

Summary of key sporting organisation feedback

Organisation	Comment
Auckland Basketball	<ul style="list-style-type: none"> • Indoor space is at a premium, • Basketball requires additional indoor space, • 2 court is a minimum and 4 courts is a preference, • Would utilise it for delivery of programmes and competitions for juniors and seniors, • Majority of use would be after 3pm until 10pm, • Charges should be a minimal as possible but would pay what they do currently at other similar Council venues.
Auckland Badminton	<ul style="list-style-type: none"> • Current Auckland Badminton facility is at capacity at peak times and is limiting growth of membership, • No capacity for new clubs or participants, • 4 – 8 court facility required, • Majority of use would be 5pm – 10pm (weekday and weekend), • Would be utilised for training and club use as well as general community use and school programmes, • Assist as satellite venue to reduce travel times for teams and juniors, • Require new facility to cater for continued growth in sport.
Auckland Netball	<ul style="list-style-type: none"> • Indoor space is at a premium, • Netball requires additional indoor space, • 2 court is a minimum, • Satellite venue and aligned to the Auckland Netball Centre, • Assist as central venue to reduce travel times for teams and juniors, • Would be utilised for delivery of training for clubs, junior competitions and social competitions, • Majority of your use would be after 4pm until 10pm, • Charges should be a minimal as possible but would pay what they do currently at other similar Council venues.
Counties Manukau-Auckland Volleyball	<ul style="list-style-type: none"> • Access to indoor court space for training and competition for club use is a major issue, • The key venues utilised for club competitions and trainings are the Otago Recreation Centre and ASB Stadium, • Some high schools are used by clubs for training, • Access is limited at current venues which does not allow the ability to increase team numbers in competitions, • There is a need for another indoor court venue catering for 2 volleyball courts at a minimum or 3 courts being ideal, • Usage of the facility would be weekday trainings from 6pm to 9pm and Saturday competition from 8:30am to 7pm, • Other usage such as events and coaching and official's workshops and training would also occur.
Auckland Futsal	<ul style="list-style-type: none"> • Significant growth in Futsal membership, participation and competitions in Auckland and nationally, • Require additional indoor court space to meet growing demand • Minimum 2 indoor netball-sized courts required, • Majority of use would be 5pm – 10pm (weekday and weekend) • Would be utilised for training, competitions and school programmes • Provide a venue in central Auckland to help reduce travel times for participants.
