

Rodney Local Board
Outcomes of Deputations/Presentations and Public Forum

20 April 2017

Presenter/Topic	Purpose/Issue	Outcome
Punganui Station; Anthony Woodward and Peter Brennan	Mr Brennan and Mr Woodward outlined a proposal for use of private land at Punganui. The proposal includes providing a community green, a tourism venture, a potential park and ride site, a kayak/canoe venture and a zero waste venture.	The local board were interested to learn details of the proposal. Mr Brennan and Mr Woodward were advised to contact council's regulatory department for advice on what types of consents might be required for the proposal. The speakers were urged to submit on the local board plan when it opens for consultation in late May.
Vision Wellsford; Lionel Foster and Wendy Crow-Jones	Mr Foster and Ms Crow-Jones sought local board support for a unitary plan review for Wellsford.	The council has recently been undertaking a review of the Future Urban Land Supply Strategy which sets the order in which land is supplied for development in future growth areas. The submission period closed on 24 April and the Planning Committee is expected to consider adoption of the revised strategy in July 2017. The speakers were urged to submit on the local board plan when it opens for consultation in late May.
North West District Business Association; Gary Holmes	Mr Holmes gave an update of the activities of the North West Business Improvement District. He noted the initiative for a tourism van had not been as successful as anticipated and requested that the remaining funds be re-allocated towards another initiative.	The local were interested to hear the update on the activities of the North West District Business Association. Re-allocation of the funds would be the subject of a future report to the local board.

<p>Greenways; Hilary Bladen</p>	<p>Ms Bladen spoke in support of a greenways plan, in particular for safe off road tracks for pedestrians, cyclists and horse-riders in the Coatesville area.</p>	<p>The local board has adopted two greenways plans to date, one for Wellsford and another for Kumeu-Huapai-Waimauku and Riverehead, Work on greenways connecting the whole of Rodney continue to be a priority for the local board and further funding will be allocated to greenways planning for the 2017/2018 financial year and it is likely that the focus of that work will be in the Dairy Flat and Coatesville area.</p>
