

Waiheke Local Board – Local Grants Programme 2017/2018

Our Local Grants Programme aims to provide contestable and discretionary community grants to local communities.

Outcomes sought from the local grants programme

The Waiheke Local Board recognises the vital role that community groups and organisations play in developing diverse, strong, inclusive, connected and sustainable communities.

Our grants programme will be targeted towards supporting the priorities in our Local Board Plan – such as environmental, cultural, arts, community development, recreational and heritage initiatives, and supporting our youth.

We aim to assist groups to provide activities, projects, programmes, initiatives, and events that make a positive contribution within our local board area.
