

Draft Ōtara-Papatoetoe Local Board Advocacy List 2017/2018 Annual Plan

November 2016

Initiative	Why is it a priority?	Advocating to	Funding Implications and Options
Refurbish and build new community and sports facilities.	<p>Advocate for funding to support the building of local sports and community facilities through the 10 year Budget that aligns with the Community Facilities Network Plan principles and Sports Code Facility Plans:</p> <ul style="list-style-type: none"> • Ngati Otara Park multisport facility and marae • Papatoetoe and district museum and arts facilityKolmar Sports Centre • Manukau Sports Bowl – development for athletics 	The governing body	Funding required, however the board will continue further discussions on how funds are achieved
Advocate to support this board to pay the interest on borrowing for Colin Dale Park's earthworks.	<p>Advocate to fund the interest paid on the earth works for his project. This would reduce liability if successful.</p>	The governing body	Discuss with the governing body what funding or alternative options are available to support this project.
Minimise the impact of alcohol related harm in our local community by requesting policy reviews to the district licensing committee model	The DLC model is not improving the alcohol fuelled harm in the local area. The board will continue to support the community in the alcohol objectives hearings.	The governing body	No funding required to review the DLC model
Support policies to limit pokie machines, Psychoactive substances shops, and support Smokefree Programmes	The board will continue to provide input into relevant liquor, gambling psychoactive substance and smoking policies, and continue to advocate for 'Sinking Lid' policies for pokie machines, limits on psychoactive substances shops, and Smokefree programmes.	The governing body	Co-funding agreements with Health providers, and other groups that support Minimising pokie machines and Psychoactive shops; support Smokefree Programmes
Manage the impact of street prostitution on the wider community	Ongoing advocacy.	The governing body	No funding required at this stage, as this policy needs to be reviewed in light of the local bill being rejected.

Initiative	Why is it a priority?	Advocating to	Funding Implications and Options
Improve water quality of the harbours and support Manukau Harbour Forum and Tamaki Estuary Forum and Ōtara Lake Remediation	It may include an Investment Proposal to the GB to request planning/research funds to develop the innovative ideas included in this document. Ask GB to prioritise the remediation of Otara Lake, and improve the water quality of the lake, and streams flowing into the lake. Also ask GB to improve the regional Waste Management and Watercare programmes in this local board area	The governing body	Identify external funds to improve water quality and remediate the Otara Lake.
Support the inclusion of affordable housing in the local area	Work with potential developers and council with a focus on achieving a better urban design, as well as providing affordable housing within the development mix.	The governing body	No funding required. This will be actioned through dialogue with stakeholders.
Improve youth employment and training opportunities for young people	To promote and secure funding, for all young people under 25 to be engaged in appropriate education, training, work or positive activities in our communities. Recognising that in a global labour market our young people are a valuable world resource and that they want to use their skills and talents to improve our communities.	The governing body	Maintain current funding partners, and seek governing body input to scope opportunities for more funding and within the council family
Better local road intersections and other transport issues	<p>Advocacy and submissions through the statutory transport planning documents and long term plan:</p> <ul style="list-style-type: none"> • Intersection upgrade – Ormiston Rd/Preston Rd/East Tamaki Rd • Realignment – St. George/Kolmar Rd/Wallace Rd • Papatoetoe town centre – Shirley /Station Bypass; • Park and Ride - Puhinui. 	Auckland Transport	No funding required. Continue discussions with AT to prioritise in the Regional Land Transport Plan.
Promote Transform Manukau	Promote the Transform Manukau project to create an exciting and vibrant lifestyle and business centre that people visit as a destination of choice. Panuku Development Auckland to identify and coordinate current and future developments in this area, in collaboration with other relevant stakeholders.	Panuku Development Auckland	No funding required. This will be actioned through dialogue with stakeholders.
