Project details

Project title	Papatoetoe Friendship Centre		
Dates	03/05/2017- 25/04/2018		
Location	37 Kolmar Rd, Papatoetoe		
Summary	<p>Communicare aims to improve the quality of life for the elderly, lonely and disabled within the Papatoetoe community by providing recreation, support and advocacy at a minimal cost. Our friendship centres, like that at Papatoetoe, are located through Central, East, West and South Auckland to make it easier for those from perhaps a lower socio-economic background to access a session and to engage within their local community. While members attend the centre this also provides some 'time out' for caregivers (also community locals) from what can be rather demanding roles. Local volunteers also gain a sense of networking and assisting those within their local communities.</p>		
Cost of participation	<p>Our members pay an annual fee of \$20 or there is a \$6 per session charge. By keeping this fee to an absolute minimum we hope to make our centre accessible to all including the lowest socio-economic groups.</p>		
Requesting grant for	<p>We are requesting funding to cover the rent of the Papatoetoe Friendship Centre venue. The centre opens once a week during term time at the Wesley Methodist Church hall and rent is paid to the church. Communicare runs the centre employing a paid coordinator who is supported by volunteers.</p>		
Active participants	90+	Audience size	40 per session
Promotion of activity	<p>Yes, The Papatoetoe Friendship Centre is promoted in local newspapers, coffee news and through brochures provided to local health providers, GPs, rest homes and other community groups. Communicare and its activities can be accessed through Facebook and other social media and is listed as a resource on senior service websites.</p>		
Local board recognition	<p>Acknowledgement of the local board's support of the friendship centre will be made through social media and noted in our quarterly newsletter. We have an 'open door' policy for any local councillors who wish to attend the centre or any other local event that Communicare might have the occasion to host.</p>		
Alignment with local board priorities	<ul style="list-style-type: none"> • Thriving communities • Age-friendly communities, <p>Communicare's mission is "to actively improve the quality of life for the elderly, lonely and disabled by providing recreation, support and advocacy in friendship centres". Through these friendship centres we are connecting local communities, promoting well-being and addressing the social needs of the disadvantaged. Addressing the challenges of aging and isolation in this way ensures benefits reach beyond simply improving the welfare of a community's senior persons, but also impact on families and the entire community as a whole.</p>

Demographics

Maori outcomes	Yes, Communicare is an open and welcoming organisation. We have a Maori Health Policy in place that ensures all Maori feel welcome and we are responsive to the needs of Maori. Wherever possible we aim to create an environment that encompasses the spiritual, psychological and physical wellbeing of the tangata mauiui and their whanau.
Accessible to disabled	Yes, Papatoetoe Friendship Centre welcomes all elderly and/or disabled persons in the local community and is wheelchair accessible. The centre is open to all those who face social isolation and loneliness from being unable to readily get out and about. We operate a pick-up and drop-off service to ensure those who want to can access the centre and enjoy the camaraderie of others within their local community.

Location	311 Great South Rd, Papatoetoe, Auckland		
Summary	We are looking to sign-write our new van. This van is used to provide transport for young people and families to get to and from our programmes and activities. Providing free transport makes accessing our services a lot easier and means we get better engagement from the young people and families. This van is also used to pick up young children after school, being sign written means we are able to do these pickups without any concern from the local schools as they know who we are.		
Cost of participation	some of our programmes have fees or ask for a koha sometimes		
Requesting grant for	Sign writing of our van		
Active participants	Approx. 500	Audience size	up to 1000
Promotion of activity	No,		
Local board recognition	Through our Facebook Page, Website and quarterly newsletter that gets sent out to all of our supporters		
Alignment with local board priorities	<ul style="list-style-type: none"> • Thriving communities <p>Our community Trust aims to reach young people and families in need. Through meeting their needs through various practical measures we enable people to become positive contributors to our community leading to a thriving community. Through our services people learn resiliency and are able to overcome some of their struggles, we have been able to connect youth with their families, families with education providers and families with each other.</p>

Project details

Project title	The Auckland Highland Games and Gathering		
Dates	18/11/2017- 18/11/2017		
Location	Ellerslie Event Centre, 80-100 Ascot Ave, Remuera 1051		
Summary	<p>Our Association was approached by Council 18 years ago to provide a Free event for what was known as the Greater Auckland Area. We have continued to do this for the 'Super City' and having the venue of 17 years now being subjected to major infrastructure works (housing development/infill and parks upgrades we felt it best to move to a venue that allowed us to grow the potential of our community focused event. Prior to this an entry fee was charged either at the gaes or to enter the events for which prizes were awarded as far back as 1868.</p>		
Cost of participation	The Event for Spectators is free. Each of the Championship or Challenge events may incur a cost for the competitors		
Requesting grant for	The Heavy Weight and Strongman Events have been an integral part of the Highland Games. Before they even came into being the Scots have not been alone in showcasing the ancient traditions which established champions of the community. A wide range of skills were required to be the protector of the Chief and to a lesser degree the village. Today Security Skills and talents are highly sought after and are easily marketable skills. Showcasing dexterity & technique combined with huge physical strength is an art-form on its own.		
Active participants	1000+	Audience size	3500 - 8000
Promotion of activity	Yes, We share our event via Twitter, Event Finder Pro Auckland, Facebook, Suburban Newspapers 'What's On' and articles, The Scottish Banner Newspaper, NZ Pipe Bands Magazine, The Weekender in the Herald, The Coffee News, TVNZ, Media Works (Radio), QMS Media (Bus Backs), National Business Review article, Suburban Glossies Ads and Articles, Bus Companies, Posters, Bookmarks and Programs. Our own Website https://aucklandhighlandgames.wordpress.com		
Local board recognition	Council logo on all printed matter, our MC will be making 'corporate' announcements.		
Alignment with local board priorities	<ul style="list-style-type: none">• Parks and facilities that meet people's needs• Thriving communities• Age-friendly communities <p>Our Event has transcended all perceived boundaries by being free admission, free of prejudice and open to all. We want everyone to know we are approachable, inclusive and open minded which we have learned from the harshness of our original home. Every country the Scots have emigrated to have been rewarded in multiple ways by their passion, family spirit and dedication to any goal.</p>

Project details

Project title	OKE Growing A Future Working Bee		
Dates	12/06/2017- 24/06/2017		
Location	Redoubt North School, 47 Diorella Dr, Clover Park, Auckland 2023		
Summary	The OKE Growing A Future initiative will engage with Redoubt North School to build a new fruit and vegetable garden. This will require OKE to manage and launch a working bee at the school, recruiting volunteers to help build the garden. OKE will fully fund the materials needed to build and establish the garden.		
Cost of participation	No cost to the school		
Requesting grant for	In order for the gardens to be environmentally friendly and sustainable, OKE has been advised to use locally sourced untreated hardwood as opposed to treated timber. Having just carried out a working bee at Bairds Mainfreight Primary, it became evident that our tools are not sufficient for use with hardwood as opposed to timber. OKE is requesting funding to invest in an heavy duty corded drill and driver, which would enable the team to build raised beds more efficiently using sustainable and environmentally friendly materials.		
Active participants	20	Audience size	660
Promotion of activity	Yes, OKE has a good relationship with the Manukau Courier and will be promoting the working bee. We will also be promoting the project across our social media channels.		
Local board recognition	We would welcome the local board members to attend the working bee. We will of course mention the local board support across our communications about the event.		
Alignment with local board priorities	<ul style="list-style-type: none"> Thriving communities, age-friendly communities, <p>The OKE Charity builds fruit and vegetable gardens at primary schools which help grow life and social skills in the children, by engaging the local community in the building and management of the gardens. OKE works with the schools in organising a working bee, where volunteers come along and build the gardens i.e. parents, teachers, school boards, local businesses.</p>
