#### Project details

<b>Project title</b>	Rehearsals for La Bourrée French Regional Dancers - community performance group		
<b>Dates</b>	07/02/2017 - 21/11/2017		
<b>Location</b>	641 Remuera Rd, Remuera		
<b>Summary</b>	This group has two community purposes: it presents French traditional dance in the city's festivals and in other public settings throughout Auckland. And it promotes and teaches multicultural dancing for children, with school visits. Both involve learning new repertoire, rehearsing programmes and developing strategy together.		
<b>Focus specific information</b>	<b>Type of art form:</b> Dance		
<b>Cost of participation</b>	No, except that we dancers will have to find the rent money ourselves if there is no grant - as is happening this year.		
<b>Requesting grant for</b>	Rehearsal space for 2017, needed most Tuesday mornings between early February and the end of November. Needs a good timber floor. Using Remuera Baptist Church Hall, whose rent has recently been raised to the still very reasonable price of \$20 per morning.		
<b>Active participants</b>	10	<b>Audience size</b>	Many hundreds, perhaps thousands
<b>Promotion of activity</b>	Yes, Auckland Council's event organizers and ATEED know about us - Rae is in frequent co-operation with them, and with others in Historic Places Trust, Auckland Multicultural Society, Alliance Francaise, and a network of organizations such as Chinese and Indian ones who mount international festivals or special-audience events. The big annual folkdance community's extravaganza Winter WarmUp publicizes the high performance quality and fun of la B among about 16 varied ethnic dance groups. Most direct-to-the-public publicity is done by those organizations, and the relevant activity is publicized in the Auckland folkdance club's magazine, the Folkdance NZ's magazine and website, and sometimes EventFinda.		
<b>Local board recognition</b>	We can gladly invite local board members to events - such as the great Winter WarmUp - and can acknowledge the board's contribution in the Ruritanian Roundabout (the international folkdance club's quarterly magazine) which I (Rae Storey) edit and the ATEED staff receive a free copy of.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• an active and healthy local community,</li> <li>• local arts and culture programmes ,</li> <li>• interpretative historical and cultural recognition</li> </ul> <p>We as a group explore and practise the inherited and still developing regional dance and music cultures of France and of French Canada. We perform in those traditions, costumed appropriately, for Auckland audiences of all ages, and we also give others the opportunity to join in French dances with us, to French music.</p>

## Demographics

<b>Maori outcomes</b>	No,
<b>Accessible to disabled</b>	Yes, We have run multicultural dancing sessions at Mt Richmond and Arohanui Special Schools many times in past years, and at other gatherings of people with special needs, and we respond readily to requests. We need to prepare and rehearse for these sessions. Participation in the group's current performing is not practical, though it could be developed if that seemed useful and viable.

<b>Location</b>	Schools in the Orakei Local Board area		
<b>Summary</b>	<p>Our project involves presenting 10 two hour, structured Spoken Word poetry workshops at schools in the Orakei Local Board area. We have worked with Selwyn College previously and they were the winners of our 2015 WORD The Front Line poetry competition. We would like to do more workshops at Selwyn as well as develop our programme with Glendowie College, Baradene and Sacred Heart Colleges.</p> <p>Spoken Word poetry is increasingly being recognised as an incredibly effective way for young people to reflect on and share their experiences, express themselves and use their voice for change.</p> <p>Participation in the workshop will introduce participants to spoken word poetry, have them gain writing and literacy skills, build their confidence and self-esteem through self-expression.</p>		
<b>Focus specific information</b>	<b>Type of art form:</b> Combined arts		
<b>Cost of participation</b>	There is no cost to the students or schools		
<b>Requesting grant for</b>	We are requesting funding of \$2,000 to cover the cost of running 10 Spoken Word Poetry workshops to be held at schools in the Orakei Local Board area. <b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• local arts and culture programmes ,</li> <li>• enabling residents and community groups to have a voice</li> </ul> <p>We run Spoken Word Poetry workshops for young people at local secondary schools. Spoken Word poetry is increasingly being recognised as an incredibly effective way for young people to reflect on and share their experiences, express themselves and use their voice for change. This programme very much fosters a thriving community – it's held in the communities in which these young people live. It allows participants to gain confidence, develop a healthy self-esteem, build resilience and connect with others - all of which are hallmarks of a community celebrating, learning and growing through this art form.</p>

<b>Cost of participation</b>	If we are unable to fundraise for all costs we ask schools to donate a koha for our presentations, though as schools budgets are limited this is not always possible.		
<b>Requesting grant for</b>	If successful this grant will be used to contribute towards the cost of delivering 48 mental health presentations @ \$200 each to approximately 4000 students who attend six high schools/middle schools in the Orakei local board area in 2017 plus provide 800 Year 10 students with a copy of our Hardwired (drug & alcohol education) handbook @ \$1.55 each.

We are a community run club that was started in January 2016, and its purpose is to make dog training fun and bring like-minded people together in our community. There is no other dog training club in the area, the closest one is 40 minutes drive. The way we run our classes is inclusive of all ranges of fitness and physical abilities, encouraging fitness in the outdoors whilst having fun doing so</p>

<b>Project title</b>	Purchase digital talking books for the Blind Foundation Library		
<b>Dates</b>	01/01/2017 - 30/06/2017		
<b>Location</b>	4 Maunsell Road, Parnell - library content is provided directly to library users in communities nationwide		
<b>Summary</b>	<p>The most highly regarded service of the Blind Foundation is the library which has over 10,000 titles in its collection. Last year 4650 users of this free service borrowed 616,410 items. Feedback anecdotally and via the library user survey consistently shows a high demand for more New Zealand titles, more topical subjects and more recently published books in a wide variety of genres. Access to books is a lifeline for people who have lost their sight and now have much more unstructured time available due to their inability to continue with sport, arts and hobbies and potentially their former employment.</p>		
<b>Cost of participation</b>	No		
<b>Requesting grant for</b>	<p>While the Blind Foundation funds the library as a core operational service, the purchase of talking books is dependent upon funds raised. The Foundation applies to many trusts and local authorities across New Zealand seeking a contribution. Each donation enables the growth and currency of the national library collection, providing equitable access to a large repository of books for members of the community with low vision that the public library has limited ability to serve. Last year 4,650 users borrowed 616,410 items. Each book added to the permanent collection costs approximately \$500-1500 with multiple licences purchased allowing many concurrent borrowers.</p>		
<b>Active participants</b>	247 members in Orakei	<b>Audience size</b>	4,650
<b>Promotion of activity</b>	All new members of the Blind Foundation are provided information on the services available		
<b>Local board recognition</b>	Acknowledge in the annual report. To be recognized on Blind Foundation website and in social media channels.		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• an active and healthy local community,</li> <li>• enabling residents and community groups to have a voice</li> </ul> <p>People with vision loss find themselves unable to continue participating in former recreational pursuits and often employment. This creates greater amounts of leisure time with less options. As they withdraw from society, people with sight loss become more isolated and this often leads to depression. Reading is a lifeline that eases feelings of isolation, provides stimulation and lifelong learning.</p> <p>Without accessible reading material blind people are not able to explore current issues, develop informed opinions and have a voice. The Blind Foundation library enables people with low vision and blindness to keep up to date and be engaged in society.</p>

<b>Project title</b>	21st NZ Scout Jamboree		
<b>Dates</b>	29/12/2016 - 07/01/2017		
<b>Location</b>	Renwick Domain, Blenheim		
<b>Summary</b>	<p>Scouts aged between 10 to 14 years are eligible to attend Jamboree. A Jamboree is held once every three years and most scouts will have one opportunity to attend as a scout. Jamboree is the longest and largest scout camp and will be one of the highlights of their time at scouts. Throughout 2016 scouts, with guidance and assistance of parents have been fundraising towards the cost of attending. Fundraising projects have ranged from selling chocolate and first aid kits to manning sausage sizzle stands, making and selling cheese rolls, baby-sitting and hosting movie nights at our scout hall. It is good for scouts to learn that working hard at fundraising will bring rewards in enabling them to attend Jamboree.</p>		
<b>Focus specific information</b>	<p><b>Event rain dates:</b> None specified  <b>Event producer/contractor/3rd party:</b> Scout Association of NZ</p>		
<b>Cost of participation</b>	\$1850 per youth scout. 20 scouts attending so \$37,000		
<b>Requesting grant for</b>	<p>We are sending 20 youth scouts and 6 adult leaders. Costs of attending Jamboree are significant, \$1850 per scout, which also subsidises the cost of the leaders. Leaders are only charged \$200 because it is felt they are giving up their time to attend and supervise during their summer holidays. To date fundraising totals \$10,300. We wish to request funding assistance of \$3000 to help with the costs of attending per scout and ease the burden of fundraising.</p>		
<b>Active participants</b>	20 scouts plus 6 leaders	<b>Audience size</b>	20 scouts each with a parent who is involved in fundraising
<b>Promotion of activity</b>	<p>Yes, Community networks - 20 scouts attending and we have asked each scout to promote awareness amongst their family, wider community so as to encourage support of our fundraising</p>		
<b>Local board recognition</b>	<p>We will notify our whole scout group and their families in a newsletter / email. We will also invite a representative of Orakei Local Board to attend one of our meetings to present this contribution to our Scout Group whereupon a photo will be taken which we will send to East &amp; Bays Courier to publish in the milestones section along with a caption that the contribution was gratefully received.</p>		
<b>Alignment with local board priorities</b>	<ul style="list-style-type: none"> <li>• community-led projects and activities ,</li> <li>• an active and healthy local community,</li> <li>• events in our people friendly town centres for both locals and visitors</li> </ul> <p>We wish to send 20 of our scouts to the NZ 21st Jamboree being held in Blenheim for 10 days until 7 January 2017. Jamboree represents an amazing opportunity to meet other scouts, approximately 4000 from NZ and the Pacific will attend, and participate in 10 adventure packed days of camping together. Jamboree encompasses the ethos of Scouting life: outdoors, community, personal development and new experiences. Scouts will work in patrols on a</p>		

	wide variety of activities involving bushcraft, hiking, aviation, water and service to the community and their fellow scouts. They will develop team building, leadership and self-management skills.
