Summary	The Depot Artspace is an open and inclusive creative community in Devonport, Auckland that encourages engagement in all art forms. Depot Artspace offers a variety of facilities, services and events that support the creative community. They are currently providing me with professional development opportunities as an artist and this exhibition is a key component of the development programme.		
Focus specific information	Type of art form: Combined arts		
Requesting grant for	The cost of materials for creating the works, exhibition venue, promotional materials, at the arts depot.		
Cost of participation	Free entry		
Active participants	10	Audience size	700
Promotion	Yes - BFM, radio, online marketing through social media, use of Depot Artspace promotional opportunities, pre showing at EA Festival, stall at Eco Festival, flyers and email invitations		
Local board recognition	Place their logo on all promotional material and acknowledge at opening and events		
Alignment with local board priorities	<ul style="list-style-type: none">• protect and restore our natural habitats and biodiversity, including but not limited to projects that align with specific local board priority areas (Maui's dolphin, kauri dieback and control of weeds and pests)• support people to connect with nature or adopt environmentally responsible lifestyles, local arts and events that recognise our inspiring settings and unique character <p>This project/activity will be creating and exhibiting multimedia works including but not limited to sound / performance / dance / visual art that are inspired by 5 native plants including Kauri from the Waitakere Ranges. This project will provide opportunity for people to connect with nature through different forms of art in a holistic sense, explore spiritual and emotional connection to native plants and gain an informed understanding of how we connect with native plants to better respect our natural heritage</p>

Demographics

Maori outcomes	<p>Yes - This work will be centred around our native Aotearoa plants and their teachings. I will be working with a Maori Kaumatua so that for my self and the audience their is gained an appreciation and understanding of the place of native plants as taonga within Maori culture.</p> <p>A whakatoa will be held at the exhibition opening. I will be keeping a diary of my daily learnings and experiences which will form part of a exhibition catalogue that will provide opportunity for the audience to consider how and why native flora is a taonga.</p>
Accessible to disabled	<p>Yes - The exhibition place is accessible for wheelchairs. The exhibition itself will be visual impaired friendly with aspects of sound and texture and I am fluent in NZSL so am able to provide some performance in NZSL and/or get a translator upon request.</p>

Project details

Project title	Insurance for the Piha Community Library		
Dates	27/02/2017 - 27/02/2018		
Location	Library building, 23 Seaview Road, Piha		
Summary	<p>This application is for funding to assist the Piha Resident and Ratepayers Association (R&R) to insure this building, which is a valuable asset to the community. Its construction was paid for by the Piha community and it opened in its new site in 2000. The R&R owns the building and it is occupied currently at zero rental by the Piha Library Trust, which runs the library operations. The Trust has declared that it cannot pay the insurance (which it has previously paid) and so the cost now falls to the R&R as the owner. Our limited annual income makes it impossible to meet this cost each year, hence our application to the board.</p>		
Requesting grant for	To cover the cost of the building's insurance, as above.		
Cost of participation	No		
Active participants	The library has 900 members	Audience size	As above
Promotion	No -

Project title	WJSS After-school Programme Term 3, 2017		
Dates	24/07/2017 - 15/10/2017		
Location	c/o Glen Eden Intermediate School 23 Kaurilands Road, Titirangi		
Summary	<p>We run various classes from 4pm to 6pm, 4 days a week during the school term. Children from preschoolers to Year 9 with Japanese heritage attend in class once a week. Our programme aims to assist them to develop interest and knowledge in Japanese culture and language, whilst upskilling their Japanese language competency so that they feel the joy of communicating in Japanese.</p> <p>We would like our students to be proud of their Japanese heritage as well as respecting the values of those from other cultural backgrounds, believing that they will ultimately grow into contributing members of the multicultural community of New Zealand.</p>		
Requesting grant for	<p>We are seeking support for half of the venue hiring cost (full cost: \$2300.00) at Glen Eden Intermediate School for each term: \$1150.00. If you could support us for this amount, it would make a great difference to us and our programme.</p> <p>The budget may seem to be almost feasible, however, we need to strengthen the finance and develop further projects involving wider community members such as youths, adults and sports clubs, not limited to Japanese descendants.</p>		
Cost of participation	Yes. Parents and guardians pay a programme fee to hire professionals and execute the programme.		
Active participants	90 students, 6 teachers, 2 administration staff, 4 board members	Audience size	family members of approx. 50 households
Promotion	<p>Yes - The introductory meeting is to be held on Sunday 5th March for guardians and students considering enrolment to WJSS After-school Programme. The WJSS Programme Head/Coordinator will give a presentation that includes what we do, how to get involved and what sort of results we have seen so far.</p> <p>Regular updates are made by school letters, our website/blog and facebook pages.</p>		
Local board recognition	Waitakere Ranges Local Board will be acknowledged by school letters, our website/blog and facebook pages. We also hold cultural and sports activities throughout the year, so printed programmes will carry your logos and your support will be noted as programme sponsor.		
Alignment with local board priorities	<ul style="list-style-type: none"> support our diverse communities to be healthy and safe and people feel that they are valued, connected and belong 		

	<ul style="list-style-type: none"> • promote youth well-being <p>WJSS After-school Programme is a parents' cooperative programme which provides educational support for children with Japanese heritage living in the West Auckland area. Our in-class activities and cultural/sports events are designed to enrich their bicultural/multicultural identity by learning and experiencing the culture and language of Japan with peers in a warm and nurturing environment which involves dedicated teachers, helpful hands of family members and the good will of local communities.</p>

Project details

Project title	Snow Trip 2017		
Dates	01/10/2017 - 15/10/2017		
Location	Beginning at Glen Eden Baptist Church, travelling to experience the snow at Mt Ruapehu, staying two nights at accommodation provided by Taupo Baptist Church.		
Summary	<p>We work with mostly at-risk teenagers (referred to us by CYF's and Youth Justice).</p> <p>The people we work with are from very low income families. Our goal is to show them parts of New Zealand to expand their understanding of what this country can offer them. For most that we work with, all they have seen is West Auckland and that is all they know of New Zealand.</p> <p>This snow trip is designed to provide an opportunity to those who might never see more of New Zealand.</p> <p>Outcomes: Great sense of self; greater love for their country and heritage; teamwork; community.</p> <p>Here is a link to the road trip video we made in 2016 https://www.youtube.com/watch?v=dSZRLJ5_p-Y</p>		
Requesting grant for	We want to take about 26 teenagers and 10 leaders down to the snow during the October 2017 school holidays. We will need help to pay for their fuel, food and accommodation costs and ski hire + snow clothing hire. This is twice as many people as we took last year as we want more youth to experience this opportunity!		
Cost of participation	Where possible kids will pay towards their ski pass and travel costs. \$110 each.		
Active participants	26 youth, 10 leaders plus 2 ski instructors	Audience size	36
Promotion	Yes - We plan to promote from within the youth group and in local schools.		
Local board recognition	We will acknowledge Auckland Council in our Annual General report and we will put the Waitakere Ranges Local Board logo and the statement "Funding provided by the Western Joint Funding Subcommittee" on fliers such as the registration forms, feedback forms and completion certificates relating to the project. We will also mention the council support on our website and in the video of the snow trip.		
Alignment with local board priorities	<ul style="list-style-type: none"> • support people to connect with nature or adopt environmentally responsible lifestyles • support our diverse communities to be healthy and safe and people feel that they are valued, connected and belong 		

	<ul style="list-style-type: none"> • promote youth well-being <p>We have taken a group of west Auckland youth away for the last two years and as a result we have seen that they love New Zealand more because of their experience and in turn they love their local area more. Project details

Project title	Forest Ridge Community Group (FRCG) pest control		
Dates	02/05/2017 - 01/05/2018		
Location	1 to 171 Stoney Creek Drive + 89 - 93 Bethells Road Waitakere Auckland 0782		
Summary	<p>Forest Ridge is a 140ha native bush block consisting of 27 separate properties. It is adjacent to the Matuku Link and is a buffer zone between the Ark and Matuku.</p> <p>The groups purpose is (a) to conserve, protect and enhance the native bush (b) to reduce noxious weeds</p> <p>(c) to control animal pests like rats, stoats, possums, wasps, pigs and goats. We want the bush to stay healthy and to continue re-generating so that our native birds flourish.</p>		
Focus specific information	<p>Environmental benefits: A continuation of previous work That we do everything we can to ensure that the native bush in the Forest Ridge Conservation Area continues to improve and that the pest populations on the Ridge are kept to a minimum. We want our buffer zone to be safe for birds from the Ark and Makutu and to see a continuing increase of native bird numbers and species on the Ridge.</p> <p>Improvements to the native bush on Forest Ridge and the control of predators will ensure that food sources continue to be available to the native birds so that their numbers continue to increase.</p> <p>Community involvement: The residents from 24 of the 27 properties on Forest Ridge.</p> <p>Land owners: The landowners of Stoney Creek Drive and the 2 adjacent properties at 89 and 93 Bethells Road</p>		
Requesting grant for	Not all residents are able or willing to maintain the bait stations and bait station trails that they agreed to have installed on their properties. We need the assistance of a contractor to maintain their stations and use traps on their properties as necessary. We also want him to cull goats and pigs and poison wasp nests when required.		
Cost of participation	All Residents contribute their time and money towards the overall care of Forest Ridge Conservation area.		
Active participants	1 contractor and 10 residents	Audience size	Residents of all 27 properties
Promotion	Yes - By newsletters, emails and face to face contact with existing and new		

	residents of Forest Ridge.
Local board recognition	Include a thank you to the Waitakere Ranges Board for funding in the June 2017, September 2017, December 2017 and March 2018 Forest Ridge Conservation Group newsletters and a specific email to all Forest Ridge residents if funding is approved.
Alignment with local board priorities	<ul style="list-style-type: none"> protect and restore our natural habitats and biodiversity, including but not limited to projects that align with specific local board priority areas (Maui's dolphin, kauri dieback and control of weeds and pests) <p>The predator control activities of our overall project will ensure that the native birds in the Forest Ridge buffer zone between Ark in the Park and Makutu continue to flourish.</p>

Project title	Operation Wallacea Exchange to Peru		
Dates	23/06/2017 - 10/07/2017		
Location	Research assistant collecting data from the Pacaya-Samaria National Reserve located in Iquitos, Peru		
Summary	I have been fortunate enough to be given the opportunity to go on an expedition to Iquitos, Peru with Operation Wallacea (Opwall) to be a research assistant looking at the effects of climate change on the Amazon. Opwall is a conservation research organisation that relies on teams of student volunteers. Due to the volunteer's, Opwall can draw upon researches from a wide range of different disciplines and academic institutions, and create long term research projects to figure out the affects climate change is having and ways to stop it.		
Focus specific information	<p>Environmental benefits: A new initiative To learn more about global warming and teach others about it to create a healthier world Help the decrease of global warming which affects nearly every aspect of the environment and all living creatures</p> <p>Community involvement: Friends and family</p>		
Requesting grant for	I am requesting funding for the expedition itself which is a total of \$2600.		
Cost of participation	No		
Active participants	Unsure	Audience size	Unsure
Promotion	Yes - I have put an article talking about the expedition in my school newsletter.

Alignment with local board priorities	<ul style="list-style-type: none"> protect and restore our natural habitats and biodiversity, including but not limited to projects that align with specific local board priority areas (Maui's dolphin, kauri dieback and control of weeds and pests) <p>We here in the Waitakere Ranges are blessed with a beautiful area full of extraordinary wildlife. Unfortunately, climate change is having a huge effect on wildlife, and daily more and more animals are becoming endangered. Wildlife depends on healthy habitats, they need the right temperatures, fresh water, good food sources, and places to raise their young. Climate change is altering key habitat elements that are critical to wildlife's survival and putting natural resources in jeopardy. We need to step in before it's too late, to ensure the survival of all wildlife and keep the Waitakere Ranges beautiful for future generations.</p>

Dates	31/10/2017 - 31/10/2017		
Location	Glen Eden Intermediate School, Kaurilands Road, Glen Eden		
Summary	<p>Our Light Party Event provides a community friendly, safer and more positive alternative to the traditional Halloween celebrations of door knocking. This event has been held on the 31st of October for the last 12 years. The attendance numbers vary between 1000 and 2000 people, depending mostly on how good the weather is that afternoon. Families get to enjoy the included entertainment such as Old Macdonald's Farm, a Fire Engine, giant inflatable obstacle course, bouncy castles, costume competition, craft activities, live performances, free lollies and low cost refreshments manned by local business, while getting to interact with their neighbours in a friendly, safe environment which builds a sense of belonging.</p>		
Focus specific information	Event producer/contractor/3rd party: No		
Requesting grant for	<p>\$1500 towards the giant inflatable (which costs \$2294). The huge bouncy Mission Impossible inflatable is the largest single expense at the Light Party and even the big kids love it. It also has to be booked well in advance of October 31st.</p> <p>Helping pay for this will keep the entry fee affordable to all people.</p>		
Cost of participation	Yes an entry fee of \$1 per person
