocrosse Under 16 and Under 21 National Championships		
<b>Dates</b>	19/01/2017- 22/01/2017		
<b>Location</b>	588 Glenbrook Road Patumahoe		
<b>Summary</b>	The Counties Polocrosse Club is hosting the New Zealand Polocrosse U16 and U21 National Championships. Six players from the two age groups are selected to represent their Provincial Associations at the Championships. There are also overseas age group players that play in the teams and often make up an invitational team in each grade. Currently the Auckland Association (made up of only the Counties Club) are the defending champions in both age groups.		
<b>Cost of participation</b>	Representative Provincial Teams pay \$240 per team and players in the supporting carnival pay \$50 per person		
<b>Requesting grant for</b>	We are seeking funding for the Cost of providing a St Johns Ambulance and Paramedic on site for the duration of the competition playing time		
<b>Active participants</b>	150 to 180 players plus approximately 50 Coaches Managers and support people plus parents and spectators	<b>Audience size</b>	300 -500
<b>Promotion of activity</b>	Yes, We will be advertising the event in the Franklin News. Distributing Flyers and Posters to Local Pony Clubs, Equestrian Stores and other retailers. The NZ Polocrosse Website will have the event promoted as will the Counties Polocrosse Website and Facebook pages. We are also speaking with Radio Sport and the SkyTV Show The crowd goes wild to do a story on the event.		
<b>Local board recognition</b>	The Franklin Local Boards support will be advertised on all promotional material and websites as well as signage and flags at the event and at the main gate. The PA at the event will also be regularly announcing and thanking the sponsors. We would also like to have the event officially opened by the Local Board Chair or Councillor if at all possible.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• Support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places.</li> <li>• Support initiatives that celebrate our arts, culture and heritage, work with local partners to help to make the community feel safe</li> <li>• Encourage smoke-free events, particularly those targeting children, young people and their families.</li> <li>• Support events that celebrate our distinctive local communities and enable people to come together.</li> <li>• Support events which encourage visitors to spend more time in Franklin as a destination.</li> </ul> <p>The funding will help support the sporting event that attracts participants from the local area and further afield. We have a strong rural and sporting heritage in the area and this sport encompasses that rural flavour as it is played extensively by farming and rural based families.</p>		

	Members of the Counties Polocrosse Club come from Hunua, Clevedon, Drury, Patumahoe, Bombay, Pukekohe and Waiuku. As a local sporting organisation we try to ensure that our events are run well and engage the support of local business for sponsorship and not to rely on or expect on going Council funding., The sports caterers for the active participation of players aged 5 to 75 with three generations often playing together. Visiting players will stay on site for 3 to 5 days and shop locally and engage the services of equine support business i.e horse feed suppliers, farriers Vet's etc. There is high youth participation and we encourage healthy lifestyle choices and support Smokefree. The Sport and Counties Club is predominately a self-funding organisation seeking assistance from sponsors however with the hosting of National events additional support is needed to safely host the event.

### Project details

<b>Project title</b>	Waiuku Children's Fun Day		
<b>Dates</b>	04/03/2017- 04/03/2017		
<b>Location</b>	WCF, 3 James Bright Lane, Waiuku		
<b>Summary</b>	This will be a fun and active family day out for the local community which targets families with children of primary school age and under. We will work with local schools, community groups and businesses to make this a self-sustaining event as we build on the success of last year. We also hope that it will raise valuable funds for our Toy Library.		
<b>Cost of participation</b>	Donation/koha		
<b>Requesting grant for</b>	By covering the basic costs of our event we are able to ensure that the Toy Library is not put at a financial risk. This will include advertising, entertainment (Face painting/bouncy castle), toilet provision and other costs relating to the event such as medals and marking out the race track. It will not include venue hire.		
<b>Active participants</b>	50	<b>Audience size</b>	150 - 300
<b>Promotion of activity</b>	Yes, Facebook, fliers to local schools and early childhood centers, local newspaper, signage and posters, events websites, Children's Day website, promotions through local community groups.		
<b>Local board recognition</b>	Logo on our posters, advertisements and all electronic advertisements. On the day through announcements and in any coverage in local papers.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places, support events that celebrate our distinctive local communities and enable people to come together, support events which encourage visitors to spend more time in Franklin as a destination, support events that aim to be financially sustainable and become a regular and celebrated part of the Franklin event calendar.</li> </ul> <p>Following on from our successful Bike and Ride On Race Day in February this year, we are looking to expand this event to make it into a local Children's Day Event in partnership with other local community groups. The day will follow a similar format as last year with a focus on getting children active, bringing families together and celebrating our local community. Waiuku has a great community spirit and there are many great events during the year; however, there are not currently any events to mark Children's Day. This event will encourage local families to spend the day together whilst also bringing together local businesses and community groups raising funds for them and the Waiuku Toy Library.</p>
