Franklin Woodturners Club

Physical address	61 Coulston Road, RD2, Pukekohe Auckland 2677		
Organisation/individual	Organisation	Main focus	Community
Umbrella organisation	Not application	Legal status	Incorporated Society

Project details

Project title	New Sharpening Centre		
Dates	01/05/2017- 30/06/2017		
Location	23a Collingwood Road, Waiuku		
Summary	We need to upgrade our sharpening equipment as soon as possible. This is a potential health and safety issue.		
Cost of participation	it will be part of the club facilities		
Requesting grant for	Providing the equipment		
Active participants	100	Audience size	will be over 1000, as we regularly do demonstrations at events e.g. Franklin A & P show, childrens fundraising days, Ageing expo etc.
Promotion of activity	Yes, we will be adding it into our newsletters and correspondence. More importantly, we will be ensuring people visiting us when we are in the community are aware we have safe equipment and the importance of it		
Local board recognition	We will be including it in our newsletters, promotional brochures and will also make a small plaque to go on the sharpening station		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • assist young people to move from school to work or further training, support initiatives that celebrate our arts, culture and heritage <p>We are actively encouraging new members into our club from all demographics, and we need to upgrade some of our equipment for safety reasons especially as we are assisting new members in learning, as well as the existing members working at events in the community need to have the safest possible tools</p>		

Community collaboration

Collaborating organisation/individual	Role
Not identified	

Demographics

Maori outcomes	Yes, our patron, George Flavell, is a well-respected Kaumatua in the area, and is actively involves the club in many of his carvings and koha all around the area. Goerge is well known for his carvings, and encourages his community to see what the club can offer them in their learning and community.
Accessible to disabled	Yes, During our membership drive, we have a new member, Michael, who is very disabled from a stroke. Our members have been supported and mentoring him, so much so that he has no use of his right arm, we have helped modify

	equipment that he can use with his left hand, and he is able to now produce wood turning. Before he joined, he didnt think anything like this would be possible. This is one area the club is wanting to continue to grow. We need equipment that is appropriate for people with disabilities.

Whakaupoko (West Franklin) Landcare

Physical address	385 Union Rd, RD 3, Mauku Pukekohe 2678		
Organisation/individual	Organisation	Main focus	Environment
Umbrella organisation	Not applicable	Legal status	Other: Registered Charity

Project details

Project title	Predator Free Whakaupoko Landcare		
Dates	01/05/2017- 01/11/2017		
Location	In heewid Patumahoe, Mauku, Glenbrook and Pukeoware district on primarily privately owned land		
Summary	Enhancing a community coordinated approach to predator control. (Primarily rats, possums and mustelids). For this we have a short term funding requirement before we establish a 3 year longer term funding option in September - November later this year		
Focus specific information	<p>Environmental benefits: * Improved native biodiversity * A more educated community with increased capability for predator control, native tree planting and building of community walkways * A community more engaged with the environment and more willing to live in and build a better environment.</p> <p>Community involvement: Many land owners Land owners: Land owners in the Patumahoe, Mauku, Glenbrook, Pukeoware and Puni area, A continuation of previous work</p>		
Cost of participation	No		
Requesting grant for	We require funding for materials for pest control. This is for both toxins and also materials for making traps/bait stations. On a volunteer basis we coordinate this and also do much of the assembly of traps / bait stations.		
Active participants	125	Audience size	500
Promotion of activity	Yes, We have an extensive email list and facebook option. Also we regularly provide articles that are printed in the FCN and Waiuku Post. Notices are also sent out via local schools with their weekly/ fortnightly newsletters		
Local board recognition	Via our web site, email, public meetings and newspaper emails		
Alignment with local board priorities	<ul style="list-style-type: none"> • support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places • support local environmental initiatives, encourage a weed and pest-free natural environment <p>Whakaupoko Landcare wants to further enhance native biodiversity and engage with the local community so that we can help lead the way to Predator Free 2050.</p>

Target ethnic groups	All/everyone				

Financial information	
Expenditure item	Amount
Toxin - 30 x 10kg bags of brodifacoum and 50D purchased directly from the manufacturer as in the past	\$1,500.00
Materials for building traps & bait stations	\$500.00

Income description	Amount
0	\$0.00

Total expenditure	Total Income	Applicants contribution	Amount requested
\$2,000.00	\$0.00	\$0.00	\$2,000.00

Applicants perceived conflicts of interest: We do have some slight conflict with about to receive \$5,000 of funding from Predator Free NZ via Kiwi Bank. However this is very specific as it targets traps and Predator Free initiatives just in the Village of Patumahoe and the immediate properties bordering Patumahoe. The funds we seek from AC will not be used in this area. AC Franklin Local Board member Alan Cole is reasonably familiar with what we do. Likewise AC staff member, Michael Ngatai, Biodiversity, (our main AC contact person).

Glenbrook School

Physical address	459 Glenbrook-Waiuku Road, RD1, Waiuku, Auckland 2681		
Organisation/individual	Organisation	Main focus	Environment
Umbrella organisation	Not applicable	Legal status	Other: School

Project details

Project title	Glenbrook Environmental Sustainability Programme		
Dates	20/03/2017- 31/07/2017		
Location	Glenbrook School 459 Glenbrook-Waiuku Road RD1 Waiuku 2681		
Summary	We aim to improve our environmental footprint as a school while educating students/teachers/community in the process with things such as reducing our landfill waste and using different bins correctly (food/pig bins, recycling bins). As well as this we want a place where we can grow and maintain native plants and a Matariki garden to celebrate the Maori culture. We will use this to educate students about NZ native plants/the care that is required and their different purposes.		
Focus specific information	<p>Environmental benefits: Native plants grown in a protected area. Butterfly sanctuary - promoting caterpillar/butterfly life cycle.</p> <p>Community involvement: Maori elders, community who are wanting to join in to help prepare and maintain gardens (parents etc.)</p> <p>Land owners: Glenbrook School, A new initiative</p>		
Cost of participation	Only cost of making this happen - garden will be free for anyone to visit.		
Requesting grant for	Establishment supplies for garden and supplies to ensure maintenance is straight forward and on-going (plants, edging, soil, hoses, paint & brushes, wood for signs etc). Bins in classrooms/eating areas for recycling.		
Active participants	100	Audience size	350
Promotion of activity	Yes, Promote project within community. Will have local newspaper cover the opening ceremony etc.		
Local board recognition	Acknowledgement in the write ups in newsletter and newspaper articles. Sign post outside of garden with acknowledgment.		
Alignment with local board priorities	<ul style="list-style-type: none"> support initiatives that celebrate our arts, culture and heritage, encourage activities that reduce waste to landfill, prevent illegal dumping and preserve the beauty of our environment, support community initiatives to enhance waterways and the coastline, including as beach clean-ups and planting <p>Working to improve waterways/streams to protect stream life/fish. Celebrating Maori culture/Matariki by creating garden with native plants etc. Planting native plants as part of Trees for Survival Programme. Maintaining skink garden. Creating & maintaining butterfly sanctuary/swan plants. Recycle/food scrap bins for each classroom to educate about minimising landfill waste., , , , ,</p>		

Community collaboration

Waiuku Golf and Squash Club Inc.

Physical address	PO Box 137 Waiuku Auckland 2341		
Organisation/individual	Organisation	Main focus	Community
Umbrella organisation	Not applicable	Legal status	Incorporated Society

Project details

Project title	Membership and awareness drive		
Dates	01/05/2017- 31/12/1917		
Location	1 Racecourse Rd, Waiuku		
Summary	We recognise that to survive in the future we need to continue to grow members and casual players. We see the development and population growth in the franklin area as a key opportunity to do that. We want to produce membership packs that will be included in the Waiuku Information centre new residents pack, handed out by builders, developers and local real estate agents when they complete a sale. These packs will include, membership information, a free round of golf or game of squash a discount offer for new residents first years membership and other club marketing materials		
Cost of participation	No		
Requesting grant for	We are requesting funding to assist with the cost of the printed brochures and the marketing materials that will go into the pack, the club will provide the vouchers for the free game of golf or squash. The quote provided by the club is estimated uptake based on number of packs distributed.		
Active participants	350	Audience size	3000
Promotion of activity	Yes, we will promote on social media, through the Waiuku Information centre and in all of the membership packs being sent out with local real estate agents, developers and builders		
Local board recognition	We will print your logo on the membership brochures, thank on social media and in the club newsletter		
Alignment with local board priorities	<ul style="list-style-type: none"> support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places <p>Our sports club is effective and contributing to the community by actively encouraging participation in physical activity which has documented physical and mental health benefits. A high percentage of our members are retirees and they are encouraged to actively participate by volunteering at the club. New members are made to feel welcome and included by existing members. Without the support of our volunteers our club could not operate.</p>

Project details

Project title	Hosting a home round robin netball match		
Dates	14/05/2017- 14/05/2017		
Location	High Wire Trust Gymnasium, Papakura		
Summary	The Northern Comets host 6 home round robin matches in the Beko Netball League in 2017 against other club teams from across New Zealand. This application is to assist in hosting one of those matches.		
Cost of participation	Gold coin donation		
Requesting grant for	We are seeking funding to assist with the cost of heritage of the High Wire Trust Gymnasium.		
Active participants	60	Audience size	100
Promotion of activity	Yes, Through various mediums including social media and through netball centres.		
Local board recognition	We will formally recognise the local boards contribution by way of verbal recognition on game day and other potential activations at the match venue which promote the local boards goals, activities and the like.		
Alignment with local board priorities	<ul style="list-style-type: none"> support community groups to be effective and contribute to the community, particularly in shaping and developing their areas to be better and safer places <p>The development of the Northern Comets is vital to netball, sport and physical activity in South Auckland. The Comets want to be a catalyst for significant growth in the game, in and around the region we represent. Our primary goal for the Comets is to make a genuine and measurable difference, both on and off the court. We want our players to be mentors and role models that young South Aucklanders aspire to emulate. The long-term role of the Comets is to capture the support of the community</p>		

Community collaboration

Collaborating organisation/individual	Role
Netball centre personnel	Various volunteering capacities

Demographics

Maori outcomes	Yes, We are aware that the Northern Comets represent one of the largest and most diverse communities in New Zealand with a significant percentage of Maori making their homes in South Auckland. We promote physical activity/sport for all and wish to always engage with Maori in achieving that.
Accessible to disabled	Yes, The High Wire Trust Gymnasium where the event will be held has disability access/facilities.
