Project details

Project title	Show Me Shorts Film Festival 2017		
Dates	01/10/2017 - 31/10/2017		
Location	The Vic, Devonport		
Summary	<p>From around 1500 entries, the best films are selected for screening in competition. These are divided into themed sessions with about seven short films in each programme. We show a mixture of films that celebrate the diversity of New Zealand, as well as providing access to international films the public would not otherwise have the chance to see.</p> <p>The Devonport/Takapuna community has warmly embraced Show Me Shorts at The Vic since 2014 and it has become one of our best attended community cinemas.</p> <p>The Festival attracts a wide range of ages, cultures and a roughly equal gender mix. The inclusion of the My Generation section brought local families together to watch short films.</p>		
Cost of participation	Yes, standard cinema ticket price with discounts available for seniors, students, etc.		
Requesting grant for	<p>A contribution to the print & design, advertising and programming costs of staging Show Me Shorts at The Vic.</p> <p>We plan to continue with 2016's change in dates to October which avoids the busy study and exam period for students and offers the biggest potential audience. However, it does mean competing head to head with school holiday blockbusters so additional marketing support is required to reach the widest audience possible.</p> <p>The Vic is one of over 20 community cinemas around New Zealand that host Show Me Shorts. We estimate that this portion of the Festival utilises 5% of national resources.</p>		
Active participants	1480	Audience size	200
Promotion of activity	<p>Yes, Our marketing plan includes:</p> <ul style="list-style-type: none"> • Hiring publicists Mr Fahrenheit to handle media planning, press contacts and Opening Night guest list. We expect Festival coverage and filmmaker interviews across all media types. • Creating a promo video to screen in cinemas, online and to help leverage extra media interest. • Printing glossy programme booklets, A0 & A3 posters which are distributed around Auckland by Phantom Billstickers. • Purchasing ads in print, radio and online. • Using our strong social media presence, and that of our sponsors, to build excitement in the lead up to festival launch. 		

Local board recognition	If successful we will include acknowledgement of Devonport/Takapuna Local Board on our website and during the Festival Director's welcome speech at Opening Night. We would also offer the board a complimentary double pass ticket to our Opening and Awards Night at the Civic, and 10 double pass tickets to the general festival screenings.
Alignment with local board priorities	<ul style="list-style-type: none"> our area's arts and culture is diverse, vibrant and well supported <p>Show Me Shorts is New Zealand's leading international short film festival. We create a platform for Aucklanders to enjoy, engage with and discuss the best short films from here and around the world.</p> <p>The Festival draws new Auckland audiences to the arts with accessible programming that connects people from a wide range of backgrounds.</p> <p>For local short filmmakers we provide a vital means to reach audiences with their work and gain recognition for their talent through our awards programme.</p> <p>We also run a range of educational events for aspiring and emerging filmmakers and offer special screenings for local school groups.</p>

Project title	Van replacement for De Paul House		
Dates	24/04/2017 - 31/05/2017		
Location	92-96 Onewa Rd Northcote Auckland 0627		
Summary	<p>De Paul House has provided emergency housing for 30 years in North Auckland. Our outreach support service which consists of a learning centre and early childhood centre with assistance from our social work and counselling staff is integral to the success of our families. As part of the outreach support programme De Paul House provides a free van collection service for families rehoused in our local community so that preschool children and their caregivers can attend our programmes and services. This transport allows families to stay linked to the De Paul House community. Previously we've worked with Bayswater school. The demographic and needs of our families continually change. 34% of our families are in North Auckland.</p>		
Cost of participation	No		
Requesting grant for	<p>Our application is for a contribution to the cost of a new passenger van. Our current van is 21 years old and while fully compliant with current health and safety standards, the Board is aware and acknowledges that there is a gap between compliance and best practice. De Paul House runs an emergency housing service that has supported 924 families into housing since 1986. We provide a quality service that is supported by the local business community evidenced by the wonderful generosity of the Rotary clubs in the funds raised to date towards a new van.</p>		
Active participants	528	Audience size	660
Promotion of activity	No		
Local board recognition	We will acknowledge the support we receive on our website, Facebook page and with signwriting on the van		
Alignment with local board priorities	<ul style="list-style-type: none"> neighbourhoods and community-led initiatives are supported and encouraged <p>It is very much a part of De Paul House's philosophy and model that families will transition to community based programmes where they can participate in their local kindergartens and community. A seat on the De Paul House passenger van is the first step in this journey to independence. Confidence grows for adults and children and they typically become confident to enrol in their local kindergarten and schools. This is success.</p> <p>The passenger van is also used to transport children living at De Paul House's residential emergency accommodation to funded holiday camps and for trips in the school holidays.</p>
