Project details

Project title	Public Share: Last Run		
Dates	11/02/2017 - 09/04/2017		
Location	Te Toi Uku, 8 Ambrico Pl, New Lynn, Auckland 0600 – and Te Uru Waitakere Contemporary Gallery, 420 Titirangi Rd, Titirangi, Auckland 0604		
Summary	Public Share has been invited to participate in the 3rd Oceanic Performance Biennial hosted by Te Uru Waitakere Contemporary Gallery. In response to the biennial theme, HEAT – Public Share approached Te Toi Uku Crown Lynn Museum, a key site of ceramic production in NZ (1948-1989) to collaborate. Drawing on histories of domestic ware in combination with our collective interest in making and sharing via ceramic objects and social exchange, we intend to produce the ‘last run’ from Crown Lynn with locally sourced clay. A one-day Raku firing event will be staged at Te Toi Uku (slip cast teacups), which will then be used and disseminated through two social art events: at Crown Lynn Museum and the Performance Biennial Te Uru site.		
Focus specific information	Not applicable		
Cost of participation	Attendance is free.		
Requesting grant for	Public Share is requesting funding for the staging of a one-day Raku firing event at Te Toi Uku Crown Lynn Museum. The funding will assist in the preliminary costs: testing, mould making, materials for trialling; production costs: clays, slip, specialised equipment; installation costs: materials, general production of props and objects, and hireage and material costs associated with the raku kiln. The one-day event will involve pre-production of 200+ teacups to be fired on-site in the raku kiln. All of the material costs relate to the production of the Raku firing event.		
Active participants	12 participants: Public Share collective, Te Toi Uku/ Te Uru staff and Oceanic Performance Biennial curators/ staff	Audience size	Event (60) and Exhibition (est.400-500) plus social events (40 at each)
Promotion	Yes - Public Share: Last Run will be promoted through Te Toi Uku Crown Lynn Museum and the Oceanic Performance Biennial and its associate partners (Te Uru Waitakere Contemporary Gallery) – as well as Public Share's own networks and channels, such as Public Share Facebook and email groups. The Raku firing event will also be advertised to local constituencies through community newsletters and a flyer that will be dispersed to Te Toi Uku neighbours. There will also be a call-out to past Crown Lynn workers and other ceramic interested public to attend the firing event and following social art event (morning tea).		
Local board recognition	We will place the Whau Local Boards logo on all publicity material, signage and on our Public Share website. We will also invite the Local Board to attend the Raku firing event and any other social events that come out of our project, Last Run.		
Alignment with local board priorities	<input type="checkbox"/> Great local communities <input type="checkbox"/> Local arts, cultures and heritage are cherished		

	Public Share is a local Auckland art collective consisting of six artists with an interest in ideas of ceramic production and exchange. A significant focus is our relations with local worksites and communities. Each Public Share project assembles a temporary community under the auspices of a tea break (or similar) and mutual interest in material conditions; clay, site and process. Using clay gathered from local infrastructure sites undergoing change (such as the Te Atatu motorway works), we make cups/ tumblers/ plates that are used to serve refreshments at art events and return-to-site visits – to facilitate social exchange, appreciation and conversation.

Project title	"Coming To A Street Near You"/Utility Box Paintings X 5		
Dates	02/01/2017 - 31/03/2017		
Location	Chorus Utility Boxes: 55 Godley Rd, Green Bay (opposite the Green Bay shops)/corner Sandy Lane & Great North Road, Avondale (outside the 'All About Children' day-care centre) / 66 Avonleigh Road, Green Bay (in between Pinesong Retirement Village and NZ Bird Rescue)/229 New Windsor Road, New Windsor (near corner with Mulgan Street)/ Hilling Road, Green Bay (busy corner of Hilling and Golf Roads)		
Summary	<p>I am one of the original artists on the Utility Box Art Project originally conceived and run by the-then Waitakere City Council.</p> <p>Have completed a number of quality and durable paintings on Vector power boxes and Chorus boxes in West Auckland, in each case an original design - each unique to its surroundings/environs - painted on all sides of the utility box, a lovely and lasting 3D neighbourhood work of art.. The aim is twofold - to beautify neighbourhoods and enhance people's everyday lives and to keep taggers at bay, saving clean-up expenses for local councils, while taking art to the people.</p>		
Focus specific information	Not applicable		
Cost of participation	No cost - each box is a free public artwork to be enjoyed by all.		
Requesting grant for	Design/Materials/Labour		
Active participants	1 (myself)	Audience size	Thousands over time, anyone and everyone who passes by. Also, aside from the actual artworks in situ, photographs of the painted utility boxes are featured on the Chorus website and Facebook page. Local board recognition	Any and all media possible including as above 'Paperboy' magazine, Auckland Council publications, Western Leader newspaper, and local newsletters/noticeboards		
Alignment with local board priorities	<ul style="list-style-type: none"> ● Great local communities ● Healthy Whau River and valued environment ● Local arts, cultures and heritage are cherished 		

Taking art into Auckland's neighbourhoods - transforming blank green roadside utility boxes into colourful works of art. A community-minded mural project which beautifies suburban streets, fosters community pride, reflects local landmarks/history/geography/culture, AND has proven to be an effective tool in the constant battle against tagging/graffiti. Taking art out of the gallery and onto the street, where it can be appreciated by a wider audience and enhance people's everyday lives.

Maori outcomes	Yes - Treaty of Waitangi is one of the workshops that will be delivered as a number of businesses are asking for their understanding of the Treaty of Waitangi. We cannot assume that because they are Maori that they have an understanding or even know the history of the Treaty of Waitangi.
Accessible to disabled	Yes - We have access for people with physical disabilities and we help people with various degrees of mental health issues.

Project details

Project title	The Hope Centre		
Dates	11/01/2017 - 30/06/2017		
Location	4B Portage Rd, New Lynn		
Summary	<p>In 2012 the Hope Centre opened in Avondale as a social hub to foster acceptance and belonging in the community. It provides a place where people drop in for a drink, a snack and a chat. Visitors regularly comment that it is a positive and peaceful environment and somewhere they have built strong friendships.</p> <p>Care, counselling, post rehab support, life skills, training and practical assistance are offered in a range of activities to provide people with necessary skills to achieve their dreams and goals, and empower them to make positive life-changing choices.</p> <p>After outgrowing two facilities, in November 2015 we leased a building large enough for us to accommodate all our initiatives, host more people and develop new activities.</p>		
Focus specific information	Not applicable		
Cost of participation	We have a donation box that a small amount of people choose to give into.		
Requesting grant for	<p>To purchase equipment for the Hope Centre - community lunches and weekly training programs: # PA system & microphones # 55" TV.</p> <p>Currently we use an old stereo and plug in a microphone to be heard - the sound does not work well and is very limiting. When you move it makes high pitch noises. We also use an old data projector on a weekly basis. The picture can barely be seen because of the light and requires quite a bit of set up. Having a TV screen would allow us to easily use it to enhance all our activities.</p>		
Active participants	100 every week	Audience size	150 every week
Promotion	<p>Yes - The Encounter Hope Foundation has never had to undertake large-scale promotion to grow our activities.</p> <p>We have primarily relied on word of mouth and personal invites through our team and the regulars attending the programs who have communicated to others.</p> <p>At every community lunch our programs and activities are advertised as well as on notice boards at the Hope Centre.</p> <p>However we plan to upgrade our promotion with improved signage, advertising the new premises as well as use free community notice boards.</p> <p>We will also continue to distribute our vision booklet, which has been successful in showing what we do.</p>		
Local board recognition	We place all our sponsoring organizations logos on our website well as our promotional material including a framed poster at the front door of the Hope Centre. We will inform all our members of your contribution.		

Alignment with local board priorities	<input type="checkbox"/> great local communities <p>The Auckland Plan prioritizes working with communities to develop leadership, skills and capacity. It promotes inclusion, reducing discrimination and removing barriers to opportunity and participation, particularly for disadvantaged groups. It describes features of a thriving community that have similar values and goals to those of the Hope Centre activities:</p> <ul style="list-style-type: none"> • Cultivating optimism, self-esteem, feelings of competence and engagement • Improving the quality of life • People who feel their lives have meaning and purpose • Safe, healthy and happy environments for people of all ages • People wanting to give back to their community • A sense of belonging • Providing supportive networks to help overcome stress

Demographics

Maori outcomes	Yes - As in the Treaty of Waitangi we are committed to Initiate Maori-specific programmes and activities that will ensure the continued improvement of Maori status. A Maori language, culture and protocols workshop is held during one term every twelve months in the Hope Centre. The participants learn waiata which is then performed at the Community Lunches. This activity was started by one of the ladies we were helping, who has now become part of the team, contributing her knowledge of manaakitanga and tiaki to the group. This is teaching people of different cultural backgrounds the importance of integrating Māori culture, and its values to the community.
Accessible to disabled	Yes - As a result of our previous drop in centre being up a steep flight of stairs, and preventing many of our elderly and physically challenged members from participating in our programs. We intentionally leased a building all on one level with easy road boundary access so that we will be able to welcome and include those with physical challenges to our activities. The building also has a ramp for walking frames or wheelchair access.

Project details

Project title	Supporting Whau youth health, wellbeing and participation		
Dates	01/01/2017 - 01/12/2017		
Location	Youthline youth workers support young people in the community.		
Summary	<p>This project will enable Whau youth to participate in leadership and development opportunities provided by Youthline within their community. Youthline recognises that when young people are engaged in community activities and given the opportunity to feel they are part of something, encouraged to reach their potential, that risk taking behaviour is reduced. These youth are less likely to fall into helplessness, addictive-behaviours, dangerous relationships and unemployment.</p> <p>Youthline youth-worker Jasmin Albert is responsible to providing development and support to Whau youth. She collaborates with community groups and schools to encourage young people to become involved in creating a positive future.</p> <p>Last year Youthline provided 5youth leadership and development programmes (Avondale, Green Bay and Kelston Boys' High Schools) and mentored 107 Whau youth.</p>

Project details

Project title	Parenting courses specifically developed for high needs, at-risk parents and caregivers.		
Dates	13/02/2017 - 01/02/2018		
Location	In private homes and community venues throughout Whau: Dayspring Trust, 2 Seabrook Avenue New Lynn, Lifewise Family Services, 3131 Great North Road New Lynn, Youth Horizons, 3 Rata Street New Lynn, Blockhouse Bay Community Church, 76 Dundale Avenue Blockhouse Bay plus others.		
Summary	Through our range of six-session Toolbox parenting courses, we provide practical parenting skills and strategies that can be implemented in any family situation, regardless of income, ethnicity, education or ability. Our latest Toolbox, Building Awesome Whanau, was released in 2014. Evidence-informed parenting techniques are presented in a way that is understandable, relevant and culturally appropriate. This course is being widely utilised with at-risk and vulnerable families in conjunction with the many social service agencies we collaborate with. Our aim is to increase the number of at-risk families completing a parenting programme and reduce disparities in health and social outcomes within this sector. We plan to run 30 courses in Whau over the next 12 months benefiting 270 parents and their families.		
Focus specific information	Not applicable		
Cost of participation	Fees for each 6-week Toolbox course are \$75 for a single and \$110 for a couple. We aim to subsidise these costs as much as possible and on average 30% of each Toolbox course is subsidised or free for participants.		
Requesting grant for	<ol style="list-style-type: none"> 1. Additional fee subsidies for low-income participants \$1000: Many participants can't afford our already heavily subsidised course fee. Additional subsidies will ensure accessibility to everyone regardless of their income. 2. Course handbooks \$300: Participants receive a comprehensive handbook containing a transcript of the teaching DVD, focus questions, relevant research, hot tips and parenting strategies. 3. Volunteer expenses \$700.00: Toolbox groups are facilitated and hosted by locally trained volunteers. A facilitator contributes approximately 25 hours per group and a host approximately 20 hours per group. We wish to reimburse them for the expenses they incur.

Local board recognition	Auckland Council funding is publicly acknowledged in The Parenting Place Annual Report, on The Parenting Place website (theparentingplace.com) and in the Toolbox newsletter sent out to volunteer facilitators, hosts, and supporters of the Toolbox programme.
Alignment with local board priorities	<input type="checkbox"/> great local communities <p>We aim to develop strong, healthy communities by teaching parents practical skills and strategies, equipping them to provide a safe and nurturing environment for their children to grow up in. Discipline, boundaries, building character and self-esteem, and emotional resilience are some of the topics covered. As parents positively invest into their children’s lives this ultimately leads to a prosperous community. In today’s fragmented society parents often feel alone and isolated. Toolbox groups connect parents from different walks of life and ethnicities; they realise they all face similar issues and challenges and are given positive strategies to move ahead.</p>

Demographics

Maori outcomes	Yes - The Building Awesome Whanau Toolbox was developed in response to repeated requests from Māori and social service agencies we work with. This was undertaken in collaboration with Māori staff, Toolbox facilitators, educators, kaumātua, social service agencies, parenting experts and Māori families. The material is built on the strengths based whare tapa whā model researched by Mason Durie using Māoritanga, manaakitanga, whakawhānaungatanga and whakataukī. We will continue to build new and ongoing collaborations with social service agencies working with Maori in order to run Building Awesome Whanau Toolbox courses with their clientele. These agencies wrap other support services around parents such as budgeting, anger-management and counselling. This collaborative approach is effective both financially and in terms of social outcomes.
Accessible to disabled	Yes - All people are welcome to attend a Toolbox parenting course. The vast majority of courses are run in collaboration with community groups and social service agencies and held in their venues. Most of these community-based organisations cater for people with disabilities.

Project details

Project title	Summer Camp Ignite		
Dates	01/01/2017 - 14/01/2017		
Location	45 Totara Ave, New Lynn - 2 Orere Point Rd, Orere Point		
Summary	<p>Summer Camp Ignite is a 10-day all-expenses-paid true 'Kiwi camping experience' for up to 30 of our Whau rangatahi and Generation Ignite leaders. After working alongside the majority of these youth and their families throughout the year, Camp Ignite is our opportunity to invest into our Whau rangatahi over an intensive 10-day period. Not only are relationships strengthened, but community youth (some of whom literally never venture beyond their neighbourhoods) will experience swimming at the beach, fishing, sleeping in a tent and roasting marshmallows over a campfire! Camp is the perfect platform to grow our Whau youth as community leaders and role models, while inspiring rangatahi at-risk to dream big and begin the year focused with clear goals.</p>		
Focus specific information	Not applicable		
Cost of participation	Camp is free for our Whau young people - those who will be attending have been actively involved in fundraising to go towards covering their costs.		
Requesting grant for	We are requesting funding to cover the costs of food, to feed our team of 30 youth and leaders while at Camp Ignite.		
Active participants	30	Audience size	30
Promotion	Yes - Re. promotion/advertising - we are taking a small number of referrals from other local youth organisations as numbers allow. Photos, videos and updates from Summer Camp Ignite will be posted on our various social media platforms, on our website and in our newsletter mail-out.		
Local board recognition	We would love to publicly acknowledge the local board's contribution by saying thank you with the Whau Local Board logo along with links and tags on our various social media platforms, on our website and in our newsletter mail-out.		
Alignment with local board priorities	<input type="checkbox"/> great local communities <input type="checkbox"/> outstanding development <p>Camp Ignite allows us to help build great local communities by investing directly into our Whau youth over an intensive 10 day period, which is the culmination of a year's work alongside rangatahi and their families. This is an invaluable experience, creating lifelong memories, fostering vital positive relationships between mentors and young people whilst providing opportunity to develop and grow the Whau's emerging young leaders.</p>

Demographics

Maori outcomes	Yes - We predominately work with Maori young people (95% Maori) who attend local high schools, alternative education or are enrolled in private training education under Youth Guarantee. Generation Ignite positively impacts and supports rangatahi through our programmes and services, urging them to aim high, dream large and fulfil their potential. We provide holistic support and are active in connecting and collaborating with other youth service providers as the lead anchor organisation for the Whau Youth Providers Network. This provides pathways for our young people to access an even wider range of services and opportunities, to give them the necessary training, skills and care to do and be, better.
Accessible to disabled	Yes - Camp Ignite is accessible to youth with a range of disabilities, including those with physical disabilities and those with learning and behavioural needs. For example, one of our Whau rangatahi has limited use of his left arm - he is very independent but will be fully supported throughout recreational activities at Camp Ignite as is appropriate; another youth who requires daily medication will be buddied up with a Camp Leader to ensure medication is taken.

Project details

Project title	Generation Ignite FoodBank		
Dates	01/01/2017 - 31/12/2017		
Location	Clark Street, New Lynn 0600 and 4 Olympic Place, New Lynn		
Summary	The Generation Ignite Foodbank is an initiative that was birthed out of the need we recognised with our at-risk youth and their families in the Whau Community. Every Friday between 1-3pm we distribute meal-ready food parcels (& a recipe) as well as additional essentials such as hygiene items from the New Lynn Community Centre alongside a free community lunch, lovingly put together by our volunteers. We are currently feeding over 100 Whau people every single week.		
Focus specific information	Not applicable		
Cost of participation	Free		
Requesting grant for	We are requesting funds to help us cover the lease costs for our foodbank - split between a Storage King Unit and garage site at EcoMatters, New Lynn.		
Active participants	30+ individuals a week	Audience size	100+ people benefit from our parcels a week
Promotion	Yes - Flyers with the Whau Local Board logo are distributed and posted up around the Whau community on noticeboards, at WINZ and Housing NZ, Plunket etc. Digital flyers are emailed throughout social service networks via Auckland Council and to the Whau Youth Providers Network and beyond. The Generation Ignite FoodBank social media accounts advertise the foodbank service and give advice on how to access.		
Local board recognition	Include the Whau Local Board logo on all printed and digital flyers and mail-outs. Public thanks on social media platforms and accounts with tags and links.		
Alignment with local board priorities	<input type="checkbox"/> Great local communities <input type="checkbox"/> Outstanding development This project specifically impacts low-income families and individuals with food insecurities living in the Whau. Our food bank initiative feeds on average 100 Whau people every week, which we believe directly, promotes, strengthens and develops a healthier community.

Project title	Love Your Coast Manukau 2017: education, community development and beach clean-up programme.
Dates	20/02/2017 - 24/03/2017
Location	The clean-up events happen at multiple addresses / beaches around the Manukau Harbour, with education at multiple schools in the area. This event includes the entire Manukau Harbour coastline and Whau local board jurisdictions
Summary	<p>Love Your Coast Manukau 2017 will see the Sustainable Coastlines team return to deliver free educational presentations and beach clean-up activities to schools around Auckland, with a focus on cleaning up the Manukau Harbour.</p> <p>We also offer free Presenter Training and Event Management workshops to secondary and tertiary students and community members, in an effort to educate and upskill community members, enabling them to become kaitiaki and take a leadership role in environmental restoration.</p> <p>We collaborate with tangata whenua, local marae, and local stakeholders, including businesses and churches and encourage everyone to get involved with the clean-up events.</p>
Focus specific information	<p>Environmental benefits: A new initiative</p> <p>The long-term goal of the project is to ensure the Manukau Harbour is treasured for its environment, and create strong, safe and healthy communities by empowering people to be kaitiaki of their physical environment.</p> <p>Building on last years success, the outcomes we expect for 2017 are: 25 clean-up events held in the region 2000 volunteers attend clean-up events 5000 school students/community presented to 12 Ambassadors trained Further objectives for LYC Manukau 2017 include:</p> <p>Focus on Capacity Development/Ambassador programme and nurturing trained ambassadors to deliver presentations and events.</p> <p>Better collaboration with tangata whenua/local marae.</p> <p>Better collaboration with local stakeholders, businesses and churches. Retain our strong focus on Health & Safety.</p> <p>Refine our internal reporting after individual clean-up events re: data collection.</p> <p>Better water quality, reduced litter on the coastline and in the marine environment which leads to improved habitats for flora and fauna, opportunities to gather and eat kai from the Harbour and the coastline.</p> <p>Community involvement: Everyone from the Whau region can get involved with this project. LYC Manukau helps local communities to get to know each other, which helps us to broaden our reach and depth of engagement. We collaborate with schools, community groups, businesses and local authorities to achieve a shared goal to restore Whau's coastline and river.</p> <p>LYC builds community – by working together with other community groups helps us to create community networks by uniting people over a common cause.</p> <p>Land owners: The people of Aotearoa New Zealand</p>

Cost of participation	Although we are a not-for-profit organisation, we are happy to offer the LYC programme free of charge for everyone (including the LYC school education programme, Ambassador training programme, beach clean-up activities). Schools need to cover the cost of bus transport to and from beaches. This is why we seek financial support from local boards: so that we can continue to deliver our high quality service to communities around Whau region / Manukau Harbour.		
Requesting grant for	Some schools have not been able to attend beach clean-ups because of transport costs, so we would like to remove this barrier to participation and seek funding for buses to take students to the beach. This adds value to the Whau community because it bolsters the education component (offered free to schools) with practical clean-up activity, cementing our message and encouraging kids to refuse single use plastic, taking our messages home to their whanau and become guardians of their coastline. Alternatively we would seek funding for purchasing 250 pairs of washable, reusable gloves from Mitre 10.		
Active participants	7000	Audience size	7000
Promotion	Yes - Since 2009, we have developed a database of schools, community members and businesses. We will promote the project to these networks, along with our highly engaged online and social media audience of over 21,500 people. Our strong relationships and proven track record with media outlets will be leveraged to promote LYC Manukau, through interviews and editorial coverage in newspapers, magazines and on radio. Click here for our media overview: http://sustainablecoastlines.org/media/media-overview/ Online event promotion through Sustainable Coastlines, Eventfinda, Facebook and events sites will be supplemented with advertising through Google Adwords, Facebook advertising and charity-filler space tiles on sites such as TradeMe.		
Local board recognition	We recognise this support through logo placement on social media, event pages, media, offering speaking opportunities for local board members, direct promotion of key local board objectives on request, flags/signage and mention of support at public events.		
Alignment with local board priorities	<input type="checkbox"/> great local communities <input type="checkbox"/> stronger local businesses <input type="checkbox"/> healthy Whau River and valued environment By empowering community members (including school students, marae, community groups and local businesses) to take action and value their environment, LYC creates great communities. Encouraging people to value and be kaitiaki of their natural environment, and developing the capacity of the Whau community will create stronger local businesses by development transferrable skills (e.g. public speaking, leadership). By cleaning up and restoring the Manukau Harbour and Whau River, LYC generates positive economic impacts in terms of public health and wellbeing, and the economic benefits of a clean harbour (e.g. tourism, fishing, gathering kai).

Project title	New Year Celebration for Waitakere Japanese Supplementary School		
Dates	04/01/2017 - 04/01/2017		
Location	Glen Eden Intermediate School		
Summary	<p>The event is organised to celebrate Japanese New Year just as many families do in Japan so our children at WJSS can experience traditional Japanese culture first-hand. The day will be full of fun activities such as Mochi/rice-cake pounding (ceremonial community activity), first calligraphy of the year (children write their wish and/or resolution for the New Year) and typical New Year games, shared by peers, families and local residents. We'd like both new immigrants and a range of generations with Japanese heritage to feel proud of who they are and ultimately lead them to believe in strength in diversity as well as value and respect all other ethnic backgrounds in the local communities.</p>		
Focus specific information	Not applicable		
Cost of participation	No, this is a free event.		
Requesting grant for	<p>We need funds to purchase Calligraphy materials at an estimated cost of \$630 including brushes, inkpots and paperweights of a suitable standard from Japan. Calligraphy requires concentration, control and self-discipline, but alternative materials sourced locally were found to be compromising in these aspects. Ink bowls were easily tipped over, cheap brushes were virtually disposable and writing was unstable and frustrating without felt underlay and paperweight. We can take the shipping cost with your help for materials of better quality and sustainability.</p>		
Active participants	80	Audience size	100 (including active participants)

Alignment with local board priorities	<p> <input type="checkbox"/> great local communities <input type="checkbox"/> local arts, cultures and heritage are cherished </p> <p>West Auckland is made up of many culturally diverse communities. Waitakere Japanese Supplementary School is one of those that focus on children with Japanese heritage. We are planning an event to celebrate New Year. It is the most important traditional holiday spent with family and neighbours, just like Christmas or Matariki in New Zealand. Our children at WJSS will experience Mochi/rice cake pounding ceremony (signifying the first arrival of gods according to legends), enjoy sharing this special cuisine, learn calligraphy and play various traditional games together in a fun community atmosphere.</p>

Project details

Project title	JAAGRITI (Awakening) Family Support Group Project		
Dates	01/07/2016 - 30/04/2017		
Location	13 May Rd, Mt Roskill, Auckland 1041		
Summary	The JAAGRITI (Awakening) Project aims to create community awareness about the needs of South Asian Families subjected to violence and oppression through its programs and community outreach. The funds will be used for holding campaigns and workshops to create awareness and understanding of family violence and promote changes in behaviour among the South Asian community.		
Requesting grant for	Funding towards Operating Costs to help and support the victims of Family Violence between July 2016 – April 2017		
Project rationale	We are continuously approached by numerous families to provide support and help in dealing with problems of family violence. The growing requests coming from within the South Asian Community is an evident by itself, focussing on immediate requirement to educate and build awareness among this particular community deal with the problems. However, the South Asian Community follows various customs and vehemently tries to protect its cultural identity as a result family matters are rarely discussed outside. The growing needs of the community make our functioning more and more indispensable, demanding and widely preferred.		
Community benefits and how will you know you have achieved them	Jaagrity, (Awakening) Project aims to create community awareness about the needs of South Asian Families subjected to violence and oppression through its programs and community outreach. Our purpose is to encourage South Asian Families to raise their voice against their oppression, physical, mental and sexual abuse, family violence and to have a better living in the society. We have handled many cases for the past 20 years and we invite feedback and ask personal changes experienced by the participants		
Expertise in delivering this project	Roopa Aur Aap Charitable trust consists of workers who understand the language, culture and customs of this particular community and the victims feel more confident and comfortable in approaching us. The community freely communicates with us through their own languages. Our charitable organisation has been advocating culturally appropriate early interventions; consisting of support, friendship and counselling to avoid family breakdown and believes that most interventions can save families, reduce costs in health and police services, incarceration, and serious health risks for family. The Support group JAAGRITI is designed to overcome serious barriers that families faces in joining support groups.		
Active participants	15	Audience size	100
Promotion of activity	We plan to advertise on social media networks, emailing flyers to other organizations with whom we share similar objectives, advertising on News Papers, organizing a Talk on Radio stations etc.		

Local board recognition	We will acknowledge the contribution of Auckland Council through all our programs, website, our regular newsletters as well as other press releases and our social media pages.		
Alignment with local board priorities	<input type="checkbox"/> Outstanding development Roopa Aur Aap is a non-government charitable trust working for humanitarian and social causes. It specifically works for rising domestic violence within the South Asian communities in Auckland. Family violence in the ethnic communities is escalating every day and the victims from these communities search for help and remedy from their community organisations because they face language and cultural barriers Our organisation provides support and educates them through workshops, personalised counselling assistance and refugees to the victims of Family Violence. It is handled by our major venture "JAAGRITI", an Awakening Family support group, dealing with issues related to Family Violence.

Project details

Project title	2016 Hubbard's Head2Head Walk		
Dates	12/11/2016 - 13/11/2016		
Location	1/507a Great South Road, Papatoetoe, Auckland, 2025		
Summary	Experience a new side of Auckland on this scenic 125km charity walk around the Manukau Harbour. Kicking off in Orua Bay and ending up some 125kms and 24hours later at Huia in the Waitakere Ranges. The route takes in stunning scenery, ambling lanes, step hills and thigh crunching climbs. Teams of five individuals each walk a relayed 25km section over the walk over the weekend, in an attempt to each raise at least \$1000 for the OKE Charity.		
Requesting grant for	OKE are applying for funding to support the event costs of the 2016 Hubbard's Head2Head Walk. Since the event started back in 2012, the #H2HWalk has grown every year, as has the costs of running the event. Assistance would be greatly appreciated to help cover costs such as event insurance, promotion of the event, event management, traffic management etc.		
Cost of participation	Team entry is \$250		
Active participants	120	Audience size	50
Promotion	Yes, the details of the event have already been included in 20,000 boxes of Hubbard's cereal. We will also have the event mentioned in the local newspaper. OKE will promote the walk through our social media channels and ask that all our supports help spread the word. The intention is to promote the walk through billboard posters around Auckland.		
Local board recognition	We intend on having printed media across Auckland promoting the walk, which will include the local board logo that support the event. As per previous events, we will include the local board logos on the back of the Hi-Vis vests which the walkers have to wear.		
Reason for the project	The original idea was for the Head2Head Walk to be a one off event, back in 2012. Every year since then the event has grown, pulling in teams from all over Auckland and further afield, instilling a great community feel. It also helps to promote areas of the Auckland Super City which people haven't experienced before, especially Awhitu and Huia.		
Community benefit	Since establishing the Head2Head Walk in 2012, the event has raised over \$50,000 and supported many projects around Auckland. The fundraiser now supports OKE and it's invaluable resources it provides to local primary schools, helping kids to develop much needed life skills. The event also promotes the communities around the Manukau Harbour.		
Alignment with local board priorities	<input type="checkbox"/> Great local communities <input type="checkbox"/> Outstanding development <input type="checkbox"/> Twenty minutes by walking, cycling and public transport to everything we need <p>The Hubbards Head2Head Walk is the only event of its kind in Auckland and is the diamond fundraiser for OKE. The event helps to build a community spirit around the Manukau Harbour, by circumnavigating the entire harbour and bringing together its communities. The fundraiser raises funds to implement our Growing A Future Initiative at primary schools. A percentage of funds raised from the 2016 event, will be donated to community gardens along the route of</p>		

the walk. It is our intention to support at least one community garden within each local board the #H2HWalk passes through.
