14th November 2016

Proposed Re-amended Budget for Otarā Senior Citizens Xmas Celebration 2016

Budget		
Lunch (Fortuna)	\$30 x 125 people	\$3,750
Buses (2)	Return	\$800
Gifts (lollie lays, individual gifts)	\$10 x 125	\$1250
Total		\$5,800

A tentative booking for Fortuna, SKYCITY for the 8th December 2016 has been made as well as quotes on cost of buses obtained.

ONAC is looking to involve a church youth group (at no cost) to assist our senior citizens on the event they will also look to do the gifts as a Xmas thank you.

The OPLB are factored into the promotion and attendance at the event and will have speaking rights with ONAC on the day.

ONAC will have a focus on its two Senior Citizens homes in its area but is looking to have specific allocations for 0/65 years according to Otarā's population and spread. We want to include more Maori and Pacific Island in this event which will require a more targeted approach that will be open to all Otarā residents who fit the criteria.

ONAC will ensure all health and safety matters are addressed.
