Project title	Bird Booth		
Dates	15/12/2016 - 15/03/2017		
Location	Waiheke Island Beaches and Parks (TBC)		
Summary	Bird Booth is a 'Pop up' puppet booth and theatre performance responding to the destruction of our oceans. Inspired by the formats of the 'Punch and Judy' show, Victorian travelling side show and peep show the performance implements the theatrical tools and genres of; puppets, mask, physical theatre and spectacle to look at current themes around climate change and environment, creating a thought provoking, innovative and entertaining show. An outdoor show/street performance to be toured around beaches and parks on Waiheke Island during summer 2016/17.		
Focus specific information	Type of art form: Theatre		
Cost of participation	No free for public but potential for Koha through busking		
Requesting grant for	Funding to cover costs of four days of performances (12 performances in total with 3 performances each day) on Waiheke Island over Summer 2016/2017		
Active participants	2-3	Audience size	20-50
Promotion of activity	Yes, Plan to market dates of performance and build up story around performance through social media sites. Personal Facebook site, Performance Facebook site (with links to video/photos) and through Sir Peter Blake Trust social media which has 25,000 followers. Plan to print posters and display legally in selected local sites and businesses. Hope to have an article in local papers and notification in event pages. Plan some short performative walks (promenade) in costume through Island busy areas.ie. Oneroa Village, Matiatia etc.		
Local board recognition	Logo placed on printed posters and flyers and digitally on social media marketing. Board members invited to dress rehearsal and events. Actors to publicly thank Waiheke board at the end of each show.		
Alignment with local board priorities	<ul style="list-style-type: none"> • culture and arts • young people • the environment <p>Arts and Culture; Bird Booth is a 'pop up', outdoor, puppet booth and theatre performance which responds to the destruction of our oceans. A free performance of high calibre for everyone to attend (not just normal theatre goers). Young People; Aimed in its style towards young people, with masked bird characters, physical clowning and puppets, although thought provoking and filled with spectacle and wonderment for adults. Environment; With</p>		

	environmental communication at its core, It looks at problems of climate change, marine pollution and our future and how we can take action, all through an amusing and innovative performance style.

Project title	Attitude Life Skills Presentations at Waiheke High School		
Dates	01/05/2017 - 31/05/2017		
Location	Waiheke High School, 11 Donald Bruce Road, Waiheke Island 1081		
Summary	<p>This project involves one Attitude presenter visiting Waiheke High School in May 2017 to deliver 5 life-skills presentations to approx. 430 students. The main objectives of the Attitude programme are to encourage mental & emotional resilience & help prevent youth suicide, teen pregnancy, drug & alcohol abuse & low self-esteem - some of the main issues NZ young people are struggling with. By talking about these topics Attitude empowers young people to make healthy decisions and equips them with strategies to deal with negative pressures. We want to see all young people enjoy great futures, so we proactively give them basic life-skills to build a robust self-esteem and encourage them to pursue strong connections with their families, peers and communities.</p>		
Cost of participation	If we are unable to fundraise for all costs we ask schools to donate a koha for our presentations, though as schools budgets are limited this is not always possible.		
Requesting grant for	If successful this grant will be used towards the cost of delivering 5 mental health presentations to Waiheke High School students @ \$200 each, one return ferry ticket for our presenter - \$36.00, and provide Year 10 students with a copy of our Hardwired handbook (drug and alcohol education) @ \$1.55 each and every Year 11 Student with our "Sex With Attitude" Healthy Relationships guide.		
Active participants	430	Audience size	430
Promotion of activity	Yes, We promote our Attitude Programme for Schools on our website (www.attitude.org.nz) and spend a lot of time cultivating relationships with schools. Our Attitude team have a great relationship with Waiheke High School so won't need to spend much time marketing there.		
Local board recognition	Auckland Council Waiheke Board's support will be publically acknowledged in The Parenting Place's annual report and on The Parenting Place website (www.theparentingplace.com).		
Alignment with local board priorities	<ul style="list-style-type: none"> • young people • social cohesion <p>This request is for our Attitude Programme for Schools, which will be delivered in Waiheke High School in May 2017. The Attitude programme develops young people by teaching them how to make good decisions and inspiring them to implement these decisions. Through our range of presentations and resources we teach young people how to engage with and solve problems, how to cultivate healthy self-esteem and good mental health, how to recover from setbacks and how to understand and improve relationships. With good emotional and resilience skills, they are far less likely to fall into substance abuse, self-harm and destructive relationships.</p>

Project title	Waiheke e-waste Minimisation Initiative		
Dates	01/01/2017 - 31/12/2017		
Location	116 Ostend Road, Ostend, Waiheke Island		
Summary	Collection and storage, in a shipping container, of day to day e-waste from the community. An e-waste event will be advertised and held twice a year. During this event, the public can drop off additional e-waste. E-cycle will be hired to collect the e-waste for transport to recycling facilities. The purpose of the event days will be to raise awareness of the importance of responsible purchasing, maintenance and disposal of e-waste.		
Focus specific information	<p>Environmental benefits: The removal of toxic materials from landfill for appropriate secure disposal.</p> <p>The reduction in materials to landfill via the recycling of components of the e-waste.</p> <p>Prevention of toxic materials entering the environment via illegal dumping of e-waste to roadsides and reserves.</p> <p>Community involvement: Involvement is open to all members of the Waiheke community.</p> <p>Volunteers will be encouraged.</p> <p>Land owners: This initiative is covered under a permitted activity in the business's lease agreement. The container be stored in an existing container storage facility.</p> <p>A continuation of previous work</p>		
Cost of participation	A minimal fee per item (cheaper than disposal to landfill) to go towards the overall costs of the initiative.		
Requesting grant for	<p>The cost of hiring a shipping container at an existing shipping container storage site.</p> <p>There will be a minimal fee for disposal, cheaper than the Transfer Station. This will not cover the costs of E-cycle's invoice which includes transport, Sealink, labour costs, truck rental and processing each item at their facilities. We require this shortfall to be met by this funding application.</p> <p>I will cover the costs of my and my staff's involvement throughout the year and at the e-waste events.</p>		
Active participants	Up to ten.	Audience size	Audience is the population of Waiheke Island of around 8000 people.
