323	3 April 2014, item 13	Auckland Transport	Tamaki Drive - Ngapiipi	<p>j) requests Auckland Transport in the interests of safety for all users of the intersection to install a 'clip on' walkway on the seaward side of the Ngapiipi Bridge for pedestrians, designate the current footpath for cyclists and keep the vehicles on the carriageway, which would align work at this intersection with the objectives of the Tamaki Drive Master Plan.</p> <p>Feb 2017 Update - AT is currently undertaking options development for the walking and cycling improvement works on Ngapiipi Estuary Bridge. Assessments underway include investigation of structural capacity of the existing bridge and the feasible form of structure to cater for the improved W&C amenities. It will also be designed to link with the other planned improvements in the corridor.</p> <p>k) requests Auckland Transport as a consequence of the proposed intersection improvements to widen the Point Resolution bridge to improve safety and traffic flow along Tamaki Drive.</p> <p>Feb 2017 Update - Replacement of the Point Resolution Bridge is not in the scope of the cycleway project. Structural assessment indicates that a clip-on cannot be achieved.</p>	Green
