Project title	Directory of Support Services 2017-19: North Shore, Rodney & Waitakere		
Dates	16/05/2017 - 19/01/2018		
Location	The Norman King Community Hub, Level 1, 65 Pearn Crescent, Northcote, Auckland 0627		
Summary	Raeburn House will be updating the Directory of Support Services, including the Migrant & Refugee Directory for the 2017-2019 periods. Essential, up-to-date support information will be available to diverse communities across the North Shore, Rodney and Waitakere via three information platforms: hard copy, online, and smartphone/tablet APP.		
Requesting grant for	Raeburn House seeks a contribution from the 8 Local Boards featured in the directory towards the overall costs of updating and publishing the directory across 3 platforms (online, hardcopy and APP). Funding is requested to contribute towards information updating, data entry, printing, infrastructure and management, IT services, graphic design, promotion and distribution.		
Cost of participation	no cost - free for agencies to list, free online and APP access, free hardcopy for agencies featured in directory (businesses who request a hardcopy pay \$30, max 10 businesses per year)		
Active participants	40000	Audience size	40000
Promotion	Yes - At community networks and events, on our website, via social media, community notice boards, and public presentations and at doctors surgeries cross the region (in-person visits). We hold a community launch event attended by 200+ people for each edition, newspapers and media representatives are invited to attend and report on the event.		
Local board recognition	Local Board's will be promoted within the directory and will have their logos published, they will also be visible on our website, in our Annual Report and will be verbally acknowledged in public presentations.		
Reason for the project	The Raeburn House directory is accessed by close to 40,000 people per year and is the only community resource of its kind in our region.		
Community benefit	Communities will continue to have access to up-to-date information to pursue their wellbeing objectives at a local level within their own communities. Community agencies and organisations receive free promotion throughout the region. We measure our achievements by evaluating the directory and its outcomes with a formal survey, as well as with community feedback.

Project details

Project title	NZ BLue Light life skills		
Dates	21/08/2017 - 25/08/2017		
Location	Taupo , Auckland		
Summary	The life skills program is camp based run in partnership with NZ Defence force. The program builds discipline , respect for themselves and others , team work and problem solving skills, leadership and respect for the police whilst also providing basic life skills such as basic chores around the home , ability to relate to others , nutrition , discipline and exercise.		
Requesting grant for	Actual cost of course. No cost for NZDF or police who supervise on course. Funds requested are for five young people aged 14-17 attending the life skills camps that will be selected by Blue Light NZDF and Police selection criteria. The five will be from Devonport - Takapuna other boards we apply will be for their local young people.		
Cost of participation	\$500 participant course cost		
Active participants	40 per camp	Audience size	200 (5 north island camps or 480 overall)
Promotion	Yes - Selection process is done via our Blue Light branches, local police and NZDF.		
Local board recognition	Through Newspaper, media releases and social media sites. Also at graduation which is attended by not just parents and caregivers but also we send invites to board members where a public acknowledgement is made.		
Reason for the project	This program has been running for a number of years and our research has included and evaluation competed through Auckland University which clearly showed a wide range of benefits and a need for this project. There has also been a vast array of feedback received directly from participants their whanau , their schools, local police officers and other in the community showing not just the extremely positive impact on the young people attending but also the impact back into the communities they come from		
Community benefit	There will be an increase in young people who can fully participate to their community rather than be a cost to it. It has shown from previous courses that young people who have the potential but are unsure of what their future may hold have become focused and worked their way through to being successful back in their schools, communities and also gaining long term employment. Attached is a media article and also direct feedback from participants on the impact it has made on themselves and their families.		

Alignment with local board priorities	<ul style="list-style-type: none"> people are connected to their neighbourhoods and their wider community through place- making initiatives <p>As the youth is chosen locally they then return to the same area, the activity based education (life skills camp) is an ideal way to develop young people taking them away from distraction and everyday life and teaching them ways to improve and manage their lives moving forward, enhancing positive relationships between police , young people, their whanau and their community.</p>

Cash for Containers / Entrust

Umbrella organisation		Legal status	Not for profit community group

Project details

Project title	Cash for Containers campaign		
Dates	01/06/2017 - 24/11/2017		
Location	Various (at events)		
Summary	Cash for Containers intends to run bottle drives at Waitakere Ranges Local Board area events to encourage and support waste free events. At each event we will set up a "bottle buy back" stall. People will purchase a bottle at a vendors stall, and can bring the empty container to our staff for a 10c 'refund'. We can "buy back" as many bottles as we have funding for. For example - \$200 allows us to "buy back" 2,000 bottles.		
Focus specific information	<p>Environmental benefits: Reduce waste at events, increase resource recovery at events. Once a nationwide Cash for Campaign scheme is introduced we anticipate a 65% reduction in litter and a minimum 85% increase in recovery of beverage containers</p> <p>Community involvement: All environmental and community groups are welcome to take part</p> <p>Land owners: N/a,</p>		
Requesting grant for	Funding to provide a 10c refund to people who bring their bottles to the bottle depot at each event		
Cost of participation	event entry if applicable (not linked to us)		
Active participants	5,000	Audience size	5,000
Promotion	Yes - Through event promotion, website, social media and email networks		
Local board recognition	At the event, the Local Board logo will be placed on the bottle buy back stall with "Funded by Waitakere Ranges Local Board" or similar		
Reason for the project	Low recycling rates through the Local Board area High levels of waste and low levels of recycling and events		
Community benefit	Cash for containers will massively increase recycling rates and: - reduce plastic pollution in the sea - create over 2000 jobs - save councils and tax payers \$26-40 million per year - reduce CO2 emissions - fund community groups - supplement low incomes - foster a sustainable, circular economy!		
Alignment with local board priorities	<ul style="list-style-type: none"> • . local community organisations are well supported, resourced and empowered to deliver to our communities • our natural environment harbours and waterways are protected and enhanced in partnership with mana whenua • our communities are environmentally aware and work together to live 		

	<p>sustainably</p> <p>Working with local community groups, we will provide a bottle buy back at 2-3 local events (funding dependent). Bottle buy backs decrease waste at events, increase recycling at events and encourage the community to value recovered resources. We will also educate event participants on the benefits of the introduction of nationwide Cash for Containers scheme which would mean everyone had access to a bottle deposit depot.</p>
