AGM

INDUCTION

Programme:

- Day 1: Goal Setting
- Day 2: Team Building
- Day 3: Elections

Legacy Plan

The introduction of our new Legacy Plan document made the induction process much more efficient in 2017. The purpose of the plan is

a) To educate new and current members on the operations of the organisation.

b) Provide recommendations for the future MYC that continue to work towards achieving our mission of connecting, supporting and empowering youth in Manurewa. These recommendations come from the 2016 MYC team and their experiences.

2017 Priorities

1. Establish a physical space that MYC can call home
2. Promote diversity and inclusivity in all aspects of our organisation
 - a. By printing our posters in different languages
 - b. Participating in language weeks
 - c. Starting our year with a cultural workshop
 - d. Holding a social media campaign to showcase our 2017 members
3. Commit to sustainable practices
 - a. By participating in active service to make the community cleaner and safer
 - b. Holding 2 volunteer days
4. Maintain ongoing, successful relationships with high schools and other community groups
 - a. Inviting stakeholders from schools and community groups to a 'Stakeholders Breakfast'
 - b. Actively engage students in policy submissions

Feb/Mar Event Plan

***Date:** March 3rd ***Location:** Manurewa Marae ***Time:** 9am-10am

Purpose:

The Student Leadership Breakfast aims to bring together students from our local High Schools so that we may

- Inform High School Students of who the Manurewa Youth Council is
- Gather ideas on important issues that youth are currently facing and use this to guide the Youth Council into what events they should be hosting this year

Background:

In alignment with Priority 4 of maintaining ongoing, successful relationships with high schools and other community groups, the Student Leadership Breakfast offers a great opportunity for the Youth Council to begin the year by connecting the High School Leaders.

South Auckland Youth Council Meet Up

***Date:** Friday 18th March ***Location:** TBD ***Time:** 6:30pm-9:00pm

SUBCOMMITTEES

- CAYAD collaboration. MYC (especially school representatives) to support schools in effectively preventing and responding to alcohol issues by establishing a clear and consistent approach for messaging on alcohol for young.
