

**2015/2016 Regional Sport and Recreation Grants Programme recipient update
as at 30 September 2016 (6 month report)**

Organisation	Project Name	Project description	Amount funded	Contract term	Progress
Sport Waitakere / He Oranga Poutama ki Tamaki	Tāmaki Tākaro	Tāmaki Tākaro provides opportunities for Maori communities to engage in physical activity. The three projects are He Manukura Āpuarangi (youth leadership), Kaiwhakarite Karapu Māori (Māori club support) and Mauri Tū (Māori weaponry to secondary school students)	\$ 60,000	multi-year (2 years)	The three programmes under the Tāmaki Tākaro project umbrella are currently on track with the likelihood of surpassing annual targets. 50 students from wharekura across Auckland currently are participating in the programme (min of 40 is the target). To date there have been a significant number of successes with positive feedback from participants and organisations involved. The project management and staff have shown resourcefulness as they continue to increase opportunities for young people to participate in the three programmes.
Bikes in Schools Auckland (T/A Bike on NZ Charitable Trust)	Bikes in Schools Auckland	Programme to enable all New Zealand children to ride a bike on a regular and equal basis within school. The funding supports the purchase of bikes and helmets for 10 schools across Auckland.	\$ 85,000	1 year	With Auckland Council funding, the Bikes in Schools project has been able to fully support 4 schools in opening tracks, with 1764 students now having regular and equal access to riding a bike at school. A further 6 schools are in the process of fundraising for the total budget required and 1 school is awaiting Board of Trustees sign-off. Of the 10 schools Bikes in Schools is working with, 6 schools are decile 4 or under. Also over 80 school staff received cycle skills training.
Auckland Paraplegic and Physically Disabled Association (T/A Parafed Auckland)	Building a 'wave of participation'	Establishing Sport hubs of activity for youth disabled sport across Auckland.	\$ 30,000	1 year	Parafed have more than doubled the number of active athletes they work with from 140 to over 350. New regional programmes and events include; Wheelchair Turbo Touch in West and South Auckland, a region wide Para Swimming hub targeted at 12-19 year olds, Wheelchair Basketball in South Auckland (in addition to existing West Auckland Hub) and Physical Disability Rugby League across Auckland. Parafed has also successfully lobbied for publically accessible sport and recreation facilities at the Manukau Rehabilitation Clinic.
John Walker Find Your Field of Dreams Foundation	Find Your Field of Dreams	Delivery of programmes including community swim, primary sport / secondary sport and throw for gold.	\$ 208,000	multi-year (2 years)	Community Swim and Primary Sport programmes are tracking well with feedback from schools being extremely positive. From July to December 2016 8,623 Year 3 to 6 students participated in the Community Swim programme which equated to 60,361 lessons and 3,731 instructor hours. Within Papatoetoe, Otara, Mangere and Otahuhu 59 schools are actively engaged in the Primary Sport programme with 14,751 school children participating in Term 3 and 4, 2016. The Youth Leadership initiative introduced in 2015 held a Power of Dreams breakfast which enabled school leaders to hear inspirational stories from Olympians. BLENNZ (Blind Learning and Education Network NZ) continues to work in partnership with Counties Manukau Sport to provide a sports programme. Lift For Gold – West Programme had its first session in November 2016 at the Trusts Arena West and continued through term 4 for Avondale College students. Run, Jump and Throw for Gold pilot programme commenced in October 2016 involving 4 Papakura schools with 72 organised sessions and 1,726 child attendances.
Hockey New Zealand	Regional Development Programme.	Auckland-wide hockey regional development programme (RDP) including equipment costs.	\$ 40,000	1 year	From the interim report in October 2016, Hockey NZ and their Auckland based Associations have delivered in-school Hockey participation programmes to over 6,012 children aged (4-12), in 75 schools (11 new schools) across Auckland with 148+ teachers being trained to continue delivery of the sport in their school. Key initiatives include the delivery of Teacher and Coach Development courses, Club Workshops and Umpire/Officials courses. In addition, the delivery of hockey has extended from traditional turf bases in clubs, schools and regional hockey facilities, to include non-traditional surfaces such as school gyms and courts via innovative intro-programme Renegade Hockey 5's.

Getin2life Youth Development Trust	In2it Street Games	Deliver unstructured play activities in local parks for children and young Aucklanders.	\$ 65,000	multi-year (2 years)	In2it has provided play sessions for more than 11,000 school-age participants in 21 park spaces. The average number of participants per small session is 35 and an average of 150 participants for all sessions and events. In2it has continued its relationship with Papatuanuku Marae, providing play opportunities and training young people of Papatuanuku to run programmes themselves. In2it has delivered sessions in new areas, particularly in West Auckland and Central, with new participant-bases.
North West Orienteering Club	Orienteering - Regional Mapping Project	Producing orienteering maps for national, regional and local use.	\$ 20,000	1 year	On track as of 20 December 2016 (verbal report), both maps are 98% completed. Races are starting 14 April so maps will be completed end of March. Spent \$15,772 of \$20,000 grant. 859 entries for Oceania Champs (record numbers).
			\$ 508,000		

**2016/2017 Regional Sport and Recreation Grants Programme recipient update
as at 1 February 2017 (6 month report)**

Organisation	Project Name	Project description	Amount funded	Contract term	Progress
Athletics New Zealand	Athletics New Zealand Club Endorsement Programme	Athletics Club/Volunteer development and support. Including implementing Children's Athletics programmes	\$ 24,000.00	multi-year (2 years)	To date Athletics NZ have 4 new Auckland clubs on the Club Endorsement programme and 6 existing clubs. All endorsed clubs are supported in running the Get Set Go and Run Jump Throw programmes which offer skill development opportunities and give clubs the resources, equipment, upskilling and support to deliver fun; participant centred physical activity/sport opportunities. All 4 new clubs have had initial review meetings where a short term plan has been put in place. 3 of the 4 clubs have received volunteer workshops in the first half of the season. The aim of these workshops is to upskill parents in both the Get Set Go and Run Jump Throw programmes so they feel confident to help out on club night. This programme has reached over 3,031 young people to date.
Aktive - Auckland Sport & Recreation	Greater Auckland Aquatic Action Plan – Water Survival, Safety and Awareness Programme (Years 7 & 8)	Targeting lower decile schools and further educate young people in controlled running water experiences so they can learn the necessary skills to survive if confronted with the real situation in rivers, lakes and the sea.	\$ 44,400.00	multi-year (2 years)	This programme educates young people in controlled running water experiences so they can learn the necessary skills to survive if confronted with the real situation in rivers, lakes and the sea. In Term four 2016 Wero delivered to 292 students from 8 schools. More schools are booking in for term one 2017 with the aim of reaching the 1200 students by the middle of the year. Three of the schools that have participated so far are Kura Māori.
Mahitahi Trust	Iron Rangatahi	Hands on approach in local communities with active participation in triathlon events utilising tikanga and kawa to guide the programme. Theory will also be utilised to provide education around healthy eating and living, etiquette and general safety.	\$ 18,000.00	multi-year (2 years)	\$9,000 paid upon signing of the agreement with a further \$9,000 yet to be paid. Reporting is now overdue. Many attempts made to contact group with no response. The 2nd payment will be withheld until all accountability is up to date.

Project Litefoot Trust - LiteClub Programme - Auckland	LiteClub Programme - Auckland	A programme designed to help community sports clubs reduce their environmental impact and save them money in the process of doing so.	\$ 15,700.00	1 year	The LiteClub field team has been able to work with 15 clubs to work towards becoming electricity independent, water neutral and have zero waste by 2025. Their efforts are calculated to save the clubs a collective total of 415,093 kWh, which translates to a cost saving of \$142,703 over the lifetime of the installed products. 470,000 litres of water a year will be conserved. In addition to this, 53.9 tonnes of CO2 emissions will be prevented from entering the atmosphere. They have upgraded 464 light bulbs to brighter, more efficient LED lighting, fitted 39 metres of Climaflex XT pipe lagging to hot water pipes, improved hot water heating efficiency, installed 23 water saving aerators on high flowing taps, and 24 'Gizmo' cistern weights in single flush toilets and installed 33 bin stations around the clubs with 49 sorting-at-source bins. The 15 clubs that benefited were: Drury RFC, Drury United FC, Glen Eden Bowls, Eden Rugby Club, Pringle Park Bowls, East Tamaki Bowls, West End Bowling Club, Hillsboro Bowls, Balmoral Bowls, Glenfield RLC, Central United FC, Blockhouse Bay Tennis Club, Papatoetoe AFC, Bowls Orewa, Silverdale Squash Club.
Auckland Badminton Association Inc.	Community Hubs as Clubs Program	Establishment of community hubs to grow participation and increase accessibility of badminton at a local level.	\$ 30,000.00	1 year	The Community Hubs as Clubs programme is jointly funded by Active (Regional KiwiSport) and Council. The programme developed both in school and after school activities in local community hubs to reduce travel, cut costs and increase participation. Across Auckland 5925 opportunities have been offered in school with 1300 more children participated in organised sport. Over 605 children are participating in the after school programme. Community hubs include: Panmure Lagoon Drive, Mt Roskill Grammar School, Epsom Girls Grammar School (also started a smaller hub at Otahuhu Stadium on Princes St.), Orewa Badminton Centre, Mairangi Bay and Forrest Hill. After school programmes were offered at over 27 schools around the Auckland region.
Harbour Sport	Regional Sports Trust Bike Coordinators Project	Delivery of regional priorities including increasing the pool of qualified instructors/assessors within Auckland which will provide more opportunities for Aucklanders to engage in cycling.	\$ 42,900.00	1 year	In September and October 2016, three two day courses were delivered to train and develop new cycle skills instructors in Manurewa, Henderson and Albany. A total of 44 participants attended and included 6 from He Oranga Poutama, 3 Community based participants, 10 Counties Manukau Sport staff, 18 Harbour Sport staff, 6 Sport Waitakere staff and 2 Sport Auckland. On average across the three courses, confidence levels of the 44 participants increased from 67% to 91% on completion of the workshop. This was a 24% increase.
