

Thanks Auckland Council

21/11/16

Dear Auckland council local board,

On behalf of the 2016 hunts course children I want to take this moment to thank you for your kind sponsorship in helping us get off island for our final hunt. Your funding and support has enable us to put our months of learning into these amazing memories.

I have made some absolutely priceless memories that I will treasure for ever. I was even able to bring meat home to my family. You kind deeds has left all the 2016 hunt children with unforgettable memories.

I have always wanted to participate in the hunts course. Doing the hunt course was the greatest course anyone could ever do.

I am honoured to thank you for all your kind support you have given us. Without your support none of the course would have happened and for that I am truly thankful.

Sincerely Emma Watts
