Dates	01/07/2017 - 31/12/2017		
Location	Albany CMA - Albany House, 575 Albany Highway, Albany. Belmont CMA - The Rose Centre, School Road, Belmont. Birkenhead CMA - Northcote/Birkenhead Rugby Club, Recreation Drive, Birkenhead. Glenfield CMA - War Memorial Hall, Hall Rd, Glenfield. Mairangi Bay CMA - Presbyterian Church Hall, Penzance Rd, Mairangi Bay. Sunnynook CMA - Sunnynook Community Centre, Sunnynook Rd, Sunnynook. Summary	Our centres open weekly and offers a community activity programme to isolated older persons. Our focus is on social participation and maintenance of strength and mobility through activities relevant to their needs and abilities with a focus on building resilience. Our emphasis is to enable our 'guests' to remain as independent as possible and re-integrate them into their local communities.		
Requesting grant for	Operational costs excluding salaries/wages for 8 centres, 6 on the North Shore and 2 on the Hibiscus Coast. We are applying for a contribution of approximately 30% of 2016/2017 budgeted operating costs, excluding salaries/wages.		
Cost of participation	We ask for a contribution of \$6 from guests attending a centre to cover the cost of morning tea, lunch and activities. If CMA provides transport we ask for further donation of \$2 each way. However guests are not excluded if financial hardship precludes them from contributing. Annual membership costs \$15 enabling guests to attend and vote at our AGM.		
Active participants	250	Audience size	250
Promotion	Yes - We have a brochure detailing our services that is widely available to our target community, from the WDHB, other healthcare providers and the CAB as well as from the community centres that we operate in. We advertise in local community papers in the communities where we provide our services. Once they have finished with their newsletter we encourage our guests to pass it onto friends and family or leave it in the waiting rooms of service providers i.e. doctors, dentists etc. for others to enjoy and become aware of our service and what it offers.		
Local board recognition	We will acknowledge Auckland Council and the relevant Local Boards on our website and Facebook page, and at our AGM. There is also acknowledgment in our quarterly CMA newsletters that are distributed to all guests and then left in doctors, dentist and social agencies waiting rooms. We have put each local boards logo on our website and Facebook page.		

Reason for the project	<p>New Zealand's population is ageing. Between 2011 and 2021 the elderly population is projected to grow by about 200,000 and in the following ten years by 230,000. Research shows social isolation and loneliness are associated with a range of health issues, including increased mortality, depression, high blood pressure and dementia. Studies found that social isolation was equivalent to smoking 15 cigarettes and drinking 6 units of alcohol per day. (Ref: Statistics NZ Website)</p> <p>The number of people aged 65+ has increased by more than 16% in the past six years and is estimated to double by 2031. (Ref: Devonport-Takapuna Local Board Plan)</p>
Community benefit	<p>Longer life expectancy combined with the dynamics of modern day family life mean more senior people live alone and are often away from the support of family. Our service benefits the community as it reduces social isolation, leading to seniors having more fulfilled lives and improved health. This enables them to live in their own homes for longer thereby reducing the burden on healthcare services and other community agencies. We know we achieve this from positive feedback from our guests collected via an annual survey. This is undertaken to ensure our service remains up to date and relevant to the people who need it most.</p>
Alignment with local board priorities	<ul style="list-style-type: none"> • community participation and wellbeing • encourage participation or volunteering. <p>Albany CMA supports the Upper Harbour Local Board in achieving this priority as it strives to ensure our isolated and vulnerable older persons are re-integrated back into their local communities by providing weekly social interaction. This results in stronger and happier communities and ensures older people can live in place for longer with a better quality of life. Paid centre supervisors are ably supported by wonderful volunteers. We are lucky our volunteers come from all walks of life and nationalities which further enriches the lives of our guests providing exposure to different cultures than they may be used to.</p>

Demographics

Maori outcomes	<p>Yes - CMA recognises the four cornerstones of Maori health – Whānau (family health), Tinana (physical health), Hinengaro (mental health) and wairua (spiritual health) as well as Whānau, Hapu and Iwi structures, and the role the Service User, particularly of Koroua and Kuia, plays within these structures.</p> <p>Positive intervention for Māori Service Users can help to introduce healthier lifestyles, change habits and enhance positive social and functional activities. To this end we also have a Maori representative on the North Shore CMA Governance Team.</p>
Accessible to disabled	<p>Yes - Our centres are easily accessible to people with all disabilities. Many of our guests are referred by the WDHb through the needs assessment service, by</p>

	their GP's / and/or other health professionals. During the next month we have organised and made available to all staff and volunteers a two part training day. This covers education for people caring for dementia sufferers and Diversional Therapy Training (hands on activities for older people). This will help ensure our staff and volunteers will have a greater appreciation and ability to care for guests with disabilities.

Project details

Project title	M3: Manage, Maintain, Multiply		
Dates	01/06/2017 - 31/05/2018		
Location	Browns Bay Community Policing Centre, 10 Browns Bay Road, Browns Bay 0630		
Summary	<p>We require funding to maintain and multiply our Neighbourhood Support operations on Auckland's North Shore. We are an inclusive organisation, with an aim to establish 50 more street groups in 2017, growing our coverage to over 350 streets, and over 6,000 residents. We develop community capability and resilience through training and information sharing about crime prevention, safety, and outreach. We actively promote Neighbourhood Support to areas with high levels of crime (including social housing areas) and social isolation (including the elderly). Each volunteer street leader actively connects and shares information with their neighbours. Through our volunteer networks, we can use the time of our one, dynamic part-time employee and expand the benefits of Neighbourhood Support across thousands of families.</p>		
Requesting grant for	We are requesting funding towards the salary of our one part-time employee.		
Cost of participation	No		
Active participants	6,000	Audience size	6,000
Promotion	Yes - We have begun a process of updating our website, newsletter and brochures, in order to better promote our activity. We also reach out to community groups by organising and attending social safety evenings and other safety-oriented events across the North Shore.		
Local board recognition	We will place your logo on our website, in our newsletters (to 6,000 North Shore residents), and on brochures. We will also acknowledge your support verbally to new groups and existing street leaders.		
Reason for the project	<p>North Shore residents can be complacent about crime, due to perceptions of safety. However with a population of 280,000 and over 32,000 crimes in Waitemata annually, there is a high need for the vigilance, support, and information offered by Neighbourhood Support.</p> <p>40% of North Shore residents were born overseas, with many lacking social networks, resulting in feelings of isolation. We are home to vulnerable people including the elderly, victims of crime, and the economically disadvantaged. Neighbourhood Support introduces a 'village feel' to our busy streets, including targeting senior communities and low-decile neighbourhoods, enabling feelings of inclusion, safety and enhanced wellbeing.</p>		
Community benefit	Community benefits include:		

	<p>Residents will strengthen their community connections, getting to know and look out for their neighbours.</p> <p>Residents will learn how to prevent crime and plan for civil emergencies, and how to deal with crime and emergencies if they do occur.</p> <p>In the long term, North Shore residents will have the connections, behaviours and skills necessary to improve their wellbeing, safety and resilience.</p> <p>We will know we have achieved these by monitoring our agreed set of KPIs and targets, which we track throughout the year, both through monthly reporting and by requesting regular feedback from our street leaders.</p>
Alignment with local board priorities	<ul style="list-style-type: none"> families encourage participation or volunteering high impact and provide good value for money <p>Neighbourhood Support North Shore encourages community participation and leads a network of over 300 local 'street leader' volunteers. We empower these street leaders to connect with their neighbours, in an effort to make our streets and communities safer, more caring places in which to live. We provide good value for money, utilising only one part-time employee to manage, maintain and multiply a support network across the North Shore.</p>
