

DRAFT

Summary of the draft Manurewa Local Board Plan 2017

Help Shape Manurewa's future

FROM THE CHAIR

It is my pleasure to present this summary of our draft Manurewa Local Board Plan 2017 which outlines our proposed priorities for the next three years.

We have added new objectives and some key initiatives in response to suggestions over time, including an increased commitment to older people.

Supporting community-led initiatives is a common theme throughout the plan and we want to continue strengthening our relationships with mana whenua.

The success of our relationship with the community of Randwick Park, which was named community of the year at the New Zealander of the Year awards, shows what can be achieved when we support our communities to lead change.

We will continue improving the Manurewa town centre and looking at ways we could develop the park and other facilities around the Clendon shopping centre.

Accessible and safe transport options continue to be a priority, as is advocating to Auckland Transport for improvements at Te Mahia station.

Our vision is that Manurewa is an even better place to live, where you feel a sense of belonging and where people of all ages have an opportunity to be active and involved.

Please tell us what you think. We look forward to your input.

Manurewa Local Board

This summary is an overview of the statement of proposal for our draft 2017 Manurewa Local Board Plan. We encourage you to read the full draft plan, available online at shapeauckland.co.nz, at public libraries, council service centres and local board offices and tell us what you think by **Friday 30 June, 2017**. Or tell us what you think in person – see page **XX** for details of local meetings.

WHAT WE PROPOSE TO FOCUS ON

We propose to focus on five outcomes. Our plan is based on the feedback and ideas that our community has given to us over time.

1. People in Manurewa are actively connecting everywhere, every day

We will support our communities to work together to create spaces and places that meet their diverse aspirations, and support participation by:

- partnering with sporting groups and the wider community at War Memorial Park to develop accessible shared spaces within existing facilities
- planning for a creative space using a community-led approach
- working with community organisations to deliver successful local events
- funding local artists and performers to develop and showcase their talent
- partnering with the community to implement the Totara Park masterplan as funding allows
- increasing community participation in the design, development and delivery of local projects and activities.

2. A prosperous local economy supporting local people

We will support our local economy, enabling people to live, work and play close to home by:

- making our retail centres safe, age-friendly community hubs by creating a Manurewa town centre precinct for travelling, working and living
- developing the park and recreation spaces surrounding Clendon shopping centre
- providing spaces and places for community-led social innovation, enterprise and youth entrepreneurship

- helping young people increase their skills and develop clear goals that enable successful transition into employment.

3. Manurewa is well-connected and easy to move around

We will do our part to make it easier for you to move around Manurewa by:

- providing a walking and cycling network with wayfinding signage that links neighbourhoods, facilities, parks, the harbour and shopping centres, as funding allows
- continuing to develop and enhance the Manukau Harbour coastal path and cycleway
- improving access to, and safety at, Te Mahia train station so it is easy and safe for you to use
- working with Auckland Transport to improve public safety on intersections, crossings and footpaths.

4. Our environment is a source of pride and enjoyment for the community

For Manurewa to beat with a healthy environmental heart we need to focus on:

- protecting our local environment and biodiversity for current and future generations to enjoy
- working with our communities in caring for our harbour, waterways, environment, parks and our community spaces in partnership with mana whenua as kaitiaki (guardians)
- supporting community recycling, resource recovery and waste minimisation initiatives
- revitalising Puhinui and Papakura streams
- continuing our commitment to improving water quality at Weymouth Beach.

5. Manurewa is our home, our community

We are proud to call Manurewa our home, and by working together we can help make Manurewa the best it can be. We will contribute to this by:

- delivering and supporting initiatives that celebrate our history and tell the stories of the people of Manurewa

- supporting Māori aspirations to achieve whānau and social wellbeing
- working with our communities and partners to ensure our children get a great start in life
- enabling initiatives that celebrate local Māori culture, heritage and identity
- recognising and celebrating our existing and emerging talent, local leadership and community contribution
- collaborating with community partners to increase safety in neighbourhoods and reduce harm.

DELIVERING OUR LOCAL BOARD PLAN

To deliver a successful plan, we need to focus our limited resources on what matters most to our community and what we can influence. Find out more in our draft local board plan, available online at shapeauckland.co.nz or at public libraries, council service centres or local board offices.
