| Workshop Item   | Governance role                      | Summary of Discussions   |
|---|--------------------------------------|--|
| Roads and Streets Framework and Transport Design Manual                               | Local initiatives/specific decisions | To provide a comprehensive assessment of the existing vehicular parking situation, including undertaking parking surveys and business questionnaires for the Parnell parking management plan and an update on the Newmarket paid parking zone. |
| Parnell and Newmarket parking plans   | Local initiatives/specific decisions | Introduce the Roads and Street Framework and Transport Design Manual which will assist in achieving the outcomes of the Auckland Plan and set out how and when the board can provide feedback on the draft Framework and Manual                |
| Cycling Programme Business Case   | Local initiatives/specific decisions | To inform the board about the proposed cycling investment in the Waitematā Local Board area and seek feedback on the boards priorities.  |
| Point Chevalier to Westmere walking and cycling improvements post public consultation | Local initiatives/specific decisions | To inform the board about the consultation surrounding this project, what actions will follow public consultation, and to encourage written feedback from the board.   |

|                             |                                      |  |
|-----------------------------|--------------------------------------|--|
| Light Rail update           | Local initiatives/specific decisions | To update the board on the recent developments and decisions that have been made about the Light Rail project and to introduce newer board members to the project. |
| Comms update                | Local initiatives/specific decisions | To provide an update on comms activities over the past month and coming weeks.   |
| CCTV                        | Local initiatives/specific decisions | To provide advice regarding installing CCTV systems and update the board on Safer Communities accreditation, in response to resolution WTM/2017/6.                 |
| Governance Framework Review | Input into regional decision making  | An update was provided regarding progress of the political working party input into the Governance Framework Review  |
| Quarterly report            | Local initiatives/specific decisions | To provide an opportunity for the board to review updates on the Board's work programme for the third quarter.   |
