Project details

Project title	Attitude Life Skills Training Presentations at Hibiscus Coast and Bay High Schools		
Dates	01/02/2017 - 30/11/2017		
Location	Assembly halls and classrooms at 4 Hibiscus Coast and Bay High Schools: Kingsway School, Long Bay College, Orewa College and Whangaparaoa College		
Summary	<p>This youth development programme will equip approximately 5000 students with life-skills to make informed choices and negotiate their teenage years in a safe and positive way. The main objectives of the Attitude programme are to encourage mental & emotional resilience and help prevent youth suicide, teen pregnancy, drug & alcohol abuse and low self-esteem - some of the main issues NZ young people are struggling with today. Students are empowered to reach their potential, make good decisions, recognise they have a voice, and contribute towards making their community a safe place. Presentations and handbooks have been requested by Kingsway School and Long Bay, Orewa and Whangaparaoa Colleges.</p>		
Cost of participation	If we are unable to fundraise for all costs we ask schools to donate a koha for our presentations, though as schools budgets are limited this is not always possible.		
Requesting grant for	If successful this grant will be used to contribute towards the cost of delivering 24 mental health presentations @ \$200 each to approximately 5000 students who attend six high schools in the Hibiscus and Bay local board area in 2017 plus provide 830 Year 10 students with a copy of our Hardwired (drug & alcohol education) handbook @ \$1.55 each.		
Active participants	5000	Audience size	5000
Promotion of activity	Yes, We promote our Attitude Programme for Schools on our website (www.attitude.org.nz) and Facebook page (www.facebook.com/attitudeforschools) and spend a lot of time cultivating relationships with schools. Our Attitude team have existing relationships with contacts at all the schools in the Hibiscus & Bay local board area, which they continue to maintain and develop this year.		
Local board recognition	Auckland Council Hibiscus & Bay local board's support will be publically acknowledged in The Parenting Place's annual report and on The Parenting Place website (www.theparentingplace.com). We also let the schools know where the funding for their presentations comes from.		
Alignment with local board priorities	<ul style="list-style-type: none"> • youth education and training opportunities <p>This request is for funding to deliver our Attitude programme to high schools in</p>		

	the Hibiscus and Bays local board area in 2017. The Attitude programme develops young people by teaching them how to make good decisions and inspiring them to implement these decisions. Through our range of presentations and resources we teach young people how to engage with and solve problems, how to cultivate healthy self-esteem and good mental & physical health, how to keep safe, and how to understand and improve relationships. Families and communities benefit as young people are given tools to become mature, responsible, healthy and contributing individuals

Project title	Recognising and engaging street leader volunteers in East Coast Bays		
Dates	01/12/2016 - 30/11/2017		
Location	Our manager is based at the Browns Bay Police Station and visits the homes of street leaders across the East Coast Bays area		
Summary	Neighbourhood Support North Shore actively enlists and supports local volunteer street leaders, who then connect with their neighbours and share safety information, in order to promote safer, more inclusive communities. We have 320 active street contacts across the North Shore, and set up approximately 50 additional street groups per year. We send out weekly safety updates and monthly newsletters, support street set-ups and gatherings, and also host Social Safety Evenings with residents and local businesses across the Shore.		
Cost of participation	No		
Requesting grant for	In the past year we have focused on growth and setting up new groups, but have not had time to visit current/ ongoing group leaders and street groups. We are requesting funding to enable our vibrant NSNS Manager to visit our current street contacts in the East Coast Bays area, and present a small thank-you gift, as a way of reconnecting, re-engaging and acknowledging their efforts.		
Active participants	5169 active members, including 320 local leaders	Audience size	80 street leaders to meet 1-on-1 in East Coast Bays
Promotion of activity	Yes, We promote ourselves via the Neighbourly website, emails to current members and street leaders, and by attending and participating in community events.		
Local board recognition	Place the local board's logo on our website		
Alignment with local board priorities	<ul style="list-style-type: none"> opportunities for youth, seniors and migrants to participate <p>Our priority is connecting the diverse communities of the North Shore, in order to make our neighbourhoods safer and to improve inclusion and wellbeing. We actively facilitate participation and local leadership in the Hibiscus and Bays area by all residents including youth, seniors and migrants. Project title	Purchase of cat cages for trapping, movement and display of cats for adoption		
Dates	12/12/2016 - 30/06/2017		
Location	Hibiscus Coast, Silverdale and Orewa areas		
Summary	Volunteers work in the areas above to trap and rehome unowned cats. Their work involves setting traps, transporting cats and rehoming cats. We operate a heavily subsidised desexing and micro chipping programme (past 4 years, no funding from local government, purely self-funded) but do need the cage infrastructure to display cats for adoption, capture and transport the cats and kittens. Our cages are also lent out to members of the public who wish to capture stray cats.		
Cost of participation	No		
Requesting grant for	The purchase of two (brand = KONG) cat cages		
Active participants	Based on our current use of cages (5 cages) these are continually out for use, therefore approximately 250+ participants per year	Audience size	Traps usage=250 households per annum, educational activities we do = wider area coverage
Promotion of activity	Yes, Catsncare has an active website (www.catsncare.org.nz) and facebook page (over 1000 followers) - we use these to promote the desexing of non-domesticated cats.		
Local board recognition	We can acknowledge any funding from the local board via our facebook or website plus we are often in the local papers talking about specific situations or cats and use that medium to acknowledge generosity		
Alignment with local board priorities	<ul style="list-style-type: none"> provide opportunities for place-shaping and identify what contribution you are making to the project within the local board area <p>Placeshaping is the process of many activities coming together to create an environment where people want to live. Catsncare believes that no community wants to have ongoing issues with an out of control unowned cat population. Funding from HBLB would assist Catsncare to provide traps for the capture of unowned cats. The cages would also be used to display cats and kittens for adoption at our monthly Adoption days</p>

Project title	Spoken Word Poetry Workshops In Hibiscus & Bays area		
Dates	01/11/2016 - 30/04/2017		
Location	Schools in the Hibiscus & Bays Local Board Area		
Summary	<p>Our project involves presenting two hour, structured Spoken Word poetry workshops at schools in the Rodney Local Board area. There is no cost to the students or the schools.</p> <p>Spoken Word poetry (also known as performance poetry) is increasingly being recognised as an incredibly effective way for young people to reflect on and share their experiences, express themselves and use their voice for change.</p> <p>The workshops are held at local schools with 20 to 30 students aged 15 to 18 for each workshop. Participation in the workshop will introduce participants to spoken word poetry, have them gain writing and literacy skills, build their confidence and self-esteem through self-expression and generally ignite an interest in learning.</p>		
Cost of participation	There is no cost to the students or the schools		
Requesting grant for	We are requesting funding of \$2,000 to cover the cost of running 10 Spoken Word Poetry workshops to be held at schools in the Hibiscus & Bays Local Board area. Each workshop costs \$200. The workshop is a structured two-hour session for 20 to 30 students that encourage full participation. There is no cost to the school or students.		
Active participants	300	Audience size	300
Promotion of activity	Yes, We will promote our programme by direct contact with the secondary schools in the area.		
Local board recognition	We will publicly acknowledge the local board at each of the 10 workshops, on our website and in our annual report.		
Alignment with local board priorities	<ul style="list-style-type: none"> opportunities for youth, seniors and migrants to participate <p>We run Spoken Word Poetry workshops for young people at local secondary schools. Project title	Funding for an Automated External Defibrillator for Mairangi Bay Tennis Club		
Dates	01/12/2016 - 02/12/2016		
Location	63 Maxwellton Drive, Mairangi Bay, Auckland, 0630		
Summary	Currently, the closest AED to the club is at the Mairangi Bay Bowls Club. The time taken to retrieve the AED from the bowls club in an emergency is something the committee believes could be fatal and so the committee has decided that purchasing an AED would be of significant benefit. Unfortunately, the club is also in the process of gathering funds to resurface three courts, at a cost close to \$60,000 and so have little funding to purchase the AED.		
Cost of participation	No		
Requesting grant for	The club is requesting funding for the purchase of an Automated External Defibrillator.		
Active participants	500	Audience size	500
Promotion of activity	Yes, We plan to inform all members of the club through the weekly newsletter and any visitors to the club through our health and safety briefing.		
Local board recognition	We will inform members through the weekly newsletter and visiting players when we go through the health and safety briefing		
Alignment with local board priorities	<ul style="list-style-type: none"> provide sporting opportunities and encourage the community to be more active in recreational areas <p>The Club provides playing facilities for club members and provides playing facilities for individuals from around the region and the country when hosting interclub matches and tournaments. Currently, the Mairangi Bay Bowls Club has an AED (Automated External Defibrillator) and this is the closest AED to the tennis club. Due to significance of having quick and easy access to an AED and that the population of the club is aging, we believe there would be a large benefit to club members and, therefore, the community, to have an AED available at the club</p>

Project title	North Shore CMA Building Resilience for Seniors in our Community.
Dates	01/01/2017 - 30/06/2017
Location	Albany CMA - Albany House, 575 Albany Highway, Albany Belmont CMA - The Rose Centre, School Road, Belmont Birkenhead CMA - Northcote/Birkenhead Rugby Club, Recreation Drive, Birkenhead Glenfield CMA - War Memorial Hall, Hall Rd, Glenfield Mairangi Bay CMA - Presbyterian Church Hall, Penzance Rd, Mairangi Bay Sunnynook CMA - Sunnynook Community Centre, Sunnynook Rd, Sunnynook Red Beach CMA - Methodist Church Hall, 76 Red Beach Rd, Red Beach Stanmore Bay CMA - Stanmore Bay Community Centre, Wairoa rd, Stanmore Bay.
Summary	Our centres open weekly and offer a community activity programme to isolated older persons. Our focus is on social participation and maintenance of strength and mobility through activities relevant to their needs and abilities, with a focus on building resilience. Our emphasis is to enable our 'guests' to remain as independent as possible and re-integrate them into their local communities.
Requesting grant for	Towards operational costs for two Mutual Aid centres for isolated older people between Jan 2017 - December 2017
Project rationale	New Zealand's population is ageing. Between 2011 and 2021 the elderly population is projected to grow by about 200,000 and in the following ten years by 230,000. (Ref: Statistics NZ Website) The number of people aged 65+ has increased by more than 16% in the past six years and is estimated to double by 2031. (Ref: Devonport - Takapuna Local Board Plan) Longer life expectancy combined with the dynamics of modern day family life mean more senior people are living alone and often away from the support of family. This is resulting in increased social isolation for this sector of the community.
Community benefits and how will you know you have achieved them	Building Resilience for Seniors in the Community benefits the community as it reduces social isolation leading to people having more fulfilled lives and improved health. This enables them to care for themselves in their own home for longer thereby reducing the burden on healthcare services and other community agencies. We know we achieve this from positive feedback from our guests collected via an annual survey. This is undertaken to ensure our service remains up to date and relevant to the people who need it most.
Expertise in delivering this project	CMA has been operating its' services for more than 50 years. We have well trained, committed supervisors who have been with CMA for many years. Our supervisors are ably supported by enthusiastic volunteers from many walks of

	life and cultures with a varied range of experiences to share. Professional training for both supervisors and volunteers is conducted annually on a variety of relevant topics. Our voluntary board is very experienced with a vast range of knowledge to contribute. Due to past and current connections we work very closely with Age Concern and share knowledge.		
Active participants	250	Audience size	250
Promotion of activity	We have a brochure detailing our services that is widely available to our target community from the WDHB, other healthcare providers and the CAB as well as from the community centres that we operate in. We advertise in local community papers in the communities where we provide our services. Once they have finished with their newsletter we encourage our guests to pass it onto friends and family or leave it in the waiting rooms of service providers i.e. doctors, dentists etc. for others to enjoy and become aware of our service and what it offers.		
Local board recognition	We will acknowledge Auckland Council and the relevant Local Boards on our website, in our quarterly CMA newsletters and at our AGM. We also let our members know who we have received funding from for specific purposes. Additionally we have set up a Facebook page which we intend to be an active form of social media for us and this is another avenue for us to publicly acknowledge and thank the Local Boards for their support. We have put each local board's logo on our website and Facebook page.		
Alignment with local board priorities	<ul style="list-style-type: none"> • Neighbourhoods and community-led initiatives are supported and encouraged • Safe and Supported Communities <p>We can help you to achieve this goal by ensuring that there is a regular, appropriate, well run and well established programme to support isolated and vulnerable older persons in the community.</p> <p>One of the main priorities of our services is to provide social interaction and re-integrate older persons back into our local communities, ensuring that older persons can live in place for longer with less hospital admissions and better quality of life. For many of our guests this is the only social interaction they have and is a much valued aspect of their week.</p>
